The Preaching of Jesus William Frank Brosend,2010-01-01 Using the findings of historical Jesus studies William Brosend asks what is the rhetoric that characterized the preaching of Jesus in the Synoptic Gospels and how may today s preaching benefit from it This book for preachers and students of preaching helps the reader see four distinct aspects of the rhetoric of Jesus dialogical preaching in response to challenges and questions proclamatory making bold and authoritative statements occasionally self referential though less so than in the Fourth Gospel and persistently figurative illustrating his message through metaphor Brosend spends one chapter on each of these methods closing each chapter with a sermon that models that approach and his analysis of it Sample sermons are by well known preachers including Fred Craddock Michael Curry Tom Long and Barbara Brown Taylor Brosend concludes with the implications for modern preaching and a sermon of his own

The Homiletical Question William F. Brosend,2017-11-09 The Homiletical Question offers preachers from beginning students to the most experienced a concise introduction to lectionary based preaching in liturgical contexts familiar to Anglicans Roman Catholics Lutherans Methodists and others The book demonstrates how by answering a single simple question each time a sermon is prepared preachers can respond fully and faithfully to the biblical text the needs and issues of the audience and the challenges of a changing world Chapters explore the practice of homiletical exegesis creation and illustration of the moves that shape the sermon crafting introductions and conclusions and preaching baptisms weddings funerals and other special occasions As Thomas G Long writes in the foreword That the homiletical question should yield answers that are beyond the reach of the preacher answers that manifest preaching as an event of surplus and abundance answers that point toward the mystery that is the Holy Spirit answers that take us to our knees in prayer before they take us into the pulpit would come as no surprise to Brosend That very mystery that very abundance is at the heart of Brosend s theology of preaching and therefore at the heart of this book
