The Purple Pig and Other Miracles Dick Eastman,2011 In the 1960s and 1970s Dick and Dee Eastman established a house of prayer in Sacramento where young people would give a year of their lives to pray for souls to be saved **God's Chosen** G. Grace Small,2013 God's Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God's full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God's armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6:10-18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work **Changing Me, Change the World** Lynnda Ell,2010-01-06 How do you pray Do you think praying is either a fearful mystery or a dry duty If you want to get past feelings of futility and change your world through prayer then Changing Me Change the World is the answer This book connects God's Word and your prayers It will strengthen your faith and instill confidence in you to pray more effectively molding you into a prayer warrior in the process Most people define prayer as communication with God However that is like defining a jet fighter as air transportation it describes neither its purpose nor its function The purpose of prayer in the spiritual war we fight daily is to release God's will on earth it functions as a weapon delivery system The writer of Hebrews says The word of God is sharper than any two edged sword Prayer the arm of spiritual warfare wields the sword of the Word Changing Me Change the World models these concepts by turning the forty one chapters in Book One of the Psalms into contemporary and passionate prayers These prayers look deeply at a variety of topics including confession joyful praise healing the persecuted church and many others It solidly connects the Word of God and prayers offered according to God's will It will lead another step further in your spiritual maturity It looks to strengthen your faith and to instill confidence in your ability to pray effectively molding you into a prayer warrior in the process You will discover a deeper more satisfying prayer life as you meditate on these Psalms and prayers passionate engaging language that addresses problems you face in your life every day prayers you can pray with confidence because they have a solid biblical foundation a heightened awareness of meaningful issues outside of your daily life a desire to return to Changing Me Change the World as new situations arise Process Spirituality Bruce G Epperly,2017-11-20 What one believes about God shapes how one worships prays thinks and lives Dr Bruce Epperly who provided a very short introduction to process theology in Process Theology Embracing Adventure with

God now provides a short and succinct guide to spiritual practices for those who want to embrace and live the adventurous spiritual life From times of worship to prayer to solitude and even to study he provides a guide to living with a God who is deeply and intimately involved in our lives Holiness and spirituality are not about being other worldly Rather they are about being even more in the here and now than any of us may have thought possible With exercises affirmations and a variety of spiritual practices explained and theologically grounded this book is a valuable resource for small group study as well as for individual reading Endgame May Sarton,2015-08-18 A testament to the joys of nature from a courageous and loving woman her cats birds garden and visitors keep her ecstatically anchored in life Publishers Weekly I always imagined a journal that would take me through my seventy ninth year May Sarton writes the doors opening out from old age to unknown efforts and surprises Instead of musing calmly on the philosophical implications of aging the writer found herself spending most of her energy battling for her health Coping with constant pain and increasing frailty Sarton fears that the end is not far off The story of what she calls the last laps of a long distance runner this yearlong journal addresses such familiar Sarton topics as her beloved garden the harshness of Maine winters and the friendships and intimate relationships that have nurtured and sustained her She settles some old literary scores and paints a generous portrait of Virginia Woolf who often shared tea with Sarton during the late 1930s When illness saps Sarton s ability to type she dictates into recorders and has the tapes transcribed by devoted assistants In spite of the loss of independence and the fear that she will never fully recover she does her best to soldier on taking pleasure in small things like a good meal her cat Pierrot who loves the rain and being able to sleep through the night An enduring inspiration to millions of women Sarton even finds the courage to achieve again

Proselytization Revisited Rosalind I. J. Hackett,2014-12-05 The act of converting people to certain beliefs or values is highly controversial in today s postcolonial multicultural world Proselytization has been viewed by some as an aggressive act of political domination Proselytization Revisited offers a comprehensive overview of the many arguments for and against proselytization in different regions and contexts Proselytization is examined in the context of rights talk globalisation and culture wars The volume brings together essays demonstrating the global significance of proselytization ranging from Christians in India to Turkish Islamic Movements and the Wiccan use of modern media technologies The cross cultural and multidisciplinary nature of this collection of essays provides a fresh perspective and the book will be of value to readers interested in the dynamic interaction of beliefs ideas and cultures **Daily Prayer 2011** Sara McGinnis Lee,2010-07-07
