All the Bible Is Based on Just Three Verses J. L. Hendricks,2008-10 All the Bible is based on just three verses of scripture found in Genesis 12 1 3 When one understands the role and content of these verses and follows how they develop in the scriptures a surprising simplicity is discovered in God s Holy Word Genesis 12 1 3 is the call of Abraham and God s announcement of Christ and world redemption The plan of redemption involves three primary promises 1 a nation 2 a land and 3 a coming Blessing From the land and the nation will come the Blessing who is Jesus These three promises become a simple outline that compresses the Bible into a comprehensible format In the New Testament Paul holds up Abraham as a model for how all people come to salvation He combines the call and promises made to Abraham along with Abraham s belief in that call recorded in Genesis 15 6 to make a compelling case that justification is based on faith J L Hendricks has been a pastor for forty five years He and his wife Barbara have four married children and nine grandchildren who are all actively involved in the Lord s work Currently pastor Hendricks is director of Israel s Fullness a ministry seeking to take the gospel to both Jews and Gentiles In 1990 he co founded a national Messianic fellowship His efforts in taking the gospel to Jewish people became the foundation for the writing of this book **The Bible Exposition Commentary** Warren W.
