Simple Ways to Pray Emilie Griffin, 2005-11-09 In *Simple Ways to Pray* Emilie Griffin offers her readers an intimate and accessible introduction to the history and practice of prayer in the Catholic tradition. Meaning both to engage the beginner and encourage the experienced, Griffin explores the different types of devotional styles and techniques of prayer as well as outlining practical strategies for starting and sustaining an interior spiritual life. Describing prayer as that deep urgency or longing for something beyond something greater than ourselves, Griffin extends an open and inclusive invitation to all readers to put themselves in the presence of God. And by doing so to open up their hands, minds, and hearts to receive the full potential of God's love and know the richness of living an engaged spiritual life. This book is ideal for individual or group use in parishes and classrooms.

The Essential Guide to Catholic Prayer and the Mass Mary DeTurris Poust, 2011-03-01 The Vatican approved guide to opening up new connections to God. Today more and more Catholics are looking to explore their spirituality in new ways by trying meditation or contemplation, seeking to adapt monastic traditions to modern life, or seeking a deeper connection to Jesus through the Eucharist, giving rise to the growing popularity of Adoration. *The Essential Guide to Catholic Prayer and the Mass* offers Catholics a way to explore prayer styles they may have never before considered, and non-Catholics or fringe Catholics a look into a world that can sometimes seem mysterious or intimidating. Through Mass scripture, ancient rituals, the examples of the saints, the lives of holy men and women in the world today, and more, Catholics of every mindset can find a style of prayer to suit them. One of the first books with a detailed explanation and instructions on how to follow the new translation of Mass as prepared by the Catholic Church. Includes an imprimatur, a seal of approval from Paul G. Bootkoski, Bishop of Metuchen. Perfect for cradle convert and revert Catholics as well as people from other faiths, students, and teachers.

Prayer Book is ideal for a Catholic individual who wishes to look up a prayer quickly This book features over fifty of the most popular Catholic prayers and an introduction to Catholic prayer Enjoy an electronic database of traditional Catholic prayers for multiple occasions including Morning Prayer Evening Prayers Prayers at Mass Prayers for Holy Communion The Stations of the Cross and more Saint Augustine of Hippo 354 430 wrote In the Catholic Church there are many other things which most justly keep me in her bosom The consent of peoples and nations keeps me in the Church so does her authority inaugurated by miracles nourished by hope enlarged by love established by age The succession of priests keeps me beginning from the very seat of the Apostle Peter to whom the Lord after His resurrection gave it in charge to feed His sheep Jn 21 15 19 down to the present episcopate And so lastly does the very name of Catholic which not without reason amid so many heresies the Church has thus retained so that though all heretics wish to be called Catholics yet when a stranger asks where the Catholic Church meets no heretic will venture to point to his own chapel or house Such then in number and importance are the precious ties belonging to the Christian name which keep a believer in the Catholic Church as it is right they should With you where there is none of these things to attract or keep me No one shall move me from the faith which binds my mind with ties so many and so strong to the Christian religion For my part I should not believe the gospel except as moved by the authority of the Catholic Church Each prayer is only one click or touch away
