Flynn, Douglas H. Gregg, 2009-09-20 This straightforward handbook by Mike Flynn and Doug Gregg shows how God can set a new course for our lives and provides us all the tools necessary to embark on a journey of inner healing Writing from a biblical perspective which seeks to correct common myths and misunderstandings about this vital ministry Flynn and Gregg s work will be valued both by those who want to help their hurting friends and neighbors and by those who are seeking healing in their own lives     **Inner Healing** Michael Scanlan, 1974     **The Art of Healing Prayer** Charles R. Ringma, Mary Dickau, 2015-12-10 The Art of Healing Prayer aims to help both clergy and laity to develop a greater understanding of those who come seeking healing and to become skilled in praying for such people biblically imaginatively and sensitively The authors recognize that this is a costly ministry requiring counsellors to find time in their own often busy lives to guide others and necessitating that they continue to be open to the gifts of God s grace However it is a ministry that often results in joy and transformation as those healed from long standing inner woundedness become sources of goodness and healing for others     **How to Pray for Spiritual Growth** Theodore Elliott Dobson, 1982

**Praying for Inner Healing** Robert Faricy, 1979 *Journey Into Wholeness. Prayer for Inner Healing an Essential Ministry of the Church* Alan Guile, 2013-04 Drawing on forty years experience in this ministry the author shows how prayer helps people to emerge from their past hurts and limitations and gradually reclaim their real selves under the awesome power of God's love Powerful testimonies underline his call for the Church to empower clergy and laity to meet the needs of people suffering in a wide range of stressful life situations The stories of some of the hundreds who have come to his home seeking help indicate how effectively people's needs can be met through ordinary people in parishes and offer a model for development People are seeking prayer for inner healing some travelling long distances More will come forward as The New Evangelisation gathers pace especially those who have moved away from the Church and those practising their faith but who are not sufficiently evangelised This book shows from Church documents that prayer for inner healing which leads towards greater holiness is an essential part of evangelisation yet this ministry is only rarely available and receives scant if any attention in seminaries Some readers will wish to consider their own lives in the light of the insights and testimonies shared and seek healing for themselves Others will realise that they themselves have the capacity and calling to become involved in the ministry of healing Those in a position to institute change at a higher level within the Church will find suggestions as to how the structures of the Church can respond to the needs of all its people Priests and religious need prayer for inner healing as well as lay people Part healing handbook part honest autobiography part powerful witness and teaching this book is wholly focused on spirituality the chances we have to gain freedom through Christ and on how the Church can and should help
