**The Peoples' Sermon** Shauna K. Hannan, 2021-11-09 The proclamation of the gospel is the responsibility of the baptized rather than the privilege of the ordained Preaching is not a solo endeavor It is a communal practice a ministry of the whole congregation that is most faithful when the process is shared In The Peoples Sermon Shauna K Hannan argues that it is no longer faithful for a preacher to craft a sermon in isolation step into the pulpit literally or metaphorically on Sunday morning offer a one sided monologue and on Monday start all over alone with the process of researching and writing in preparation for the following Sunday Hannan s goal is to create vital worshipping communities where all know and live out their roles in the preaching ministry of the congregation where both clergy and laity are empowered and equipped in their roles before during and after the sermon She encourages readers to reflect on what preaching is and why the church engages in this practice and to explore various roles in the preaching ministry of the congregation She guides readers and their communities through a process that equips hearers to fulfill their active roles in the preaching ministry of the congregation The Peoples Sermon dares to suggest that preaching is most faithful when it is collaborative Pastors do not own the pulpit they steward it

Brown, 2003-02 Transformational Preaching Theory and practice is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance

and orality The book's wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry

Topical Preaching in a Complex World Sam Chan, Malcolm Gill, 2021-12-07 Be Equipped to Prepare and Deliver Engaging Biblical and Effective Topical Sermons Sooner or later every preacher will come upon a situation where they need to preach a topical sermon Yet few are taught to preach topically Even preachers who are gifted in expositing the Scriptures may struggle to deliver a topical sermon that is engaging culturally relevant and true to the biblical text Worse many pastors worry these messages undermine confidence in the Bible or its authority leading to a human centered rather than a God focused sermon But that doesn't have to be the case In Topical Preaching in a Complex World Sam Chan and Malcolm Gill answer these objections and chart a path for how preachers can deliver faithful and effective topical messages First they address the biblical theological and cultural reasons pastors should add topical sermons to their preaching repertoire Then they introduce a straightforward four fold approach for preaching a topical message and answer important questions like these How do you approach a topic with the proper

interpretative lens How can you speak to two or more audiences with the same sermon What should you consider theologically culturally and pastorally in your preparation How do you trace the topic back to Christ How can you better connect with your audience Best of all they help readers craft a message that says something people truly need and want to hear Filled with wit humor and wisdom from decades of preaching this book will equip preachers pastors ministry leaders and students to preach relevant biblical and engaging topical sermons Author Sam Chan says Just over a decade ago I was asked by an organization to speak at their end of year dinner They wanted me to address the topic of being a Christian single but I had no idea how to prepare and deliver a topical talk When the night arrived I preached an old three point expository sermon and merely changed the ending to include some application on singleness At best I got some polite comments afterwards At worst people s looks indicated that my biblical talk had little relevance for them They could not have been less fooled by my disingenuous workaround I went home vowing never to repeat that poor performance I felt like the unfaithful servant who had not adequately used what talents had been given to him As a result I have dedicated the last decade of my preaching ministry to overcoming and mastering the art of topical preaching This book is a product of that journey The Passion-Driven Sermon James Shaddix,2003-05-01 Seasoned pastor and educator James L Shaddix presents a philosophical and theological argument for the practice of biblical exposition as the pastor s primary approach to preaching ministry in the local church Shaddix emphasizes listening for God s voice in the sermon God centered vs man centered preaching and or preaching for real life change *Preaching for God's Glory (Repackaged Edition)* Alistair Begg,2011-04-07 Every Christian from the pastor to the newest believer is to study the Scriptures and learn to handle the Word of God correctly Yet far too many congregations are being fed sweet but empty words that leave them spiritually malnourished and ill prepared to stand firm in their faith Alistair Begg calls for a fresh commitment to biblical preaching in this newly formatted re release Drawing on his thirty five years of pastoral ministry and the lessons of great preachers Begg defines Bible based preaching and outlines its practical implications within a local church **Preaching and Pastoring Manual** Jasper W. Williams Jr.,2018-10-21 A pastor s success is determined by his ability to change to respond to what Pastor Jasper Williams Jr calls the vicissitudes that are part and parcel to ministry in the 21st century These include the changing expectations of hte congregation the challenges of evolving culture and society the complexity of technology and finance and the theological questions that emerge with each generation However a pastor must also be consistent dedicated to the unchanging Word of God committed to integrity in lifestyle and leadership faithful in pastoral care and shepherding and resolute in the face of crises With wisdom drawn from 55 plus years of successful ministry Jasper Williams Jr offers a treasury of practical knowledge for both the novice and the seasoned minister of the gospel With insight and transparency Williams addresses the key responsibilities of the pastor with guidance drawn from years of both success and failure From practical questions such as navigating compensation staffing administration building programs and special events to pastoral care family life and even

whooping Williams writes with humor and sensitivity providing valuable knowledge that can be applied today and that will provide a foundation for future success      Pastoral Preaching Conrad Mbewe, 2017-03-03 More and more pulpits are occupied by motivational speakers rather than preachers Church congregations are not being given a comprehensive biblical understanding of the faith Drawing on his own experience as a pastor in Zambia Conrad Mbewe tackles issues such as the content of pastoral preaching how pastoral preaching relates to church life finding the time to prepare pastoral sermons and dealing with discouragement Throughout the book it is clear that the author's conviction is to see preachers grow strong churches to build a people for God
