Prayer As Science:

The Science of Prayer Ludovic (de Besse, père, O.F.M. Cap.), Father Ludovic de Besse, 1925 The Life of Prayer in a World of Science William Adams Brown, 1928 *The Life of Prayer in a World of Science* Rick Ostrander, 2000-11-02 During the late 19th and early 20th centuries Christians carried on an intense debate concerning the doctrine of prayer This ideological revolution affected not only the ways that they interpreted the Bible but also how they prayed In this book Rick Ostrander explores the attempts of American Christians to articulate a convincing and satisfying ethic of prayer amidst these changing circumstances *The Life of Prayer in a World of Science* William Adams Brown, 1927 Science and Prayer William Wirt Kinsley, 1893 *The Science of Prayer* Albert Clarke Wyckoff, 1918 **Science of Prayer** Richard S. Rominger Ph.D., 2012-02-01 Your true essence survives the physical death of your body Your soul is the true essence of who you are not your body In all likelihood you have lived before in a much different body All souls originated from the same God sourced energy As humans living on Earth we are ONE big soul family This book combines science and spirituality in a unique way It contains carefully documented descriptions by a trained research scientist of visions which I received as a result of prayers and requests for information Science of Prayer validates the usefulness of walking a path of spiritual wholeness The author describes his search for answers to help explain his experiences This journey takes us through the study of consciousness psychic development classes training in an energy healing modality and much more It describes what the author did and suggests exercises to help put you in the best possible position to receive the guidance that you are given Richard Rominger This remarkable story gives us all a glimpse into what is possible when you allow your six sensory abilities to open up to Spirit Sonia Choquette New York Times bestselling author **The Life of Prayer in a World of Science** William Adam Brovon, 1951 *Jewish Prayers to an Evolutionary God: Science in the Siddur* Joel Yehudah Rutman MD, 2017-07-20 Why do we pray On the one hand prayer offers us a way to meditate on the knowledge of God and have intimate interaction with a personal creator And for many Jews it offers a sense of community and fulfils a need for daily connection with a venerable tradition and language Yet for many modern Jews prayer is at best old fashioned or at worst no longer necessary In Jewish Prayers to an Evolutionary God Science in the Siddur author Dr Joel Rutman provides a new way of understanding the existing language of Jewish prayer and he integrates science with Jewish liturgy all the while striving to preserve the passion that makes prayer matter The aim is to enable Jews to daven pray with kavanna intent trusting that science will not pull the rug out from under their prayer The poems also continue the ancient tradition of hazzanim cantors who author new prayer poems **A Journey into Prayer** Bill Sweet, 2003-10-24 Prayer is a constant mental input into our world Do we pray for what we need or what we want Do we pray to heal or to hurt Terrorists pray Healers pray Millions pray Motivations for prayer are investigated by the Spindrift researchers One discovery was that non goal directed prayer Thy will be done produced different test results than goal directed prayer A Journey Into Prayer explores the struggles triumphs and

