Preach The Word A Pentecostal Approach:

Preach the Word Aldwin Ragoonath, 2004 **Pentecostal Theology** Keith Warrington, 2008-10-07 An introduction to the subject of Pentecostal theology by a leading scholar in the field **The Mediation of the Spirit** Mark J. Cartledge, 2015-07-08 A noteworthy theology of the Holy Spirit that challenges current scholarship in the field How might a distinctively Pentecostal and charismatic theological perspective inform and enrich the discourse of academic practical theology In order to address that question Mark Cartledge in this book probes the relationship between Scripture experience and the Holy Spirit by means of the concept of mediation that is how the divine is experienced in the world An expert in both Pentecostal theology and practical theology Cartledge offers a unique intervention into practical theology through the lens of the Holy Spirit He presents an original reading of Pentecost and the Spirit reception texts in the book of Acts and engages with current literature in both Pentecostal studies and practical theology Further Cartledge places his whole discussion within a broader Protestant theological framework and he interrogates an existing congregational study to provide a real life example of theological intervention **Joseph Smale** Tim Welch, 2014-02-01 Joseph Smale 1867 1926 was one of the central figures involved in the chain of events leading to the 1906 Azusa Street Revival in Los Angeles This important study presents the diverse influences which impacted Smale formative years in Britain growing up in Cornwall and Somerset amid a rhythm of Wesleyan revival Reformed theological training under the tutelage of C H Spurgeon in London migration to the United States plus hard experiences in the school of anxiety which were all precursors for Smale s influential role as champion of Pentecostal revival Smale s leadership will resonate with every church leader who prays for revival and longs for more Holy Spirit power experimentally Smale s Moses designation and biography have profound relevance for the church in the present day *The Routledge Handbook of Pentecostal Theology* Wolfgang Vondey, 2020-03-31 Research on Pentecostal and Charismatic Christianity has increased dramatically in recent decades and a diverse array of disciplines have begun to address a range of elements of these movements Yet there exists very little understanding of Pentecostal theology and it is not uncommon to encounter stereotypes and misperceptions Addressing this gap in current research The Routledge Handbook of Pentecostal Theology is an exceptional reference source to the key topics challenges and debates in this growing field of study and is the first collection of its kind to offer a comprehensive presentation and critical discussion of this subject Comprising over forty chapters written by a team of international contributors the Handbook is divided into five parts Contextualizing Pentecostal Theology Sources Theological Method Doctrines and Practices Conversations and Challenges These sections take the reader through a comprehensive introduction to what Pentecostals believe and how they practice their faith Looking at issues such as the core teachings of Pentecostalism concerning Spirit baptism divine healing or eschatology unique practices such as spiritual warfare and worship and less discussed issues such as social justice and gender each chapter builds towards a nuanced and global picture of the theology of the Pentecostal movement The

Routledge Handbook of Pentecostal Theology is essential reading for students and researchers in Pentecostal Studies World Christianity and Theology as well as scholars working in contemporary Religious Studies **The Kerygmatic Spirit** Amos Yong, 2018-11-06 This collection of fifteen sermons by one of the leading pentecostal theologians today provides insight into the form style and content of preaching in the pentecostal tradition while also being suggestive of normative homiletical theory and practice The Kerygmatic Spirit argues that Spirit empowered preaching is apostolic not only with regard to being rooted in the scriptural traditions but also with regard to connecting the that of the early Christian message with the this of contemporary experience and discipleship Hence rather than only reflecting pentecostal preaching of the sort that happens in the pulpits of churches connected to the modern movement by that name these sermons are presented as the participating in the form of gospel proclamation inspired and empowered by the divine Spirit poured out on all flesh on the Day of Pentecost by the risen Christ from the right hand of the Father Whether read or heard there are links to video and audio archives throughout these homilies are illustrative of exegetical and expository practice that connects the biblical text with Spirit filled faithfulness in the twenty first century ecumenical church and world at large *Proclaiming the Whole Counsel of God* Steve D. Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God **In the Days of Caesar** Amos Yong, 2010-09-14 In the Days of Caesar is a constructive political theology formulated in sustained dialogue with the Pentecostal and charismatic renewal one of the most vibrant religious movements at the beginning of the twenty first century Amos Yong here argues that the many tongues practices and gifts of renewal Christianity offer up new resources for thinking about how Christian community can engage and transform the social political and economic structures of the world Yong has three goals here First he seeks to correct stereotypes of Pentecostalism both political and theological Secondly he aims to provoke Pentecostals to reflect theologically from out of the depths of their own Pentecostalism rather than merely to adopt some framework for theological or political self understanding Finally Yong shows that a distinctively Pentecostal form of theological reflection is not a parochial activity but has constructive potential to illuminate Christian belief and practice This

book's engagement with political theology from a Pentecostal perspective is the first of its kind *Alive to the Word* Stephen I. Wright, 2013-01-25 In *Alive to the Word* Stephen Wright offers a constructive introduction to preaching as an existing and varied practice throughout the church on which it is important to continue to reflect theologically so that it is executed with developing spirituality understanding and skill *Alive to the Word* includes discussion of the full range of key components in the understanding and practice of preaching from its basic theological rationale right through to the dynamics of live communication and its aftermath The book begins by reflecting on the nature and the context of preaching not least in a communications culture and moves on to setting a constructive agenda for the development of preaching as a core practice of the Christian church for the preacher the congregation and the wider church *A Pentecostal Hermeneutic for the Twenty First Century* Kenneth Archer, 2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories beliefs and practices As Pentecostals began entering academic communities of higher learning their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit the Pentecostal community and sacred Scripture **Karl Barth and Pentecostal Theology** Frank D. Macchia, Terry L. Cross, Andrew K. Gabriel, 2024-02-08 The essays in this volume evaluate and build on Barth's theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth's mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth's dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology **Pentecostal Preaching and Ministry in Multicultural and Post-Christian Canada** Steven M. Studebaker, 2019-11-07 Over the past forty years Canada has become an increasingly secular multicultural and religiously plural society Indeed the church in Canada and Pentecostals in particular face a challenging context for responding to the call to bear witness to Christ in the power of the Holy Spirit Like

the disciples on the day of Pentecost however we need the Holy Spirit to come upon us and liberate us from our post Christian pessimism We need the Holy Spirit to enable us to proclaim the gospel to the nations people that are no longer at the ends of the earth but making their home in Canada This book engages this new context and considers and proposes ways that pentecostal Christians and churches can respond to the challenges of the increasingly post Christian multicultural secular and religiously plural context of Canadian society *Passover, Pentecost and Parousia*, 2019-05-21 Dr R Hollis Gause has been Professor of Theological and New Testament Studies at Lee University and the Church of God Theological Seminary in Cleveland Tennessee for many years and his huge contribution to Pentecostal scholarship is held in high regard internationally His influential life and ministry as well as his teaching and scholarship are here celebrated in his 85th year by many of his colleagues and former students Contributors are Contributions K E Alexander L R Martin R D Moore J M Beaty J A Adewuya J C Thomas K J Archer S E Han T L Johns D G Roebuck J P Bowers C Bridges Johns C R Cason M O McMahan D W Slocumb R E Waldrup □□□□□□□□□□□□□□□□, 2021-07-05 2013 2020 2010 2011 2016 2020 2020 *Charismatic and Expository Preaching* Lewis D. Mathis, 2022-05-11 The purpose of this study on charismatic and expository preaching is to find the common ground of the two preaching methods and solidify them into a sound biblical and theological preaching method that will edify the body of Christ and lead to growth for local churches To solidify charismatic and expository preaching it is necessary to explore the hermeneutical exegetical and homiletical issues that divide the two methods regarding the work of the Holy Spirit and the gifts the Spirit bestows to believers for ministry Charismatic interpretations concerning the gifts of the Spirit revolve around speaking in tongues as the primary identifier of being filled with the Spirit which most expository preachers and scholars view as an incorrect interpretation This study seeks to answer these problems in the quest of unifying both preaching methods **Preach It!** Carol Tomlin, 2019-02-28 Studies of preaching and preaching style have up to this point focused almost exclusively on a western eurocentric understanding of good preaching Preach It encourages students both vocational and scholarly to look beyond these approaches and to learn from traditions with which they are less familiar The distinctive style and techniques that African Caribbean Pentecostal preachers have inherited has been shaped by historical political and socio economic factors impacting on black Caribbean people including clergy Using a variety of socio linguistic and theological approaches Preach It reflects on these techniques and outlines how preachers across church traditions might learn from them and use them in their own contexts **African Pentecostal Theology** Mookgo Solomon Kgatle, 2023-12-11 African Pentecostal Theology Modality Disciplinarity and Decoloniality explores research methodology theological disciplines and contextualization as important aspects in the process of studying Pentecostal theology in an African context Mookgo Solomon Kgatle outlines different data collection and data analysis methods including the skills of interpreting and presenting research findings in a responsible manner This book illustrates that Pentecostal theology given its pneumatological approach goes beyond conventional theological disciplines in transdisciplinary research

The development of knowledge in African Pentecostal Theology should recognize African Indigenous Knowledge Systems AIKS African oral and traditional cultures and African indigenous languages to be relevant to Africans Pentecostal theologians from different theological disciplines in Africa and globally will find this book a worthwhile read Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Pentecostal Ecclesiology** Chris Green, 2016-06-27 This reader in Pentecostal ecclesiology edited by Chris Green brings together in a single volume a number of critically important previously published essays written by leading Pentecostal and charismatic scholars addressing the theology of the church sacraments and ministry in the Pentecostal charismatic traditions Contributors include Estrela Alexander Peter Althouse Jonathan E Alvarado Ken Archer Daniela Augustine Simon Chan Graciela Esparza Jenny Everts Chris E W Green Walter Hollenweger Cheryl Bridges Johns Veli Matti K rkk inen Andy Lord Frank Macchia Clark Pinnoch Margaret M Poloma Lisa Stephenson Wolfgang Vondey and Amos Yong The Pentecostal Gender Paradox Joseph Lee Dutko, 2023-11-16 The distinct subjects of eschatology and gender equality have seen an explosion of interest in recent decades particularly within Pentecostal scholarship Pentecostalism is regarded ideally as both an eschatological and egalitarian movement However many Pentecostals have lamented the inconsistency between the early egalitarian impulse of the movement and its current restrictive practices This situation has been described as the so called Pentecostal gender paradox referring to the conflicting freedoms and limitations experienced by Pentecostal women Pentecostals have also recognized the waning eschatological fervor within the movement and its shifting eschatological convictions leading to calls to rediscover the eschatological heart of the movement Despite the renewed interest in both eschatology and women s equality little research has been done to put these two areas into conversation with each other eschatological convictions are often absent in the debate on gender roles in the church For Pentecostals eschatology has often been about urgency in saving souls rather than attending to social issues but could Pentecostal eschatology be the key to re discovering greater equality for women in the church Is the waning of both eschatology and women s equality within Pentecostalism potentially interrelated For over one hundred years the role of women in Pentecostalism has been debated without a firm consensus By

examining gender solely through an eschatological lens in history Scripture and praxis this work provides a valuable and creative contribution to one of the most important theological and global issues of our time women s in equality This book is also one of the first comprehensive studies to approach a single social issue solely through an eschatological lens and to provide attention to developing a thorough and methodologically connected eschatological praxis By uncovering the unified eschatological egalitarian narrative thread within both the Pentecostal and biblical story this work suggests that the present end of women s inequality begins with fidelity to the future eschaton of gender equality
