## Prayers Of The Prophets Saw Pocket Size:

The Christian Advocate ,1924     *A Prophet'S Journey* Shirley Spencer,2013-07-05 There was a battle for my soul that warm October day in 1939 It was a spiritual battle for my destiny good versus evil The weather that twenty first day was unusually warm and by the time of my birth at 5 p m the thunderstorms were strong with lightning shooting across the heavens Another unusual detail of my birth was I was born with a veil over my head I would later find my superstitious family believed this to be significant If I had been born in a hospital no one would probably have known of the veil But my fathers family took great joy in this fact and though they went to church they kept their superstitions as well To them it meant I would be a fortuneteller or a psychic However there were conditions to fulfill before that superstition could manifest For me to receive this gift the veil must be buried in the ground If it were burned instead the gift would never come to pass This veil is sometimes referred to as a caul or hood that is the thin remnant of the amniotic sac In medieval times it was considered to be good luck and in the psychic community began to be called a veil It was believed by the psychics that a person born with this veil would have good luck and an unusual destiny I say only Gods people have a strange and peculiar destiny I became His prophet     **The Christian Workers Magazine** ,1918     Mahjubah ,1997     The Expositor ,1918     **The Comprehensive Pocket Bible ...
