helpless to do anything about it Yet what we are facing isn't new In the past there have been many wars There have been threats and acts of terrorism History is spotted with violent episodes of unimaginable carnage and horror And what did people do about them The only thing they could do they prayed Discover with Derek Prince how your prayers and fasting can change the world Using experiences from his own life he illustrates how you can make a difference You don't have to fight You don't have to hold high political position You don't have to be a certain age You don't even have to have power money or influence on earth What is important is your influence in heaven Learn to touch the heart of God through prayer prayer that will change the world

Effective Prayers Rev. Robert Antwi,2012-09 Many prayers go without answered so I decided to seek the face of God to know how Christians will be able to get their prayers answered Since I became a Christian in August 1984 I have seen most of my prayers answered in a very special way so I would like to share with you some of the secrets I learned in getting my prayers answered Our God is a prayer answering God First we must have faith in God and trust that He is prepared to answer when we call on Him But without faith it is impossible to please him for he that cometh to God must believe that he is and that he is a rewarder of them that diligently seek him Heb 11 6 Prayer is diligently seeking the face of God so if we are going to pray then we should believe that God is going to listen and answer our prayer *The Beginner's Guide to Fasting* Elmer L. Towns,2011-08-16 God created the human body as a finely tuned instrument of enormous power but it requires fuel to operate To make sure the body gets enough fuel God created in us an appetite for food which we call hunger So why would we ever ignore our hunger and choose not to eat Going without food for spiritual reasons is called fasting a spiritual dis

Why Should I Fast? Daniel R. Hyde, 2015-03-20 Today the church seems to have forgotten about the spiritual discipline of fasting Most of us have never heard a sermon about it and few of us have ever practiced it We think of fasting as an antiquated relic of the past So why should we fast in an age of fast food Pastor Daniel R Hyde argues that fasting is actually a basic biblical teaching and practice one that is vital to cultivating godly living in an ungodly generation Fasting is a means to the end of abiding deep and personal communion with the triune God through prayer The author explains what fasting is provides biblical examples of it reminds us of what Jesus taught regarding it and tells us how to go about it

Prayer: A Divine Invitation Pastor Curtis T. Hall, 2024-04-12 A Divine Invitation is about having an intimate relationship with God We get to know who God is and what God has done for us Knowing who God is helps us in our prayer life where we can communicate with God freely and openly Prayer is important to our spiritual lives just as breathing is important to our existence It is the same way with prayer If we refuse or stop our spiritual life will cease to exist It is just that simple Plus Jesus is our example when it comes to prayer His life was saturated with prayer He prayed at every juncture of His life Prayer is an invitation that Christ gives to each of us so that we can come into His presence We do not need the help of anyone else to approach the God of the universe He's there waiting on us to come to Him in prayer Prayer lets us know that we have Someone who listens to our supplications and answers them according to His will Prayer is personal and intentional Prayer allows us to feel the love that Jesus has for us It draws us into His presence where we can find peace joy and contentment
