## **Preaching As Weeping Confession And Resistance Radical Responses To Radical Evil:**

*Preaching as Weeping, Confession, and Resistance* Christine M. Smith, 1992-01-01 How can a person preach a word of hope and faith in a world filled with violence and suffering Smith says that one must encounter and name the radical evil that oppresses persons in the world She believes preaching is an interpretation of our present world and an invitation to a profoundly different world

*Confessing Jesus Christ* David J. Lose, 2003-03-04 With its relentless insistence that there is no reality beyond that which we construct postmodern thought questions the presuppositions of many disciplines including homiletics Offering a lively description of the postmodern worldview and its implications for Christian faith *Confessing Jesus Christ* by David Lose teaches preachers how to rise to the challenges posed by our postmodern world Few if any books on preaching offer such a comprehensive investigation of postmodern thought or yield such a wealth of insights for relevant Christian proclamation Significantly Lose sees postmodernism not primarily as an obstacle to the church but as an opportunity for it to stand once again on faith alone rather than on attempts to prove the faith According to Lose preaching that seeks to be both faithful to the Christian tradition and responsive to our pluralistic postmodern context is best understood as the public practice of confessing faith in Jesus Christ He explores the practical implications of a confessional homiletic for preaching and also provides concrete methods for preparing sermons that meaningfully bridge biblical texts and contemporary congregations

*Preaching as Resistance* Phil Snider, 2018-10-02 As nationalism patriarchy and alt right fear mongering threaten our troubled nation the pulpit has again become a subversive space of sacred resistance In this provocative and powerful collection of sermons from diverse pastors across America hear the brave and urgent voice of Christians calling for radical change rooted in love solidarity and justice *Preaching as Resistance* resists confronts and troubles the dangerous structures of authoritarianism and oppression crashing in from all sides and proclaims the transformation possibility and hope stirring in the gospel of Christ From big steeple churches in big cities to rural congregations in red states preaching as resistance is practiced in a wide variety of social contexts and preaching styles inspiring and equipping listeners to respond to the call of justice Ideal for pastors and church leaders *Preaching as Resistance* also provides the opportunity to experience hopeful welcoming Christian voices rooted in the gospel values of love solidarity and justice In these challenging times when Christianity is so often misrepresented misunderstood and misused for unjust agendas take heart and find your own voice in this collection of resistance sermons from everyday pastors across the country

*Lament-Driven Preaching* Eliana Ah-Rum Ku, 2024-03-04 This book challenges Christian communities to engage in lament a mode of existence characterized by impassioned expression witnessing and personal or social protest in the face of evil and injustice reflecting a profound yearning for God's saving presence Divine lament responds to and expresses solidarity with human suffering unveiling multiple facets of God's image and demonstrating a profound sense of divine compassion Drawing on the Book of Lamentations Korean concepts related to suffering han and hanpuri the Paschal Triduum

narratives and recent homiletic discourses on suffering the author investigates how complex issues related to grief and hope can be addressed in preaching without diminishing the harsh reality of affliction Designed to assist preachers this book encourages a more intentional approach to addressing suffering specifically by advocating for lament as a transitional space between affliction and hope Furthermore readers are invited to contemplate the significance of the church which within a world in decline embodies the body of Christ manifesting both the demise and resurrection of God

**Ethical Approaches to Preaching** John S. McClure, 2021-02-23 Different ethical situations require different homiletical responses John McClure organizes recent literature on ethics and preaching into four ethical approaches Does your situation require public moral leadership Then a communicative ethic is best Does your situation require the development of countercultural moral character Then a witness ethic is best Does your situation require ethical consciousness raising and organizing for social justice Then a liberationist ethic is best Does your situation require genuine moral conversation and the discernment of shared commitments in spite of our differences Then a hospitality ethic is best Each ethical approach is briefly and carefully explored correlated with appropriate contexts and situations and demonstrated with model sermons The result is a useful handbook for quickly discerning what ethical approach is needed how to preach that approach and what to expect as a result

