Townsend, 2022-11-03 If you feel empty or in one of life's storms that seem to get more turbulent with each passing day then a rededication to prayer maybe what is missing in your life Prayer is the most powerful tool we have to connect with God It is one of the first methods of communication we are taught as a child to talk with God Most of us were taught to ask God to take our soul if we were to die before we woke While many of us devote time to prayer sadly most of us never experience more than the surface of its power Many never break through the heavenly realm where God reigns and the impossible happens This devotional encourages you to develop an intentional prayer life the kind that will cause God to perform mountain moving miracles increase your faith in prayer fill your emptiness and even help you see where God is taking you while in that storm It is my prayer that you will be inspired to step out on a newfound faith in prayer and join the many believers who are experiencing the ultimate joy of the power of prayer even when God's perfect will breaks our heart
