**Frank Leslie's Pleasant Hours** ,1886 **The Western Christian Advocate** ,1897 **Hidden in Plain Sight** Barbara Bennett Woodhouse,2010-01-25 Hidden in Plain Sight tells the tragic untold story of children s rights in America It asks why the United States today alone among nations rejects the most universally embraced human rights document in history the United Nations Convention on the Rights of the Child This book is a call to arms for America to again be a leader in human rights and to join the rest of the civilized world in recognizing that the thirst for justice is not for adults alone Barbara Bennett Woodhouse explores the meaning of children s rights throughout American history interweaving the

childhood stories of iconic figures such as Benjamin Franklin with those of children less known but no less courageous like the heroic youngsters who marched for civil rights How did America become a place where twelve year old Lionel Tate could be sentenced to life in prison without parole for the 1999 death of a young playmate In answering questions like this Woodhouse challenges those who misguidedly believe that America s children already have more rights than they need or that children s rights pose a threat to parental autonomy or family values She reveals why fundamental human rights and principles of dignity equality privacy protection and voice are essential to a child s journey into adulthood and why understanding rights for children leads to a better understanding of human rights for all Compassionate wise and deeply moving *Hidden in Plain Sight* will force an examination of our national resistance and moral responsibility to recognize children s rights Some images inside the book are unavailable due to digital copyright restrictions      *Wesley's Hymns and the Methodist Sunday-school Hymn-book* ,1893
