Prayer Summits:

Prayer Summits Joe Aldrich, Joseph C. Aldrich, 1992 **What Can One Woman Do?** Janet Broling, 2008-01-10 It started one woman's vision for communities transformed through prayer. It became a reality as thousands of women joined for the historic New York City Women's Prayer Summits in 1997 and 1998. The book **WHAT CAN ONE WOMAN DO** tells the story of how that simple vision is impacting lives and cities and nations today. When God gave Janet Broling the vision to hold a women's prayer summit in The Theater at Madison Square Garden in New York City, she only knew two Christian women in Manhattan and no pastors. She was an unknown fifty-eight year old layperson who had never organized an event such as this. All she started with was a remarkably clear vision from God to do it. Readers will discover the insurmountable mountains God removed to bring about the Women's Prayer Summits and how God opened the windows of heaven as thousands of women gathered together in the Name of Jesus. And they'll read about what God has brought about in the ten years since the summits truly amazing. Janet Broling clearly shows how anyone with a call from God can impact their community through united prayer. She offers tremendous encouragement that God is able to use them in unimaginable ways. Readers will find themselves declaring, "This can happen in my family, in my church, in my city." These stories can be my stories. Lord, what do you want to do through me? *Prayer on Fire* Fred Hartley, 2014-02-27 Prayer on Fire is what happens when your initiative to meet with God in prayer connects with His desire to meet you. Learn the biblical steps to take to experience the reality of the Holy Spirit's presence in your daily prayer life. *The Power of a City at Prayer* Mac Pier, Katie Sweeting, 2002-01-01 Months before September 11, 2001, many Greater New York churches were uniting together in one of the largest urban prayer movements in the world. So when disaster struck on that late summer Tuesday morning, the churches and people were already in place to comfort, heal, and pray for miracles. Mac Pier and Katie Sweeting, coordinators for Concerts of Prayer Greater New York, write about their experiences in *The Power of a City at Prayer*. They explain how to build an urban prayer ministry and they share powerful examples of how such prayer movements have dramatically influenced neighborhoods, communities, and cities around the world, including New York City, before and after September 11, 2001. **Transforming Your Church Into a House of Prayer** P. Douglas Small, 2006 **Ignite Your Passion for Jesus** Tom Phillips, Emily Adams, 2019-12-13 We desire revival in our personal relationships with Jesus, but many of us don't know how or where to begin. Although revival may be first of all a movement of God, too few resources offer practical guidance on how to align ourselves to receive it daily. *Ignite Your Passion for Jesus* is a twelve-week guide designed to help you deepen your relationship with Jesus. Each day includes a key verse, an inspirational reading, questions for reflection and application, revival truths, and spirit-empowered faith experientials. Revitalize your heart and relationship with Jesus as you pursue Him and experience His pursuit of you in personal revival. *Prayer in Another Dimension* Sue Curran, 2011-07-28 It can happen in your life right now.
