# Prefaces To Byron

**Thomas R. Whitaker**

## **Prefaces To Byron:**

Prefaces to Byron Leslie A. Marchand, 1980-08-01      **Prefaces to Byron** Leslie A. Marchand, 1978      **A Concordance to the Plays and Prefaces of Bernard Shaw** E. Dean Bevan, 1971      The Prefaces Henry James, 2024-03-28 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied James wrote the eighteen Prefaces included in this volume to accompany the revised selective New York Edition of his novels and tales 1907 9 They are unique and various writings at once a digest of James s critical principles an unsystematic treatise on fiction theory an account of his rereading and revision of his own work an oblique autobiography of the writing life and a public performance of authorial identity This is the first scholarly edition of the Prefaces and includes a detailed contextual introduction a full textual history and extensive explanatory notes It will be of value to researchers scholars and advanced students of Henry James and of 19th and 20th century British and American literature and book history      Parapositions: Prefacing American Literature in Bulgarian Translation 1948-1998 Milena Katsarska, 2021-07-07 This study analyzes the social significance of prefaces with reference to Bulgarian editions of American literature published between 1948 and 1998 Such prefaces present a diverse body of texts in different voices involving numerous actors in the cultural sphere These raise a range of interesting questions How do prefaces in Bulgaria structure American literary and cultural studies What ideological dimensions are found in them through the communist period and immediately afterwards How are questions about race mediated What do they indicate about Bulgaria s relations to the USA the former USSR and other European countries How aware are American Studies scholars of the underlying presumptions of their professional field These and other important questions are carefully considered in this book while exploring a large body of fascinating source material which has received little systematic attention so far

*Cashel Byron's Profession* Bernard Shaw, 1907      **A Preface to Shelley** P. Hodgart, 2014-09-11 This volume discusses the life and work of Percy Bysshe Shelley in the social and political context of the world and time in which he lived

**Mirrors of Our Playing** Thomas R. Whitaker, 1999 Examines the major paradigms that have influenced modern English speaking theater      **Romantic Feuds** Kim Wheatley, 2016-04-08 Romantic writers such as Robert Southey and Samuel Taylor Coleridge aspired to rise above the so called age of personality a new culture of politicized print gossip and personal attacks Nevertheless Southey Coleridge and other Romantic era figures such as Leigh Hunt William Hazlitt Sydney Owenson and the explorer John Ross became enmeshed in lively feuds with the major periodicals of the day the Edinburgh Review and the Quarterly Review Kim Wheatley focuses on feuds from the second and third decades of the nineteenth century suggesting that by this time the vituperative rhetoric of the Edinburgh and the Quarterly had developed into what Coleridge called a habit of malignity Attending to the formal strategies of the reviewers surprisingly creative prose she traces how her chosen feuds take on lives of their own branching off into other print media including the weekly press and monthly magazines

