[The Oxford Handbook of the Early Modern Sermon](#) Peter McCullough,Hugh Adlington,Emma Rhatigan,2011-08-04 Scholarly interest in the early modern sermon has flourished in recent years driven by belated recognition of the crucial importance of preaching to religious cultural and political life in early modern Britain The Oxford Handbook of the Early Modern Sermon is the first book to survey this rich new field for both students and specialists It is divided into sections

devoted to sermon composition delivery and reception sermons in Scotland Ireland and Wales English Sermons 1500 1660 and English Sermons 1660 1720 The twenty five original essays it contains represent emerging areas of interest including research on sermons in performance pulpit censorship preaching and ecclesiology women and sermons the social economic and literary history of sermons in manuscript and print and non elite preaching The Handbook also responds to the recently recognised need to extend thinking about the early modern across the watershed of the civil wars and interregnum on both sides of which sermons and preaching remained a potent instrument of religious politics and a literary form of central importance to British culture Complete with appendices of original documents of sermon theory reception and regulation and generously illustrated this is a comprehensive guide to the rhetorical ecclesiastical and historical precepts essential to the study of the early modern sermon in Britain *Lectures on Homiletics and Preaching and on Public Prayer; Together with Sermons and Letters ... Reprinted from the American Edition of 1834* Ebenezer Porter,1839 **Yankee Town, Southern City** Steven Elliot Tripp,1999-03 One of the most hotly debated issues in the historical study of race relations is the question of how the Civil War and Reconstruction affected social relations in the South Did the War leave class and race hierarchies intact Or did it mark the profound disruption of a long standing social order Yankee Town Southern City examines how the members of the southern community of Lynchburg Virginia experienced four distinct but overlapping events Secession Civil War Black Emancipation and Reconstruction By looking at life in the grog shop at the military encampment on the street corner and on the shop floor Steven Elliott Tripp illustrates the way in which ordinary people influenced the contours of race and class relations in their town **Memorials of the rev.
