

SOCIAL CRITIQUE IN GABRIEL GARCIA MARQUEZ'S "ONE HUNDRED YEARS OF SOLITUDE"

Satrih

SMA Negeri 8 Kendari
satrih3416@gmail.com

Abstract

The development of nations can be measured from the kind of readings and the level of appreciation of their societies towards science, art, and literature. Hence, the researcher conducted research on social critique in Gabriel Garcia Marquez's novel *One Hundred Years of Solitude* to give a description of the social critique revealed in the novel. The research used sociological approach known as Marxist criticism, which relates with theories of class conflict supported by the social background of the Colombian society. It answers the research question, what are the social critiques submitted by Gabriel Garcia Marquez in his novel *One Hundred Years of Solitude*? The research data was taken from the text of the novel in its English version published in 1995, London by David Campbell Publisher. Two techniques of data analysis were done: descriptive analysis. The researcher found that the story of *One Hundred Years of Solitude* contains a Marxist critique of: State, the existence of state with all its instruments (the army, magistracy, etc.) by which the class in power suppresses another or other classes has plundered the innocent and peaceful Macondo without state; Religion, as an ideologist religion, conservatism is regarded as a static force marked with hypocrisy and inconsistency, leading to destruction; and Capitalism, marked by modern technology along with a moral and spiritual decline, and proud capitalists for their high social status oppressing the lower class (labourers) eventually turns a progress to brutality.

Keywords: Capitalism, Marxism, Social Critique, Sociology of Literature

INTRODUCTION

Tarigan (1993) stated that the development of nations can be measured from the kind of readings and the level of appreciation of their societies towards science, art, and literature. For literature, Hardjana (1994) claimed that a discussion about literature is something complicated, for it is applied a language that differs from everyday language or what so-called primary system of language. However, reading literary work is a requirement and must be conducted because

Prebure Points A Social Critique:

Pressure Points, 1983 Compilation of articles which originally appeared in the South China morning post Cf p ii

Political Change and the Crisis of Legitimacy in Hong Kong Ian Scott, 1989-01-01 Chinese parallel title on jacket romanized as Hsiang kang ti cheng chih pien hua chi cheng fu ho fa hsing chih wei chi Bibliography p 449 467 The Politics of Democratization in Hong Kong Lo Shiu-hing, 2016-07-27 An analysis of the politics of transition in Hong Kong focusing on the tug of war between China and Britain on democratization and on the interactions between the increasingly politically active people of Hong Kong and the democratizing colonial regime The successes and failures of British policy since 1984 and the missed opportunities to democratize faster prior to Governor Patten's appointment in 1992 are examined

The Short Story after Apartheid Graham K. Riach, 2023-10-15 Honourable Mention in the 2023 British Association for Contemporary Literary Studies Monograph Prize The Short Story after Apartheid offers the first major study of the anglophone short story in South Africa since apartheid's end By focusing on the short story this book complicates models of South African literature dominated by the novel and contributes to a much needed generic and formalist turn in postcolonial studies Literary texts are sites of productive struggle between formal and extra formal concerns and these brief fragmentary elliptical formally innovative stories offer perspectives that reframe or revise important concerns of post apartheid literature the aesthetics of engaged writing the politics of the past class and race the legacies of violence and the struggle over the land Through an analysis of key texts from the period by Nadine Gordimer Ivan Vladislavi Zo Wicomb Phaswane Mpe and Henrietta Rose Innes this book assesses the place of the short story in post apartheid writing and develops a fuller model of how artworks allow and disallow forms of social thought **The Hong Kong Reader** Ming K. Chan, Gerard A.

Postiglione, 2016-09-16 This paperback reader provides the student and general reader with easy access to the major issues of the Hong Kong transition crisis Contributors include both editors as well as Frank Ching Berry F Hsu Reginald Yin wang Kwok Peter Kwong Julian Y M Leung Ronald Skeldon Alvin Y So Yun wing Sung and James T H Tang the majority of whom live and work in Hong Kong and experience the transition firsthand personally and professionally *Uneasy Partners* Leo F. Goodstadt, 2005-01-01 Challenging the wisdom about the way capitalism and colonialism joined forces to transform Hong Kong into one of the world's great cities this book deploys case studies of the clash of interests between alien colonials and their Chinese constituents and the conflict between a pro business government and its political and social responsibilities

Social Welfare in Asia John Dixon, Hyung Shik Kim, 2016-03-22 First published in 1985 this book analyses social welfare in the major countries of Asia at that time For each country it considers the ideological framework underlying the social welfare system and describes the historical development of both the system and the political and socio economic context Contributions examine the nature of the different parts of the welfare system surveying social security personal social services and the treatment of the following key target groups the aged those with disabilities and handicaps children and

youth disadvantaged families the unemployed and the sick and injured Each chapter concludes with an assessment of the effectiveness of the system considered