persecutions of two spiritual healers Bruce and John Klingbeil who developed scientific laboratory tests to investigate the effectiveness of prayer This father and son team added to the centuries old anecdotal evidence the modern day standard of proof demanded by science and medicine Spindrift translated some spiritual experiences and religious language into the scientific language and experiments of our times Spindrift isolated positive and negative effects of prayer Spindrift ignited spiritual dynamite by asking What can we know about prayer scientifically Author Bill Sweet weaves with a rare sense of humor this Spindrift adventure and the outrage it sparked ABOUT A JOURNEY INTO PRAYER One of the most predictable consequences of exploring the bridge between science and religion is that the simple act of questioning authority on either side of that bridge is guaranteed to evoke furious emotions in those who believe they already know the truth Bill Sweet s Journey into Prayer is the story of a father and son who courageously risked everything to explore the power of prayer an overview of what they discovered and a poignant reminder of the risks faced by all true pioneers Dean Radin Ph D Senior Scientist Institute of Noetic Sciences Author of The Conscious Universe and Entangled Minds interviewed in the movie What the Bleep Down the Rabbit Hole The name Spindrift is synonymous with what at first seems an oxymoron the scientific study of prayer This group s ground breaking work which has been part of an enormous shift in consciousness was brought forth at great personal cost the apparent suicides of the father son research team Bill Sweet s meticulous account reads like a mystery one that may never be solved But regardless of the tragedy the Spindrift research is an important part of the bridge between science and Spirit May all the good these researchers have done return to them as an enduring blessing of peace Joan Borysenko Ph D Author Seven Paths to God and A Woman s Journey to God cofounder and former Director of the Mind Body Clinic Harvard Medical School This book describes the work of some original thinkers supported by over 20 years of meticulous experimental and analytical research of ingenious design It bears on the nature of prayer and of healing and of powers of the human mind little appreciated by most people Because the philosophical background and the experimental work differs from the mainstream the research and its important implications for all of us has been largely overlooked Bill Sweet s homely and disarming writing style presents the material in a personal way that is easily accessible to readers of all backgrounds Read it enjoy it and save your judgment until you have finished and pondered it a while Theodore Rockwell nuclear engineer and Author of The Rickover Effect and Creating The New World Prayer Ernest Holmes,2007-12-27 Discover the transformative power of prayer through this philosophical and inspirational book packed with prayers and meditations drawn from Ernest Holmes s classic text The Science of Mind Prayer is a deeply personal practice transcending religious boundaries This book explores the philosophy of prayer and explores its profound impact on the mind and body all while guiding you through the art of praying and meditation to help you discover guidance healing and a deeper understanding of yourself Combining the most essential principles of prayer with the dozens of prayers and meditations from Ernest Holmes s classic text The Science of Mind this essential guide is a simple introduction for anyone who wants to learn

how to pray effectively What does one do when he prays writes Holmes He talks to God Where does he talk to God He talks to God in his own mind through his own thought or feeling

Scientific and Pastoral Perspectives on Intercessory Prayer Larry Van De Creek, 2013-10-23 Many people agree that prayer is a central feature of spiritual life But what is prayer Scientific and Pastoral Perspectives on Intercessory Prayer An Exchange Between Larry Dossey MD and Health Care Chaplains explores common questions and concerns about intercessory prayer or the act of praying for the benefit of others from several different points of view Chaplains priests ministers and clergy in the health care profession will learn how prayer is examined from sources other than traditional Christian views such as parapsychology From Scientific and Pastoral Perspectives on Intercessory Prayer you will learn what prayer means to some chaplains and to their ministry and how prayer can make drastic changes in the lives of your parishioners patients and their families Written by eight chaplains the articles in this text are in response to an essay by Larry Dossey a nationally known physician who speaks and writes about prayer The contributors to Scientific and Pastoral Perspectives on Intercessory Prayer discuss his points of view on intercessory prayer which are based on quantum physics You will learn if this area of physics can make a difference in how you practice your faith how you worship and what you think about or expect from prayer Scientific and Pastoral Perspectives on Intercessory Prayer examines several other topics related to prayer including discovering whether or not intercessory prayer is truly different from other methods of meditation exploring the relationship between intercessory prayer and meditative or praise prayer linking prayers and their results to the expectations or intentions of those who engage in them differentiating between an intercession and a wish deciding for yourself what constitutes evidence or proof when discussing the aspects of prayer how our opinion of prayer relates to how we think about the universe and about God Since Scientific and Pastoral Perspectives on Intercessory Prayer focuses on the cooperation between science and theology you will discover that in many instances people believe that the power of prayer should be taken seriously This text also shows you how the questions and functions of prayer are shared by everyone despite religious differences or methods of praying Encompassing research and personal experiences Scientific and Pastoral Perspectives on Intercessory Prayer will help you answer questions about religion and its role in the lives of parishioners patients and clergy as well as provide you with evidence to the positive and healing power of prayer

The Prayer Complement Ola Aturu, 2008-11 THE PRAYER COMPLEMENT Why will someone pray and will not receive an answer Why will someone travail at a prayer meeting for hours and heaven will somehow care less If an earthly father has something and refuses to give it to his son then there must be an underlying reason for the fathers action Equally there are fundamental reasons why God will not give answers to prayers It is high time children of God look into these reasons so as to plug into and inherit the plan of God for their live This book will come handy to answer questions like I prayed but why am I not receiving answer How long you have been a Christian does not matter in this issue Sincerely heaven is not concern about you knowing the whole of Psalm as a prayer tool This book will equally lead

you to know What you ought to know and steps to take The Whole Armour of God Have passion for the Word of God Holiness without prayer can be catastrophic What completes a believers prayer Olayiwola Aturu is a pastor in Mountain of Fire and Miracles Ministries Ireland He has passion to preach the word of God undiluted He is a privileged graduate of School of Ministry MFM International Headquarters Lagos Nigeria He is married to Faith Bukola Aturu and they are blessed with three children

