The Meaning of Pastoral Care Carroll A. Wise,1966 The author contends that the focus of pastoral care should be on helping people become themselves what God intended them to become through a deep and personal relationship between pastor and person rather than by doling out theological or ethical formulas for particular problems Pastoral care should denote the relationship of the pastor to his people in all activities not merely in dealing with persons in crises

The Care of Souls Harold L. Senkbeil,2019-06-26 Drawing on a lifetime of pastoral experience The Care of Souls is a beautifully written treasury of proven wisdom which pastors will find themselves turning to again and again Harold Senkbeil helps remind pastors of the essential calling of the ministry preaching and living out the Word of God while orienting others in the same direction And he offers practical and fruitful advice born out of his five decades as a pastor that will benefit both new pastors and those with years in the pulpit In a time when many churches have lost sight of the real purpose of the church The Care of Souls invites a new generation of pastors to form the godly

habits and practical wisdom needed to minister to the hearts and souls of those committed to their care Pastoral Preaching Gary D. Stratman, 1983 **Preaching Prophetic Care** Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance The twenty seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community Rather than contributing to the polarization so rampant in today's social world the preacher seeks to help the congregation build bridges along which concern for justice can travel The contributions honor the work of the late Dale Andrews a scholar of preaching and practical theology at the Divinity School Vanderbilt University whose seminal work inspires the notions of prophetic care and building bridges to justice **Preaching as Pastoral Care** James Johnson, 2017 Preaching Master Class Will Willimon, 2010-03-26 Selections from Will Willimon's quarterly column Five Minute Preaching Workshop published in Pulpit Resource *A History of Pastoral Care* G. R. Evans, 2000-05-01 A history of pastoral care is a history of the Christian church in action But if any sense is to be made of the centuries of Christian work and effort not only the practicalities of making the message of the Gospel a reality on earth but also the ideas which have shaped the attempt century by century must be examined This is the history of 2000 years of thought and practice in Christian pastoral ministry Until comparatively late in that story the bulk of the formative thinking took place in the Middle East and in Europe and this forms the background for recent developments in understanding human nature and the ways in which that understanding has influenced our thinking in pastoral care Subjects covered range from the Biblical foundations to the sects and new religious movements from the Fathers the monks the Friars the Templars to the changes at the end of the twentieth century **Worship as Pastoral Care** Bishop William H. Willimon, 1982-06-01 Demonstrates how worship and pastoral care can be blended to sustain and enrich each other Using insights gained from pastoral care and pastoral psychology William H Willimon explores what happens to people when they become involved in Christian worship True pastoral care he shows cannot take place apart from an active worshiping community of faith *Worship as Pastoral Care* sensitizes pastors to the many ways Christian worship and pastoral care methods can be blended to enrich and support one another It encourages pastors to broaden their understanding of corporate worship and to become aware of the importance of their role as priests To illustrate his concepts Dr Willimon examines four familiar acts of worship the funeral the wedding baptism and the Lord's Supper The psychological dimensions are discussed and suggestions are given on ways pastors can nurture and sustain their congregations through these services **Preaching Prophetic Care** Phillis Isabella

Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty-seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry practical theology and theological education more broadly as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community. Rather than contributing to the polarization so rampant in today's social world, the preacher seeks to help the congregation build bridges along which concern for justice can travel. The contributions honor the work of the late Dale Andrews, a scholar of preaching and practical theology at the Divinity School, Vanderbilt University, whose seminal work inspires the notions of prophetic care and building bridges to justice. With contributions from Donna Allen, L. Susan Bond, Teresa Fry, Brown Gennifer Brooks, Teresa Eisenlohr, Anna Carter Florence, Kenyatta Gilbert, R. Mark Giuliano, David Schnasa, Jacobsen, John McClure, Mary Elizabeth Moore, Mary Alice Mulligan, Debra Mumford, Peter Paris, Luke Powery, Shelly Rambo, Lee Ramsey, Robert London Smith, Amy Steele, Frank A. Thomas, Lisa Thompson, Scott Williamson, Sunggu Yang, Ted A. Smith, William B. McClain. Handbook of Contemporary Preaching, 2nd Edition Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible. Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching. A Companion to Pastoral Care in the Late Middle Ages (1200-1500) Ronald Stansbury, 2010-05-31 The study of pastoral care in the middle ages has seen a resurgence in recent years. Scholars are now approaching this subject less from their respective ecclesiastical or parochial biases and more out of an effort to understand the significant role pastors, secular and religious, had in the shaping of medieval society at large. This book explores some of the new ways scholars are approaching this topic. Using a variety of sources and disciplinary angles, theology, preaching, catechesis, confessional literature, visitation records, monastic cartularies, and the like, these studies show the many and varied ways in which pastoral care came to play such an important role in the day-to-day lives of medieval people. Contributors include C. Colt Anderson, Michelle Armstrong, Partida, Beth Allison Barr, Sabrina Corbellini, Alexandra da Costa, Laura Michele Diener, William Dohar, James Ginther, Joe Goering, Ann M. Hutchison, Greg Peters, C. Matthew Phillips, Andrew Reeves, Ronald J. Stansbury, Susan M. B. Steuer, Mathilde van Dijk, and Anne T. Thayer.