Comparative Social Welfare Various Authors, 2021-03-05 First published between 1985 and 1992 this set of books analyses social welfare in Asia the Middle East Africa Latin America highly developed economies and socialist countries at the time Each title considers the ideological framework underlying the social welfare system for each country and describes the historical development of both the system and the political and socio economic context Each chapter looks at the structure and administration of the systems in place and how these are financed Contributions examine the nature of the different parts of the welfare system surveying social security personal social services and the treatment of the following key target groups the aged those with disabilities and handicaps children and youth disadvantaged families the unemployed and the sick and injured Each chapter concludes with an assessment of the effectiveness of the system considered This set will be of interest to those studying international social welfare and development

Pathways from the Periphery Stephan Haggard, 1990 *Pathways from the Periphery* is an innovative interpretation of the development of the newly industrializing countries NICs which now dominate Third World industry and manufacturing trade While such countries as Brazil and Mexico have achieved industrialization through strategies intended to foster self reliance the East Asian NICs South Korea Taiwan Hong Kong and Singapore have grown rapidly through an aggressive policy promoting the export of manufactured goods Stephan Haggard provides the first comprehensive comparison of the politics of industrialization in these East Asian and Latin American countries and offers new evidence on current issues in comparative political economy including the implications of different growth paths for dependency equity and democracy Recognizing the influence on development strategies of external shocks such as depression war and reduced access to foreign capital Haggard emphasizes the importance of domestic political institutions for economic decision making The East Asian NICs are characterized by close but regulated business government alliances weak labor movements and politically insulated and administratively capable states factors Haggard shows that have facilitated flexible and coherent industrial policies He argues that domestic policy choices can shape the external constraints states face The author considers in detail why Latin America's long standing efforts to achieve self reliance have ironically resulted in a dependence on international capital greater than that of the East Asian countries Addressing a long standing debate on the relationship between industrialization strategy and regime type Haggard carefully assesses the connection between growth and democratic politics Despite their authoritarian growth models the Asian NICs have he observes achieved greater equity than their Latin American counterparts Although the success of export led growth has in the past been associated with authoritarian rule Haggard argues that no compelling theoretical reasons preclude democratic governments from achieving strong economic performance Breaking new ground in theoretical inquiry and empirical research *Pathways from the Periphery* will be welcomed by political economists scholars and students of comparative politics historians of Asian and

Latin American public policy and others concerned with the challenge of economic development **Hong Kong from Britain to China** Li Pang-Kwong, 2018-02-05 This title was first published in 2000 The Sino British joint declaration in 1985 had called to the end of British rule in Hong Kong but the impacts of the agreed introduction of popular election during the transitional period have still not fully emerged Being granted Hong Kong people governing Hong Kong by China after 1997 Hong Kong people are suddenly exposed to the kind of politics that they were not engaged in before The transitional politics is further complicated by the fact that the majority of Hong Kong voters supported the democrats whose political value and orientation differed from that of the Beijing government In order to comprehend the collective behaviour of the Hong Kong voters the author first traces the development of the Hong Kong state and put his readers into context of Hong Kong electoral politics By adopting the cleavage approach in explaining the voters choice and the election results since the 1990 the author examines whether the existing institutional arrangements as established by the Basic law is capable of solving the political and electoral conflicts of the days **The Hong Kong Health Sector** Robin Gauld, Derek Gould, 2002 The book covers the period from British colonisation of Hong Kong in 1841 through to the present day It looks at the way in which the health sector developed the structural arrangements that resulted and the manner in which the health system functions today **Public Opinion** William A. Blade, 2002 Twenty four news networks a plethora of newspapers and magazines vibrant news talk radio and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium s content is a regular public opinion poll on whatever hot topic strikes the editor s fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today s world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes Promoting Prosperity Catherine M. Jones, 1990 **A Social Critique of Corporate Reporting: A Semiotic Analysis of Corporate Financial and Environmental Reporting** David Crowther, 2018-02-06 This title was first published in 2002 This text is concerned with the role of corporate reporting in UK public limited companies It is a common assumption that the most significant part of any corporate report is the accounting information contained within This book however takes a different view The central argument is that the purpose of corporate reporting has changed from one primarily of stewardship and accountability to shareholders to a more outward and forward looking perspective The author argues that one of the driving forces for this change in orientation is the discourse of environmental accounting along with other forces The book is essentially explorative

