Hallowed Reuben Bredenhof, 2019-06-27 Hallowed is a fresh study of the Lord s Prayer against its Old Testament background Rather than give an entirely new model for speaking with God Jesus drew the message of his prayer from the Psalms the ancient prayer book of God s people In the Psalms believers approach God in worship seek him for life s necessities confess their sins and ask for his mercy Echoing these prayerful voices Jesus taught a profound lesson in what delights God when his people pray From this we will learn how to hallow God s name in prayer and all of life and we will be encouraged with the Father s promise that he always hears the voice of his children in Christ Systematic Theology, Second Edition Wayne A. The True Jesus David Limbaugh,2017-04-10 A New York Times Bestseller Who do you say that I am Uttered by Jesus Christ this profound question has presented an age old challenge to believers skeptics scholars and rulers In attempting to answer this question The True Jesus goes straight to the unimpeachable source the books of Matthew Mark Luke and John Only in the Gospels says 1 New York Times bestselling author David Limbaugh do we come face to face with the Son of God Whose sublime teachings miraculous actions and divine essence leap off every page and into our hearts In this book Limbaugh combines the four Gospel stories into a unified account though not he humbly admits a perfect harmony and guides readers on a faith journey through the Four Evangelists testimonies of the life of Jesus Christ Along the way Limbaugh shares his insights on Jesus words and deeds as well as His unique nature as fully human and fully divine In The True Jesus you will learn Why even the apostles failed to completely understand Jesus true identity and mission until after His crucifixion The real basis for the rejection of Jesus message by skeptics in His hometown and elsewhere The historical events preceding Jesus birth that providentially paved the way for Christianity How Jesus message utterly contradicted modern attempts to portray Him as being non judgmental Limbaugh s passion for the Gospels infuses the pages of The True Jesus which is both a primer for new Bible readers and an outstanding guide to the Gospels for long time believers Who really is the true Jesus Open this book and begin your odyssey toward the answer

The New Elder's Handbook Greg R. Scharf,Arthur Kok,2018-11-20 Pastors and church leaders are in need of mature godly elders to ensure church health but the training of elders is often entirely missing or badly neglected What if there were a process to proactively call and train elders The New Elder s Handbook is designed to equip elders with the knowledge character and skills the office calls for It takes church leaders through the development of a vision for ministry recruitment of elders to carry out that vision and specific biblical training providing a way to be intentional about developing elders

Your Identity in the Trinity Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our

assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ
