Gerald Hamilton Kennedy, 1972 **Preacher** David H. C. Read, 2017-06-21 This book introduces David H C Read to a new generation through sermons that are not merely elegantly worded and biblically grounded but packed with life experience that included a five year stint as a prisoner of war during World War II From amongst the almost 1500 sermons that Read preached during his ministry in Manhattan John McTavish has selected forty enduring messages that show David Read justifying Time magazine's assessment that Read is not merely

elegant and literary his words carry authority through his thought runs a strain of deep feeling and faith capable of convincing others The Naked Preacher Jason C. Boyd,2018-03-29 This new volume in the SCM Research series argues that both preaching and Action Research are inherently exposing practices They require a deep level of self consciousness and a willingness to hold oneself up to critique and comment But at their best they are both formed within a deep and supportive critical community Applying a methodology rooted in Action Research as way of Doing Theology ART and drawn from the author s own research within a specific community of practice The Naked Preacher demonstrates for preachers and ministers new ways to be critically and constructively self aware It also offers an important contribution for practical theologians with an interest in action research and critical reflection **The Preacher's Commentary - Vol. 31:**

Approaching the Bible in medieval England Eyal Poleg,2016-05-16 How did people learn their Bibles in the Middle Ages

Did church murals biblical manuscripts sermons or liturgical processions transmit the Bible in the same way This book unveils the dynamics of biblical knowledge and dissemination in thirteenth and fourteenth century England An extensive and interdisciplinary survey of biblical manuscripts and visual images sermons and chants reveals how the unique qualities of each medium became part of the way the Bible was known and recalled how oral textual performative and visual means of transmission joined to present a surprisingly complex biblical worldview This study of liturgy and preaching manuscript culture and talismanic use introduces the concept of biblical mediation a new way to explore Scriptures and society It challenges the lay clerical divide by demonstrating that biblical exegesis was presented to the laity in non textual means while the naked text of the Bible remained elusive even for the educated clergy *The Preacher's Commentary - Vol. 32: 1 and 2 Thessalonians / 1 and 2 Timothy / Titus* Gary W.
