Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology The biblical text has various references to various recorded and reported prayers In fact references to prayer are found within the rich diversity of the various books corpora and genres of Scripture As can be expected much has been written about prayer in the biblical text However a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before and this book intends to fill this gap assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts This book aims to investigate prayer and its related elements including worship praise thanksgiving adoration petition intercession lament and confession in the Old Testament on a book by book or corpus by corpus basis The investigation follows a Biblical Theological approach reading the Old Testament on a book by book basis in its final form to uncover the Old Testament s overarching theology of prayer understanding the parts in relation to the whole By doing this the discrete nuances of the prayers of the different Old Testament books and corpora can be uncovered letting the books and corpora speak for themselves In addition the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa This book is of significant value to scholars It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives *God's Book of Prayers* M.A.R., 2012-07-17 Each and every prayer in the Bible is now available together and categorized Gods Book of Prayers and The Lords Prayers both contain all the prayers of the Bible Gods Book of Prayers separates each into nine categories for convenient reading while The Lords Prayers lists them in biblical sequence with an exhaustive concordance of major words or phrases Both versions have some elementary analysis of all the prayers for better understanding of the whole of the prayers in Gods Book including the most common words in biblical praying These volumes will help you to easily be able to pray Gods own words *The Prayers of the Old Testament* Clarence E. I Will Lift My Eyes Unto the Hills Walter C. Kaiser Jr.,2015 All Christian desire to pray more effectively What better way to learn how to pray than to study the great prayers of the Old Testament This volume written by a recognized Old Testament scholar and author of numerous books explores 11 such prayers e g Abraham interceding for Sodom David praising God for his kingly dynasty Solomon asking for a listening heart Hezekiah pleading for help against an arrogant army and Daniel confessing sins on behalf of the entire nation of Israel This book is an answer to the prayer Lord teach us to pray The author writes about this volume in this way As these 11 examples show prayer held a most prominent place in the lives of the Old Testament people If prayer is that powerful then the practice and habit of prayer ought to set a whole new direction for each of us and for the larger body of believers We often correctly say that nothing will be accomplished without prayer And it is also true that if we do not pray we will accomplish precisely nothing at least nothing of any true and lasting value Therefore we ought to pray

Thompson,2012-05-22 Michael Thompson has had a long standing interest in the Old Testament and during recent years has focused in particular on the subject of prayer It has been his ambition to write a book which will offer guidance to those in the churches who are asking what the Old Testament has to say to them about the life of prayer today yet which will also help those who wish to study Old Testament prayer in a more academic way The book is thus about an aspect of biblical spirituality but it also seeks to be a guide to those who wish to delve further into this neglected subject

Pray 365 Old Testament Ronnie Paul Nsubuga,2022-07 A sharp distinction should be made between the prayers of the Bible and the promises of God The two are complementary like overlapping strands of DNA that reach between humanity and divinity God s promises to us are for Him to fulfill in His time and our prayers to Him must reflect our desired fulfillment of those promises and also the trust that we will receive that He has kept for us My prayer is that you will be molded and shaped by these promises of Jesus rather than by the broken promises of this world Our lives and the lives of our loved ones can be transformed as we learn to pray according to the promises of the Bible This book aims to walk through every prayer in the Bible and use them as a guide for your prayer life This is a 12 year undertaking that aims to help Christians understand the concept of prayer and teach them the biblical ways of praying **Prayers of the Covenant** Zebedee Ejike Korie,2024-07-20 A comprehensive prayer book inspired by the Old Testament blending heartfelt prayers with scriptural references to deepen spiritual reflection and connection *Great Prayers of the Bible (Old Testament)* Alfred Thomas,194?