The author is concerned with looking at different aspects of the changes in corporate reporting and taking different perspectives in the development of the argument A Social Critique of Corporate Reporting David Crowther,2016-03-16 In the critically acclaimed first edition of A Social Critique of Corporate Reporting David Crowther examined the perceived dialectic around traditional and environmental reporting to show it to be a false dialectic Corporate reporting continues to change rapidly to incorporate more detail and especially environmental and social information At the same time the mechanism for reporting has changed and the internet now enables more information to be provided to an ever wider range of stakeholders and interest groups The perceived conflict between financial performance representing the needs of investors and other dimensions of performance representing the needs of other stakeholders still however continues to exist In this updated edition this perceived conflict is re examined along with the wider purposes of corporate reporting These are examined in the context of web based reporting and a greater concern for all stakeholders The conclusion is that although recent developments have produced changes the essential conflict is still professed to exist but remains a largely imaginary one The analysis in this book makes use of both statistics and semiotics and in so doing develops a semiology of corporate reporting that offers an alternative to other research that is largely based on econometrics Researchers higher level students and others with an interest in or responsibility for corporate reporting corporate social responsibility accounting research or semiotics will find this book essential reading Hong Kong and British culture, 1945-97 Mark Hampton,2015-11-01 This book examines the British cultural engagement with Hong Kong in the second half of the twentieth century It shows how the territory fit unusually within Britain s decolonisation narratives and served as an occasional foil for examining Britain s own culture during a period of perceived stagnation and decline Drawing on a wide range of archival and published primary sources Hong Kong and British culture 1945 97 investigates such themes as Hong Kong as a site of unrestrained capitalism modernisation and good government as well as an arena of male social and sexual opportunity It also examines the ways in which Hong Kong Chinese embraced British culture and the competing predictions that British observers made concerning the colony s return to Chinese sovereignty An epilogue considers the enduring legacy of British colonialism This book will be essential reading for historians of Hong Kong British decolonisation and Britain s culture of declinism **Precarious Balance** Ming K. Chan,John D. Young,2015-06-11 This work closely considers the history and political importance of Hong Kong in the period 1842 to 1992 Underground Front Christine Loh,2018-11-01 Underground Front is a pioneering examination of the role that the Chinese Communist Party has played in Hong Kong since the creation of the party in 1921 through to the present day The second edition goes into greater depth on the party s view on one country two systems patriotism and elections The introduction has been extensively revised and the concluding chapter has been completely rewritten in order to give a thorough account of the post 1997 governance and political system in Hong Kong and where challenges lie Christine Loh endeavours to keep the data and the materials up to date and to include the discussion of some

recent events in Hong Kong The appendices on the key targets of the party's united front activities also make the book an especially useful read for all who are interested in Hong Kong history and politics and the history of modern China Although the author calls herself an outsider this book provides such a distinctly incisive analysis that even an insider will pale by comparison Christine Loh's exposition of the Communist Party's co-optation and persuasion is particularly revealing for anyone not versed in communist speak A must read for anyone who cares for Hong Kong simply because the Communist Party in Hong Kong is a heavyweight player in shaping our future Ching Cheong Authoritative thoroughly researched and lucidly written Christine Loh's work must be read by everyone who wants to make sense of the Chinese Communist Party's agenda in Hong Kong This book is remarkable for its fair mindedness in evaluating the party's record She provides an absorbing account of its leaders' hard-headed pragmatism in tolerating this outpost of colonial and capitalism during the Cold War and the Cultural Revolution Her analysis of the party's involvement in contemporary Hong Kong is an impressive contribution to our understanding of Beijing's expanding involvement in Hong Kong affairs The author has achieved a notable breakthrough with this fascinating study of a political organisation whose role and influence in Hong Kong have hitherto been shrouded in secrecy Leo Goodstadt **Politics and Change in Singapore and Hong Kong** Stephan

Ortmann, 2009-12-04 This book explains the changing pattern of contentious politics in the democratization process of the two city states Singapore and Hong Kong It explores the causal connections between popular contention and democratization by applying a multi-disciplinary approach using theoretical insights from the political sciences sociology and psychology It argues that the differences in the strategies applied by the ruling elite in the city states explain why members of the opposition were empowered or obstructed in challenging the government Keeping Democracy at Bay Suzanne

Pepper, 2008 This thoroughly researched study provides an invaluable account of Hong Kong's political evolution from its founding as a British colony to the present Exploring the interplay between colonial capitalist communist and democratic forces in shaping Hong Kong's political institutions and culture Suzanne Pepper offers a fresh perspective on the territory's development and a gripping account of the transition from British to Chinese rule The author carries her narrative forward through the lives of significant figures capturing the personalities and issues central to understanding Hong Kong's political history Bringing a balanced view to her often contentious subject she places Hong Kong's current partisan debates between democrats and their opponents within the context of China's ongoing search for a viable political form The book considers Beijing's increasing intervention in local affairs and focuses on the challenge for Hong Kong's democratic reformers in an environment where ultimate political power resides with the communist-led mainland government and its appointees

Prebure Points A Social Critique Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Prebure Points A Social Critique PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Prebure Points A Social Critique PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Prebure Points A Social Critique free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Prebure Points A Social Critique Books

1. Where can I buy Prebure Points A Social Critique books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
