Preacher and Homiletic Monthly ,1918      *Anti-Jacobin Novels, Part II, Volume 8* W M Verhoeven, Claudia L Johnson, Philip Cox, Adriana Craciun, Richard Cronin, 2017-09-29 A selection of Anti Jacobin novels reprinted in full with annotations The set includes works by male and female writers holding a range of political positions within the Anti Jacobin camp and represents the French Revolution American Revolution Irish Rebellion and political unrest in Scotland      Rivals and Conspirators Fae Brauer, 2014-07-08 Once the State run Salon in Paris closed an array of independent Salons mushroomed starting with the French Artists Salon and Women s Salon in 1881 followed by the Independent Artists Salon National Salon of Fine Arts and Autumn Salon Offering an unparalleled choice of art identities and alliances together with undreamed of opportunities for sales commissions prizes and art criticism these great Salons guaranteed the centripetal and centrifugal power of Paris as the modern art centre Lured by the prospect of being exhibited annually in Salons the size of Biennales today a huge number and national diversity of artists from the Australian Rupert Bunny to the Spaniards Pablo Picasso and Juan Gris flocked to Paris Yet by no means were these Salons equal in power nor did they work consensually to forge this modern art centre Formed on the basis of their different cultural politics constantly they rivalled one another for State acquisitions and commissions exhibition places and spaces awards and every other means of enhancing their legitimacy By no means were the avant garde salons those that most succeeded Instead as this cultural political history demonstrates the French Artists and National Fine Art Salons were the most successful with the genderist French Artists Salon being the most powerful and official Despite the renown today of Neo Impressionism Art Nouveau Fauvism Cubism and Orphism the most powerful artists in this modern art centre were not Sonia Delaunay mile Gall Paul Signac Henri Matisse or even Picasso but such Academicians as L on Bonnat William Bouguereau Fernand Cormon Edouard Detaille Gabriel Ferrier Jean Paul Laurens Luc Oliver Merson and Aim Morot who exhibited at the official Salon supported by the machinery of the State In its exposure of the rivalry conflict and struggle between the Salons and their artists this is an unprecedented history of dissension It also exposes how just below the welcoming internationalist veneer of this modern art centre intense persecutionist paranoia lay festering Whenever France s civilizing mission seemed culturally commercially or colonially threatened it erupted in waves of nationalist xenophobia turning artistic rivalry into bitter enmity In exposing how rivals became transmuted into conspirators ultimately this book reveals a paradox resonant in histories that celebrate the international triumph of French modern art that this magnetic centre which began by welcoming international modernists ended by attacking them for undermining its cultural supremacy contaminating its civilizing mission and politically persecuting the very modernist culture for which it has received historical renown      **The Biblical Interpretation of William of Alton** Timothy F. Bellamah OP, 2011-08-16 Studies of medieval Biblical interpretation usually focus on the printed literature neglecting the vast majority of relevant works Timothy Bellamah offers a groundbreaking examination of the exegesis of William of Alton a thirteenth century

Dominican regent master at Paris whose commentaries have never previously appeared in print As a near contemporary of Hugh of St Cher Bonaventure Albert the Great and Thomas Aquinas William was an important representative of university exegesis at a time of rapidly changing methods and remarkable intellectual development His commentaries are valuable resources for understanding Biblical study of the thirteenth century in the schoolroom and in the pulpit Yet study of William s work has been impeded by the dubious authenticity of numerous commentaries questionably attributed to him over the centuries Bellamah addresses these complex problems by unearthing evidence of authorship in each commentary s style and methodology This inquiry employs the traits of William s commentaries as criteria for constituting a list of works that can be reliably attributed to him which in turn provides a crucial basis for studying his exegesis William was a man of his time but even more than his contemporaries he was deeply interested in history and the literal sense which he understood to be the intention of Scripture s authors divine and human He took a keen interest in Biblical history and put to use a wide array of procedures for textual linguistic and rhetorical analysis At the same time he remained aware of the spiritual senses and the diverse elements of the exegetical and theological tradition in which he stood

For fruitful discussion within the Church for a meaningful dialogue with other Christians for the renewal of the theology of preaching for these and many other reasons we need a new understanding of the nature of revelation The usual apologetical treatment of revelation bent on proving its existence touches but the fringe of the reality Our day and age needs a theology of revelation which probes the nature depths and dimensions of the mystery Father Latourelle s study is a significant contribution in this unfurrowed field and may well be recognized as a landmark for years to come His treatment of scriptural data on the notion of revelation is grounded on the advances of twentieth century exegesis He admirably handles the multifaceted Old Testament notion of revelation and his detailed study of the Synoptics Acts Paul and John heightens the point that the Old Testament s revelation foreshadowed the New and the New is only intelligible against the background of the Old His summary of the patristic idea of revelation is erudite and stimulating and probes the thoughts of twenty writers from the Apostolic Fathers to Augustine The richness of patristic insight contrasts sharply with later theological studies of the nature of revelation His study of the theological thought of the scholastic and neo scholastic schools is critical and informative Their approach culminated in overstressing the apologetical aspects of revelation a course which modern theology is abandoning to re discover a theology of revelation that is Christ centered Scriptural historical and interpersonal In treating of the magisterium the author presents a splendid analysis of official documents from Trent to Vatican II and his summary underscores the point that the Church documents present a view of revelation that closely resembles that of the biblical and patristic sources The author s personal

reflections enable us to view many aspects of revelation in a new light He draws on the insights of modern linguistics to give a new dimension to revelation s traditional definition locutio Dei He elucidates the point that revelation is neither event alone nor word alone its structure is sacramental and consists of events interpreted by word In dealing with preaching miracles and other themes Father Latourelle combines wide erudition and lucidity and his work stands as a major contribution to modern theological thought
