Preachers Of Righteousness:

Preachers of Righteousness Steve Carney, 2012-12 The preachers of righteousness were some unique individuals What was each one's purpose and what set him apart What did each have in common What were their probable thoughts How did they obtain such favor with God How did they cope with the persecutions Step into a time and place hundreds even thousands of years before there were modern technological advances before the hurried lifestyle of the modern generation It was a time when livestock was man's currency horses camels and donkeys the means of transportation From Enoch to Charles Finney author Steve Carney introduces you to what the Bible refers to as preachers of righteousness Their lives and ministries are just as relevant to our present day generation as they were in ancient times You will glean from the valuable lessons these wise men have to offer They teach us how to live and how to communicate with God Their stories serve as an example of things to come as the Church the nation of Israel and the world near the end times climaxing with the Great Tribulation and the return of the Messiah Preachers of Righteousness Roy Allan Anderson, 1963 Preachers of Righteousness Mark Barclay Publications, **Bible Characters, Volume 1**, **The Company of the Preachers** David L. Larsen, 1998-09-01 This work by a veteran pastor and professor of homiletics looks at the history of preaching from its roots in the Old Testament prophets to its continuing development in the modern era **The Local Preachers' Magazine and Christian Family Record**, 1853 A Reply to Mr. J. Sabine's Lectures on the Inquiry Into the Scriptural Import of the Words Sheol, Hades, Tartarus and Gehenna Walter Balfour, 1825 **Word of Faith Preachers** Joseph T. . Bachota Jr, 2010-06-16 Have you ever wondered about the correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isn't meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many churches today particularly Word of Faith churches are completely out of touch with sound biblical doctrine **Satan Vs. God** Herman Saini, 2009 After Noah's Flood a curtain hangs over four centuries of history which witnessed a monumental struggle between Noah Shem and those loyal to God and the rebels led by Nimrod Cush Semiramis and Asshur to control the direction in which the world would go The rebels created a counterfeit religion sought to create a world ruling empire and enforce their political system and religion on the world Only a century after the Flood they constructed a massive waterproof

Tower at Babel in case they said God should have a mind to drown the world again God responded by destroying the Tower and giving man multiple languages This volume restores that lost history detailing the attempts of the rebels to build empires through intrigue and conquest origins of nations world s religions and worship systems how history was perverted with fascinating biographies of additional key players like Ninus II Horus Naamah and Ham

HERMAN SAINI has been an accountant and business consultant for over 16 years He has developed a model of economic development and international trade that nations can use as a guide to develop plans for economic growth He holds a chemical engineering degree a MBA and has been a Ph D candidate in marketing He is also licensed as a Certified Public Accountant He is the author of Volume 1 of SATAN vs GOD A BRIEF HISTORY which details world history from the beginning when only God existed to Noah s Flood He maintains two blogs the purpose of which is to preach the gospel of the soon coming kingdom of God in fulfillment of the prophecy in Matthew 24 14 You can read his articles at www.thetruereligionreport.com and his weekly messages at www.thetruereligionreport.com/blog1 He currently lives in Holiday Florida

Raise Your Voice Myles A. Rutherford, 2023-09-19 The Lord is calling His people to break their silence and proclaim the Gospel to everyone right now The Spirit of God is moving in people s hearts prompting them to speak out against the sins and atrocities in our world Speaking out comes with a cost It can be challenging unpopular and downright lonely You will be misunderstood But those who speak in God s voice find peace for being faithful to his call God has always looked for people who are willing to do what He needs done He takes those imperfect people and baptizes them with passion to do His will They cannot escape its clutches God wants to say something to you and through you He is looking for a trumpet the raised voices of His remnant are the sounds of revival Revival happens when repentance happens Repentance happens when people speak the heart of God God has voices ready to speak and bring revival to earth Are you one of them If you are looking for a way to unlock the words of God from deep in your soul this book is for you

[A Sermon Preached at the Opening of the General Associate Synod, at Edinburgh, April 29. 1789](#) Robert Chalmers, 1790

The Beginning of the Story Timothy J. Geddert, 2023-10-03 Rediscover the essential beginning of the most important story ever told Although the Bible contains sixty six books that usually span over a thousand printed pages most Christians turn first and sometimes only to the New Testament So often Christian readers have little idea what to do with the Old Testament if we read it at all Sure we value a few well known stories and use a few psalms for personal devotions and for worship Beyond that many Christians find the Old Testament mostly confusing troubling or irrelevant But to understand the Bible as the grand story that it is the story of God s dealings with humanity and relationship to the whole universe we must learn to read the first three quarters of Scripture as Jesus did and as the New Testament teaches us to do Walking through the arc and major themes of the Old Testament narrative author and biblical scholar Timothy J Geddert guides curious readers of the Word into a fruitful and fulfilling reading of the Bible s first thirty nine books restoring joy in reading and studying the most important story ever told

Vanhoozer, Owen Strachan, 2015-08-11 Top Ministry Book of 2015 The Gospel Coalition TGC Editors Picks Many pastors today see themselves primarily as counselors leaders and motivators Yet this often comes at the expense of the fundamental reality of the pastorate as a theological office The most important role is to be a theologian mediating God to the people The church needs pastors who can contextualize biblical wisdom in Christian living to help their congregations think theologically about all aspects of their lives such as work end of life decisions political involvement and entertainment choices Drawing on the Bible key figures from church history and Christian theology this book offers a clarion call for pastors to serve as public theologians in their congregations and communities It is designed to be engaging reading for busy pastors and includes pastoral reflections on the theological task from twelve working pastors including Kevin DeYoung and Cornelius Plantinga