How to Pray Helene Ciaravino,2012-07-17 The power of prayer can heal illness and move personal mountains How to Pray begins by discussing the benefits of prayer including enhanced physical and spiritual health It then explores the prayer practices of Judaism Christianity Islam and Buddhism providing a clear xplanation of each religion or philosophy s approach as well as true life stories showing the significance of divine communication Whether you want to learn more about prayer or you long for the comfort it provides How to Pray will give you what you seek *Myth-Busting in Science and Religion* Jim Slagle,2025-07-14

Science and religion is one of those subjects where everyone knows a lot of things that just ain t so This is because of the numerous urban legends about how the two fields have interacted historically and how they do so today These false beliefs are ubiquitous in Western civilization especially in academia prompting many people to oversimplify the issues This book corrects many of these urban legends and confusions involving premodern cosmology the alleged persecution or even martyrdom of scientists for discoveries that challenged the religious status quo the history and nature of biological evolution the potential discovery of rational extraterrestrial life and whether miracles would somehow conflict with the laws that science has discovered As one might expect reality turns out to be much more complex than the stories suggest *The Psychology of Prayer* Bernard Spilka, Kevin L. Ladd,2012-09-01

Reviewing the growing body of scientific research on prayer this book describes what is known about the behavioral cognitive emotional developmental and health aspects of this important religious activity The highly regarded authors provide a balanced perspective on what prayer means to the individual how and when it is practiced and the impact it has in people s lives Clinically relevant topics include connections among prayer coping and adjustment as well as controversial questions of whether prayer for oneself or another can be beneficial to health The strengths and limitations of available empirical studies are critically evaluated and promising future research directions are identified The Power of Prayer a Science Educator's Experience Dana Barry,2009-09

Take an inspirational journey with Dr Dana M Barry a scientist educator and spiritually strong woman who believes in The Power of Prayer Dr Barry through her work and study is accustomed to logic proof and facts However her faith and prayer are endless and extraordinary Dana s spiritual side is what gives her life purpose joy and meaning Barry presents amazing examples of unique and astonishing responses to prayer Citing references from the Bible the Saints and Mother Teresa her book is an enlightening and beautiful rendering of her own personal spiritual journey After reading you will be inspired to begin your own journey embrace the healing and wondrous power of prayer and believe in the eternal love of God Dana M Barry Ph D is an author science educator and chemist Dr Barry the senior technical writer and editor at Clarkson University s

Center for Advanced Materials Processing and scientific board president for Ansted University has served as a visiting professor overseas She is a member of St Mary s Parish in Canton NY In her most recent book *The Power of Prayer A Science Educator s Experience* Dr Barry draws on her professional experience and reflection on her unique personal religious experiences to provide the reader with an inspiring message about the power of prayer The telling of the story of her faith journey encourages the reader to find God in the routine of life and know that the Lord has a plan for each of us Rev Terry R LaValley J C L Rector St Mary s Cathedral Ogdensburg NY [The Science of Prayer](#) Trizah Gachanja,2016-03-16 Knowing how to pray and get your prayer answered Learn why some prayers can be answered while others are not or are delayed

The Science of Prayer ,1919* [The Miracle Kit Behind the Power of Prayer](#) Nehemiah Davis,2023-10-17 This book The Miracle Kit behind the Power of Prayer offers an analysis of a mystic ancient form of prayer that manipulates subtle cosmic energies through ancient techniques of yoga science and religious rituals that are not understood in today s materialistic modern science The mystic prayer technique that this book is advocating uses the spoken word along with positive imagination and visualization to invoke and harness this power of cosmic energies or pranas This book goes into detail on the ancient science for manipulating the five major pranas that flow through our subtle bodies and gross physical body The technique also uses pranayama techniques an ancient method of breath control that allows man to control the flow of prana that enters and exits the body s psychic centers Chakras The prayer technique also incorporates mudra yoga that assists the prayer practitioner in sealing and redirecting pranas so that they can be impregnated with a mind substance that has the purpose and direction of the intended target
