Preaching From The Prophets:

Loving God and Disturbing Men Donald A. Leggett, 2003 Loving God and Disturbing Men is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works Its unique strength lies in the author s ability to show the relevance of the prophets for the contemporary church and its ministry Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides But equally important the author demonstrates that what the prophets said about God evil repentance history social justice and eschatology has the ring of immediacy for us Moreover the study is helpful in treating the lives of the prophets as models of spirituality in prayer suffering and preaching While the book is primarily for those who preach from the prophets it is suitable for a much wider audience A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause It is a pleasure to commend this work Walter C Kaiser Jr Here is a pump primer and launch pad for preachers Dr Leggett s aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen I appreciate this book for I think it will do its job And the job is an important one J I Packer Donald A Leggett Th D Free University Amsterdam is Professor Emeritus of Old Testament at Tyndale University College and Seminary in Toronto Ontario For 25 years he also served as a pastor and elder at Village Green Baptist Church in London Ontario Preaching from the Prophets James Merrill Ward, Christine Ward, 1995 A theological guide to biblical preaching from a prophetic text Preaching from the Prophets invites preachers to look with imagination at the possibilities of prophetic preaching today James and Christine Ward show how to choose text and develop sermons that address racism ecology and other major ethical issues of our time From publisher s description The Ideals of the Prophets Samuel Rolles Driver, 1915 Preaching Like the Prophets Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets **Prophetic Preaching** Leonora Tubbs Tisdale, 2010-08-09 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who

want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale's work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake *Preaching from the Prophets* Kyle Monroe Yates, 1942 Intimate glimpses into political social and religious backgrounds help the reader get better acquainted with eighteen great prophets Then for each prophet the author discusses the literary qualities and the profound spiritual values of the prophetic writings **The Prophets as Preachers** Gary V. Smith, 1998-09-01 Designed for use in upper level college courses and seminary courses on the prophets **The Prophets and Kings of the Old Testament** Frederick Denison Maurice, 1853

Interpreting the Prophets Aaron Chalmers, 2014-07-17 Aaron Chalmers equips the reader with the knowledge and skills they need to interpret the Prophets in a faithful and accurate fashion Providing the basic contextual and background information needed for sound exegesis and sensitive interpretation he also gives guidelines for practical application and preaching and teaching the Prophets today *The Prophets and Kings of the Old Testament* Frederick Denison Maurice, 1853 *Preaching from the Minor Prophets* Elizabeth Achtemeier, 1998 An excellent guide to the books of the Minor Prophets this volume is unique for its theological depth It was written to provide clergy with the tools to once again preach from these important texts with confidence and relevancy *The Way of Trying Prophets. A sermon preach'd before the Queen at St. James's November 9. 1707* Offspring BLACKALL (Bishop of Exeter.), 1707 *How to Preach the Prophets for All Their Worth* Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word **Women Preachers and Prophets through Two Millennia of Christianity** Beverly Mayne Kienzle, Pamela J. Walker, 2023-09-01 For nearly two millennia despite repeated prohibitions Christian women have preached Some have preached in official settings others have found alternative routes for expression Prophecy teaching writing and song have all filled a broad definition of preaching This anthology with essays by an international group of scholars from several disciplines investigates the diverse voices of Christian women who claimed the authority to preach and prophesy The contributors examine the centuries of arguments

grounded in Pauline injunctions against women's public speech and the different ways women from the early years of the church through the twentieth century have nonetheless exercised religious leadership in their communities. Some of them based their authority solely on divine inspiration; others were authorized by independent-minded communities; a few were even recognized by the church hierarchy. With its lively accounts of women preachers and prophets in the Christian tradition, this exceptionally well-documented collection will interest scholars and general readers alike. For nearly two millennia, despite repeated prohibitions, Christian women have preached. Some have preached in official settings; others have found alternative routes for expression. Prophecy, teaching, writing, and song have all filled a broad definition.

The Prophets and Kings of the Old Testament Frederick Denison Maurice, 1871 **Interpreting the Prophets** James Luther Mays, Paul J. Major Messages from Minor Prophets Jeffrey A. Ingraham, 2021-06-21 During the early part of 2019, our Sunday school lessons centered on the Old Testament prophets, particularly the minor prophets. It was a great challenge to understand their messages and the messages' relevancy for our times. It seemed as if there really were no significant differences in these books of prophecy as the minor prophets all seemed to be saying the same thing. Of course, there are differences in the messages and ministries of the minor prophets; hence, my attempt to show so. My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today. This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019. My goal was to make the teachings of the minor prophets understandable to every segment of our membership. The approach was more inspirational than overly scholarly. Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject. The intent was to reference something that the reader could relate to and see how the prophet addresses that matter. Of course, not every single detail of the prophet's message is included due to the constraints of time, etc. My hope is that the readers of this book will come to know God better and to have a relationship with him. They will see that in spite of people's imperfections, our God is perfect and faithful toward us. The minor prophets challenge us to live faithfully for God. To the extent I have been able to evoke this kind of response from my readers, I give all glory and honor to God. **The prophets and kings of the Old Testament, sermons** John Frederick Denison Maurice, 1853 **How to Preach the Prophets for All Their Worth** Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation. They occupy a significant portion of the biblical canon, similar in size to the entire New

Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers small group leaders youth workers etc to communicate the message of the prophets with hermeneutical precision theological depth genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God s people enjoy the scenery of this part of God s word

Where Have All the Prophets Gone Marvin a. McMickle, 2019-04-11 This book is a call for preachers to learn the importance of keeping their eyes on the vision of Jesus and biblical prophets when preaching that of doing justice caring for others and being equitable The book attempts to make a biblical argument for the importance and the content of prophetic preaching and argues that the issue is not preaching from a text taken from the prophetic corpus but preaching on the themes that echoed over and over from the biblical prophets themselves
