Called to Be a Royal Priesthood John E. Huegel, 2022-03-30 This book is divided in two parts The first part is the story the Bible tells of God's presence in the world beginning with creation and the rebellion of the first humans followed by God's project of restoration in the chosen people of Israel its fulfillment in the death and resurrection of Jesus and the final consummation at the end of time The second part is an exposition of what the Bible teaches our response to the story should be The author points out that the Holy Spirit reveals to us our union with Christ in his death and resurrection This enables us then to practice the virtues that lead to holiness which is the foundation of our vocation as kings and priests

**The Two Sides of the Golden Rule** Martha Fehr M.A.,Wes Fehr Ph.D.,2011-03-18 I believe that the Bible teaches assertiveness as the most mature biblical way of living In very simple terms assertiveness is when we say Come sit with me Let s talk about our relationship What is working for us and what needs to change When we are assertive we do not run and hide from relationship difficulties neither do we demand that things are done our way Instead we face the problems head on and in a calm but firm manner we address the issues that need to be resolved When I have been privileged to help people become assertive they have not only improved their interpersonal relationships they have developed a healthier self esteem and for people with a faith in God that relationship has also deepened Because I have seen such positive changes in the clients I have worked with I have become passionate about the importance of being assertive My own relationships have also improved when I have practiced assertiveness Before I worked as a counselor I taught school for several years Later as a counselor I wished that someone would design a course on assertiveness that could be used in the classroom If children would learn the value of assertive behavior early in life they would struggle less with relationships throughout their lives

**The Pursuit of God's Own Heart** John E. Leon,2018-06-19 Only one man in the Old Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13 22 Why Why would God give David such a characterization Wasn t he also a

man of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel s history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David s story It s God s metanarrative His Story We will find there is a deeper message from God that transcends David s life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2 30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David s life we learn the meaning and purpose of the Christian life Why Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him
