Mrs. Humphry Ward John Sutherland,1991 Victorian novelist Mary Ward best known to her contemporaries as Mrs Humphry Ward was one of the most successful and complex women of the 19th and early 20th centuries Born into the powerful but patriarchal dynasty of Thomas Arnold of Rugby she lived at the center of an intellectual and cultural circle peopled by such eminent figures as Mark Pattison Thomas Huxley and Charles Darwin Her novel Robert Elsmere 1888 the first in a series of bestsellers earned her both unprecedented sums of money and the critical respect of such writers as Henry James She helped found Somerville College Oxford the University s first institution of higher education of women and helped create a number of play centers for the children of London s working poor And as the first woman reporter to enter the trenches in 1916 she wrote articles that were instrumental in bringing America into the war In Mrs Humphry Ward John Sutherland explores a goldmine of materials never before available to recapture a fascinating life one in which extraordinary achievements were often overshadowed by private misfortune Sutherland describes how Ward s parents marriage was shattered by her father s religious peregrinations an Anglican he converted to Roman Catholicism then returned to the Church of England then became a Catholic again how her own remarkable success placed considerable stress on her marriage and how all her resources both financial and emotional went to support a renegade spendthrift and disappointing son And he also sheds light on one of the great paradoxes of this accomplished woman s life that she led the fight to block woman s suffrage Throughout Sutherland writes movingly of the private life of a remarkable public figure A fascinating study of how much a woman could and could not do in the Victorian and Edwardian eras this engaging biography illuminates the intellectual climate of the late 19th century

A Very British Family Laura Trevelyan, 2012-11-10 It is a rule that no Trevelyan ever sucks up either to the press or the chiefs or the right people The world has given us money enough to enable us to do what we think is right We thank it for that and ask no more of it but to be allowed to serve it G M Trevelyan The Trevelyans are unique in British social and political history a family which for several generations dedicated themselves to the service and chronicling of their country Often eccentric priggish high minded and utterly self regarding they have nonetheless left their mark on our past This engaging history dispassionately explores the lives and achievements of this unique family and the part they played in shaping the history of Great Britain From their inauspicious beginnings in a small dwelling in Cornwall to the present day some Trevelyans have been famous and distinguished others less so but for a hundred years from the mid nineteenth to the mid twentieth century family members from Lord Macaulay to G M Trevelyan contributed to both the writing and the making of history This book is primarily the tale of the five men who flourished during this period Charles Edward George Otto Charles Philips George Macaulay and Humphry Trevelyan and the clever and formidable women they married Including many vivid portraits of the most influential members of this remarkable family The Trevelyans casts light on the period of enormous social and cultural change in which they lived and examines why they chose not to simply exploit their position as landed gentry but instead to take their place at the centre of scholarship and politics *Victorian Marriage* James

5 November 1866: The Story of Henry Irving and Dion Boucicault's Hunted Down, or, The Two Lives of Mary Leigh Maria Serena Marchesi,2016-10-01 Despite the awakening of critical interest in recent years Victorian theatre before Wilde and Shaw is still a virtually undiscovered country The world of Victorian theatres with their complicated personal interconnections and astonishing feats of professionalism and Victorian drama itself often skillfully written and controversial are worth investigating Henry Irving the icon and later the bogeyman of a whole theatrical era has been the object of several scholarly works and essays inevitably focusing on his Lyceum years What was Irving before the Lyceum Or in other words how did Irving become Irving The present book reconstructs the event that made Irving famous overnight and as it were made the Lyceum years possible the London premi re of Dion Boucicault s

Hunted Down or The Two Lives of Mary Leigh It investigates the circumstances of the composition of the play and of its first London production also presenting the first edition of the text of Boucicault's play in 150 years The reconstruction presents twenty first century readers with a strange world of irascible playwrights all powerful stage managers long forgotten Pre Raphaelite beauties and humble theatre folk in which the young Irving moved a world whose traces remained visible and whose influence remained palpable in the years of Irving's later fame

Lord Cromer Roger Owen, 2004 In the heyday of Empire just before the First World War Lord Cromer was second only to Lord Curzon in fame and public esteem In the days when Cairo and Calcutta represented the twin poles of British power in Asia and Africa Cromer's commanding presence seemed to radiate the essential spirit of imperial rule In this first modern biography Roger Owen charts the life of the man revered by the British and hated by today's Egyptians the real ruler of Egypt for nearly a quarter of a century A member of the famous City banking family of Baring Brothers Cromer in his youth seemed to be distinguished mainly by lack of academic ability and a taste for the fashionable pursuits of his day His first military posting to Corfu was welcomed by him on account of the excellent shooting to be had in the region Roger Owen shows how almost imperceptibly his commitment to public service grew due in part at least to his relationship with Ethel Errington who after long delay became his first wife From the island outposts of the old British Empire to India the jewel in its crown and finally to the new Empire in Africa Cromer represented the might of Britain's Empire Few imperial administrators had either his range of experience or his long practice of ruling different non European peoples at a time when the whole notion of Empire itself entered more and more into the metropolitan political debate Roger Owen makes extensive use of Cromer's official correspondence family papers memoirs and the personal letters of his friends and colleagues to explore all aspects of Cromer's life in imperial government He examines his innovative role in international finance and his energetic re engagement with Britain's troubled political life following his formal retirement in 1907 Finally he assesses the sometimes bitter legacy of imperial rule left by Cromer

Jesus in the Victorian Novel Jessica Ann Hughes, 2022-01-27 This book tells the story of how nineteenth century writers turned to the realist novel in order to reimagine Jesus during a century where traditional religious faith appeared increasingly untenable Re workings of the canonical Gospels and other projects to demythologize the story of Jesus are frequently treated as projects aiming to secularize and even discredit traditional Christian faith The novels of Charles Kingsley George Eliot Eliza Lynn Linton and Mary Augusta Ward however demonstrate that the work of bringing the Christian tradition of prophet priest and king into conversation with a rapidly changing world can at times be a form of authentic faith even a faith that remains rooted in the Bible and historic Christianity while simultaneously creating a space that allows traditional understandings of Jesus identity to evolve

Mrs Humphry Ward and Greenian Philosophy Helen Loader, 2019-03-26 This book examines Mary Ward's distinctive insight into late Victorian and Edwardian society as a famous writer and reformer who was inspired by the philosopher and British idealist Thomas Hill Green As a talented woman who
