Baldwin,2015-06-24 Excerpt from Pre Historic Nations Or Inquiries Concerning Some of the Great Peoples and Civilizations of Antiquity and Their Probable Relation to a Still Older Civilization of the Ethiopians or Cushites of Arabia The origin of man and the date of his first appearance on earth have always been subjects of speculation We see this in the cosmogonic myths and legends of antiquity and in the dogmatic chronologies that have been allowed currency in modern times but so far as we know it is only in very recent times that visionary speculation on these topics has given way to enlightened inquiry The cyclical schemes of the ancient Eastern world which computed by tens of thousands and hundreds of thousands the years of man s existence on earth previous to the regular beginnings of history may be treated with small ceremony now but they are quite as scientific as Archbishop Usher s scheme of chronology for the men who invented them were skilful astronomers and whoever undertakes to show that they are not quite as reasonable may discover that something can be said on the other side of this question These cyclical estimates of the past may turn out to be as near the truth as Usher s system of chronology but neither the one nor the other can now be accepted as an intelligent and truthful exposition of the antiquity of the human race About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Pre-historic Nations, Or, Inquiries Concerning Some of the Great Peoples and Civilizations of Antiquity, and Their Probable Relation to a Still Older Civilization of the Ethiopians Or Cushites of Arabia** John Denison Baldwin,1873 **Pre-historic Nations** John Denison Baldwin,2016-05-28 Pre historic nations or Inquiries concerning some of the great peoples and civilizations of antiquity and their probable relation to a still older civilization of the Ethiopians or Cushites of Arabia is an unchanged high quality reprint of the original edition of 1874 Hansebooks is editor of the literature on different topic areas such as research and science travel and expeditions cooking and nutrition medicine and other genres As a publisher we focus on the preservation of historical literature Many works of historical writers and scientists are available today as antiques only Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future *Pre-Historic Nations* John D.
