William Frank Brosend

Preaching On The Historical Jesus:

Preaching on the Historical Jesus D. W. Ford, 1993 A book of sermons geared to ordinary Church congregations The author believes that the historical Jesus cannot be left out of the pastoral and evangelistic ministry as he is the focal point for non Church goers attention leading to the possibility of the Christ of Faith **A Future for the Historical Jesus** Leander E. Keck, 1971 The author affirms that the historical Jesus is central to the Christian faith He clarifies what is meant by the historical Jesus and discusses the place of the historical Jesus in Christian faith Three basic questions are explored How shall we present the historical Jesus in the sermon so men can trust him What are the results of trusting Jesus the relation of trust to salvation What is the significance of the historical Jesus for understanding God Christocentric Preaching Meets the Historical Jesus Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric I Believe in the Historical Jesus I. Howard Marshall, 2004 Few would deny that a person named Jesus lived and died during the first century of this era Yet opinions differ widely as to the reliability of the New Testament record of his life In I Believe in the Historical Jesus Marshall surveys the quest for the historical Jesus from the 19th century to the present examines the methods used to extract historical information from the gospels and investigates the role faith plays in a study of the life of Jesus The gospel accounts of Jesus are reliable historically not merely literary productions impossible to penetrate from an historical perspective and Marshall s work is a ringing affirmation of belief in the historical Jesus This edition includes a new epilogue and updated bibliography I Howard Marshall is Emeritus Professor of New Testament Exegesis and Honorary Research Professor at the University of Aberdeen Scotland where he supervises postgraduate students in their theological studies Professor Marshall s area of research has been Luke Acts the Pastoral

Jesus of Nazareth in New Testament Preaching G. N. Stanton, Graham Stanton, 2004-12-23 This book argues that an account of the life and character of Jesus formed an integral part of the early church's preaching Against many modern scholars Dr Stanton seeks to show that interest in the life of Jesus was not a late development within primitive Christianity A study of Luke's Gospel indicates that in his own day reference to the life and character of Jesus was an important part of missionary preaching In this respect at least Luke was no innovator The references in the speeches in Acts to the life of Jesus can be traced to Luke's use of earlier traditions Dr Stanton then takes up the much debated question of Paul's interest in Jesus of Nazareth The author challenges several widely accepted views from critical conclusions about the nature and purpose of the traditions on which the evangelists drew