*Preaching about Racism* Carolyn B. Helsel, 2018-12-04 Equipping pastors to address racism faithfully from the pulpit Of all the activities that come with being a minister sermon preparation can loom largest especially when racism is the subject You've got to address racism with your white congregation from the pulpit But truthfully you can't wrap your head around how to preach about this topic thoughtfully and sensitively In *Preaching about Racism* preaching professor and pastor Carolyn Helsel speaks directly to other faith leaders about how to address racism from the pulpit In her first book *Anxious to Talk about It Helping White Christians Talk Faithfully about Racism* Helsel addressed the anxiety white Christians experience around conversations about race In this follow up Helsel provides strategies and a theoretical framework for crafting biblical and theological sermons that incorporate insights from social sciences and psychology gleaned from more than a decade of writing and teaching about racism Written for the busy pastor several chapters are quick reads helpful reminders as you prepare a thoughtful and sensitive sermon while others dig deeper on the theory behind the crucial work of dismantling racism

*How We Preach* Eben Kanukayi Nhiwatiwa, 2016-09-01 This book is the second of two volumes on Preaching in African Context For both seasoned preachers and beginners including students in seminaries Bible colleges and universities this second volume explores how we preach and the practice of contextual preaching in Africa The two volumes go hand in hand and Nhiwatiwa demonstrates that the principles need good practice to become contextual preaching and our practice needs principles to ensure integrity Read these volumes to see why preaching is an urgent aspect of ministry that can open new horizons and give fresh outlook for the future

bringing systematic theology directly into the pulpit      **Recovering Storytelling for Ghanaian Preaching** Akwasi O. Ofori, 2015-04-15 This book explores the role narrative can play to renew preaching in Ghanaian congregations It does this by describing and classifying models of preaching in North America and applies those models to the Ghanaian situation carefully guarding against assuming that a western model can be adapted without question      **Women Preaching Revolution** Elaine J. Lawless, 2015-08-10 Do women preach differently than men In *Women Preaching Revolution* Elaine J Lawless contends that they do Drawing on her study of more than 150 sermons and extensive interviews with the clergywomen who preached them Lawless argues that women have changed traditional preaching in ways that reflect their socialization as women and their experiences of being female in America Many of the women in her study were expected to take courses on the art of preaching as part of their seminary training Most of them rejected the sermon structure and strategies they were taught in seminary viewing them as part of a male homiletic tradition and developed styles that celebrate their commitment to connection relationship and dialogue      **Creation-Crisis Preaching** Leah D. Schade, 2015-09 How can we proclaim justice for God's Creation in the face of global warming How does fracking fit with the earth and its fullness are the Lord's Creation Crisis Preaching works with the premise that all of Creation including humankind needs to hear the Good News of Jesus resurrection in this age in which humanity is crucifying Creation Informed by years of experience as an environmental activist and minister Leah Schade equips preachers to interpret the Bible through a green lens become rooted in environmental theology and learn how to understand their preaching context in terms of the particular political cultural and biotic setting of their congregation Creation Crisis Preaching provides both theoretical grounding and practical tips for preachers to create environmental sermons that are relevant courageous creative pastoral and inspiring      *How Women Transform Preaching* Leonora Tubbs Tisdale, 2021-04-06 Women preachers are everywhere The pulpit once a bastion of male presence and power has become in many denominations a place where women regularly exercise their gifts leading congregations and proclaiming God's word each week The number of women scholars who are publishing and teaching in the field of preaching has also expanded dramatically Leonora Tubbs Tisdale explores how the presence of women preachers and scholars of preaching has transformed the practice of homiletics this country from the reclamation of women's herstory in preaching to the topics addressed in preaching and scholarship to the way in which Biblical hermeneutics and theologizing are undertaken in preaching to the imagery illustrations shape and embodiment of the sermons themselves *How Women Transform Preaching* begins with a fascinating survey including statistical information and historical analysis Interviewing 16 women preachers homileticians Tisdale shares untold stories of women preachers throughout history who are largely unknown but who serve as examples of both the struggle and power of women's preaching She then tells the stories of contemporary women preachers Throughout Tisdale draws practical lessons for the reader showing what students homileticians and preachers can learn from extraordinary women preachers      **Pro-Life Pulpit** Stephen Tu, 2011-05-23

Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners

**The Six Deadly Sins of Preaching** Robert Stephen Reid, Lucy Lind Hogan, 2012 Don't give in to the vices of preaching what you didn't know there is such a thing Learn from these stories of failure and become a responsible preacher

**Hear and be Wise** Alyce M. McKenzie, 2004 Pastors are called to an exciting ministry of proclamation and leadership That excitement however often turns to demoralization and burnout as pastors become increasingly uncertain of what their role is supposed to be Competing claims by the congregation the denomination and society about who and what the pastor is supposed to be breed confusion and disappointment A way out of this confusion lies in reclaiming the biblical understanding of who the pastor is One of the biblical roles within the pastoral vocation that often goes neglected is that of wise teacher or sage Scripture presents as a model of pastoral leadership those who interpret the word and will of God for daily living Especially in their preaching pastors are called to help the congregation understand their place in God's world In this book Alyce McKenzie lays out the four qualities of the wise teacher the bended knee the listening heart the cool head and the courageous voice and encourages pastors to make each of these integral to their ministry and vocation She goes on to demonstrate that the sermon is the prime opportunity to function in the role of wise teacher She offers strategies for applying biblical wisdom to all areas of everyday life

*Preachers Dare* Bishop William H. Willimon, 2020-10-06 *Preachers Dare* is adapted from Will Willimon's Lyman Beecher Lectures on Preaching at Yale and is inspired by a quote from the great theologian Karl Barth In a world in which sermons too often become hackneyed conventional wisdom or tame common sense preachers dare to speak about the God who speaks to us as Jesus Christ Willimon draws upon his decades of preaching as well as his many books on the practice of homiletics to present a bold theology of preaching This work emphasizes preaching as a distinctively theological endeavor that begins with and is enabled by God God speaks preachers dare to speak the speech of God and the church dares to listen By moving from the biblical text to the contemporary context preachers dare to speak up for God so that God might speak today With fresh biblical insights creativity and pointed humor Willimon gives today's preachers and congregations encouragement to speak with the God who has so graciously and effusively spoken to us

*Slow of Speech and Unclean Lips* Robert Stephen Reid, 2010-01-01

Historically people who have risen to the occasion to speak of faith for their generation have been keenly aware of their own limitations whether Moses who was slow of speech or Isaiah who was concerned that he spoke with unclean lips The question both Moses and Isaiah seem to be asking is who am I to speak for God And we wonder in turn was it they who spoke or God who spoke through them These biblical images carry the weight of the question raised by the essays in this volume How is preaching both the work of God and yet also a function of the individual s own person and identity How is the preacher to conceive the identity he or she assumes when proclaiming the Word of God Some of the leading educators in homiletics today propose a variety of possible preaching identities in this volume preacher as messenger of hope as lover as God s mystery steward as ridiculous person as fisher as host and guest as one out of one s mind and as one entrusted The result is an open ended invitation for readers to identify their own preaching identity either in concert with one of the images presented here or of their own making appropriately contextualized to their own ministry and theology

Remembering the Body Sarah Travis, 2025-03-18 Debates about human sexuality have divided the church across denominations The Body of Christ has been wounded by profound theological disagreement Preaching can be a healing balm for those who have been bruised and harmed by these debates This book asks the church to remember its own nature as a Body that has a baptismal identity rooted in the triune God We remember the beauty and value of the human body and we remember that we belong to a baptismal community with a distinctive ethic Sermons are an opportunity to refresh and heal a Body that has been broken by division By affirming sexuality and the body preachers can build toward an affirmation of all sexual identities while making space for those whose theology is not affirming In recovering the body as a focus for preaching this book argues for a more equitable and inclusive understanding of Christian identity
