**Praying with the English Mystics** Jenny Robertson,1992-02      *The English Mystics* David Knowles,1927      *The Pastoral Art of the English Mystics* Julia Gatta,2004-01-09 Spiritual Direction from the English Mystics The Revelations of Divine Love by Julian of Norwich The Cloud of Unknowing Anonymous Scale of Perfection Walter Hilton The current popularity enjoyed by these 14th century English mystics lies in their vocation to seek union with God Here for the first time Julia Gatta shows these mystics to be prototypes for the modern spiritual director displaying keen insights into that pastoral art At the heart of the mystics writings is their own intense desire not merely to see and know God for themselves but also to bring others to this union with God      Platonism and the English Imagination Anna Baldwin,1994-03-24 This is the first comprehensive overview of the influence of Platonism on the English literary tradition showing how English writers including Chaucer Shakespeare Milton Blake Wordsworth Yeats Pound and Iris Murdoch used Platonic themes and images within their own imaginative work      **English Mystics** Geraldine Emma Hodgson,1922      Praying with English Mystics Random House,1997-03-01      *Mystics at Prayer* Many Cihlar,1960      **Wisdom from the Christian Mystics: How to Pray the Christian Way** David Torkington,2018-01-26 When Quietism was condemned in 1687 it resulted in an antipathy if not an open hostility to authentic mystical theology This situation has lasted down to the present day and has been aggravated by many forms of counterfeit mysticism that are self centred not God centred The consequences have been disastrous To restore the balance lost to Christian spirituality the author returns to the profound mystical teaching that Jesus himself lived and handed on to the early Church through his disciples His research has resulted in a book that details a practical daily spirituality for all that mirrors that which was lived by our earliest Christian forebears It emphasises the original balance between personal and communal prayer in such a way that our whole lives become the place where we continually offer our lives through Christ to the Father      **Way of The English Mystics** Gordon C. Miller,1996-01-07 A distinctive feature of Western religious life in recent years has been the rediscovery of the contemplative tradition in Christianity Within the Christian mystical tradition England holds a unique place with a number of major figures from the Middle Ages and later whose writings have fascinated generations of readers This book presents seven of them five from the medieval period the golden age of English mysticism Richard Rolle Walter Hilton the author of *The Cloud of Unknowing* Julian of Norwich and Margery Kempe and two from later centuries William Law and George Herbert Each chapter consists of an introductory essay on the life and writings of each individual followed by carefully chosen extracts from their writings Those from the medieval period are in fresh new translations All these writers see the spiritual life as an ongoing process a pilgrimage This inner pigrimage requires no outer excursions but throughout the ages spiritual pilgrims have undertaken physical pilgrimages as well One aim of this book is to encourage its readers to continue this tradition by visiting sites from which the writings arose So each chapter is provided with a map of the area of immediate interest and a drawing of the place most

associated with each figure and the introductory essays contain practical information about how to get there No other anthology of mystical and spiritual writings describes the lives and locations of these individuals in this way Gordon L Miller Ph D is a writer and historian living near Seattle Washington He attended Milligan College and Christian Theological Seminary This book developed from a period of post graduate study at Cambridge University when he visited the sites described in the book a journey which he says made the historical grounding of the English mystical tradition much more real to me He is also the author of *Wisdom of the Earth Visions of an Ecological Faith* **Praying To Our Lord Jesus Christ** Benedict J. Groeschel,2004 This book combines an anthology of profound prayers drawn from all of Christian history with spiritual insights and illustrations from classic art It is a valuable companion for personal prayer for times of recollection and for times of critical spiritual need From back cover **Learning from the English Mystics** Alison Fry,1999 **The Wooing of Our Lord and The Wooing Group Prayers** Catherine Innes-Parker,2015-07-22 The Wooing of Our Lord and the Wooing Group prayers occupy a key position in the history of English literature and the development of English religious devotion Dating from the second quarter of the thirteenth century they are among a group of texts written in English at a time when the language of literature and the court was Anglo Norman French and the language of church and state was Latin The text for which this group is named The Wooing of Our Lord is also a highly skilled composition combining beautiful and poetic expression with a profound affective theology Its first person female narrator speaks directly to Christ becoming the voice of the reader whom the text guides through a passionate meditation upon the magnitude of Christ s love his sufferings in his Passion and the response of the individual soul Catherine Innes Parker s graceful new translation is paired with the original Middle English dialect in a facing page format [Reading the Bible with your Feet](#) Lucy Winkett,2021-09-30 Lucy Winkett is a gifted communicator engaging preacher popular broadcaster and rector of one of London s most vibrant churches In this new collection her first book since 2010 she explores the lived reality of faith through fifty reflections on scripture that span the Christian year Her gift is to bring ancient texts to bear on contemporary experience and to tease out their wisdom for living with authenticity and joy today Reflecting a head heart and feet approach to understanding scripture this collection will delight those who preach with an abundance of wisdom and inspire all readers to embody a living faith **The English Religious Tradition and the Genius of Anglicanism** Geoffrey Rowell,2009-05-01 In this book twelve distinguished scholars explore the character of the English Church through the remarkable individuals who have played a part in its long history Over the centuries these outstanding personalities have made an enduring contribution to the development of the Anglican spirit That so many of them have a place in the history of our literature too demonstrates that the English religious tradition has been a source of inspiration and a living relationship between the Church and the Word This book is more than a celebration of our religious heritage The English Church has been shaped by its island nation and people yet it has grown bigger than its island home with churches in over 160 countries

But how can Anglicanism survive in a spiritually diminished world where Christianity itself is under threat In the final chapter Stephen Sykes the Bishop of Ely takes an unflinching look at Anglicanism today The twelve chapters in this volume were originally given as a series of lectures in the Chapel of Keble College Oxford in 1992 to mark the bicentenary of the birth of John Keble 1792 1866 Sermons given by the Bishop of Oxford and by the Chaplain of Keble College to mark the anniversary are also included and there is a Foreword by the Archbishop of Canterbury

**Centering Prayer in Daily Life and Ministry** Thomas Keating, 1997-01-05 This book with its ecumenical group of contributors celebrates Centering Prayer as a common ground for Christian unity It marks the first time that people other than William Meninger Basil Pennington and Thomas Keating the three Trappist monks who distilled Centering Prayer from the Christian contemplative heritage have written in depth on Centering Prayer its benefits and effects in daily life and ministry There are pieces by Thomas R Ward Jr Gustave Reininger Thomas Neenan David Walton Miller Paul Lawson Sarah Butler David Forbes Morgan Sandra Casey Martus and Jim Clark