Ultimately Wheatley shows these hostile exchanges incorporated literary genres and Romantic themes such as the idealized poetic self the power of the supernatural and the quest for the sublime By turning episodes of print warfare into stories of transfiguration the feuds thus unexpectedly contributed to the emergence of Romanticism *Light or Darkness? A poem. With remarks on Lord Byron's detractors*, 1870 *Poems [a selection] ed. with a preface on the latest school of English poetry by F.A. Paley* Alfred Thomas T. Verney- Cave (5th baron Bray.), 1881 **The New Statesman**, 1915 Tennyson's Name Anna Barton, 2016-12-05 Seeking to understand Tennyson s poetry as the work of a man concerned with making and then living up to one of the most famous names in Victorian literature Anna Barton offers close readings of Tennyson s major works From his obscure beginning as A T one of two anonymous brothers to the height of his success when he held the impressive title Alfred Lord Tennyson DCL Poet Laureate the development of Tennyson s career took place in a period increasingly aware that a name could command considerable cultural capital In the marketplace goods were sold on the strength of their brand name in the press the battle for signed articles was fought and won and in Victorian drawing rooms young ladies collected the autographs of family and friends and pasted them into scrap books From his early lyrics to his Arthurian Idylls Barton argues the laureate s keen sense of professional identity forced him to grapple with modern concerns about the ethics of print in order to establish his own responsible poetic The Oxford Handbook of British Romantic Prose Robert Morrison, 2024 The Oxford Handbook of British Romantic Prose is a full length essay collection devoted entirely to British Romantic nonfiction prose Organized into eight parts each containing between five and nine chapters arranged alphabetically the Handbook weaves together familiar and unfamiliar texts events and authors and invites readers to draw comparisons reimagine connections and disconnections and confront frequently stark contradictions within British Romantic nonfiction prose but also in its relationship to British Romanticism more generally and to the literary practices and cultural contexts of other periods and countries The Handbook builds on previous scholarship in the field considers emerging trends and evolving methodologies and suggests future areas of study Throughout the emphasis is on lucid expression rather than gnomic declaration and on chapters that offer not a dutiful survey but evaluative assessments that keep an eye on the bigger picture yet also dwell meaningfully on specific paradoxes and the most telling examples Taken as a whole the volume demonstrates the energy originality and diversity at the crux of British Romantic nonfiction prose It vigorously challenges the traditional construction of the British Romantic movement as focused too exclusively on the accomplishments of its poets and it reveals the many ways in which scholars of the period are steadily broadening out and opening up delineations of British Romanticism in order to encompass and thoroughly evaluate the achievements of its nonfiction prose writers **A Preface to Wordsworth** John Purkis, 2014-09-25 Probably the most famous of the Romantic poets William Wordsworth worked with and influenced many of the leading poets of the age This excellent introduction to his life and works sets his writing firmly in the context of his times John Purkis provides an outline of Wordsworth s life and cultural background and their effect on his

work and examines his verse from the earliest school poems to the final years      The Complete Prefaces: 1889-1913 Bernard Shaw, 1993 This is Volume II covering the years 1914-29 of a three part edition which will be the first to bring together all of Shaw's prefaces several hitherto unpublished They are assembled chronologically and are provided with annotation of elusive topical references through the meticulous but judicious editing of Dan H Laurence and Daniel J Leary The prodigious range of subjects children's rights creative evolution capital punishment blood sport the nature of sainthood the Irish question remains as topical as this morning's newspaper columns Shaw's concerns about human possibilities and the greed insularity and blindness that obstruct those possibilities are as applicable today as they were a century ago To H M Tomlinson Shaw possessed a passionate morality that happens to be gifted with the complete control of expression His energetic prose is ardent rhythmic brimming with vitality and bursting with humour Moreover Shaw's voice defies time linked as it is to a tradition extending back to the English translators of the Bible through Dryden and Swift to Dickens while managing to be outrageously idiosyncratic and couched in a diction that uniquely anticipates the evolution of the language itself

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      Oxford University Press Oxford University Press, 1924      An Analysis of William Wordsworth's Preface to The Lyrical Ballads Alex Latter, Rachel Teubner, 2018-05-11 Central to the creative process of the Romantic poets that followed him Wordsworth's Preface to the Lyrical Ballads has been both a gift and a thorn in the side of critics for over a century Readers find themselves drawn back to the essay repeatedly as they seek to untangle the ideas and contradictions within it The Preface is a statement of Wordsworth's poetic vision and offers an explanation of the poetic process behind the poems which fused the rusticity of the ballad form with the psychological introspection of modernity But to the generation of Romantic writers that emerged in its wake the Preface announced a new understanding of the creative process and of the high purposes of poetry to reveal the human condition and to awaken in its readers the profoundest emotions and the most enduring truths of existence

**Poems ... With a preface by ... T. H. Stockton** Mrs. E. H. EVANS, 1851      **Why Milton Matters: A New Preface to His Writings** J. Wittreich, 2015-12-25 Wittreich demonstrates why Milton may prove to be the poet for the new millennium in a book of interest to scholars and general readers It engages the canonical Milton as well as the Milton of popular culture and uses the tools of theory especially affective stylistics and reception history to read Milton in his historical moment and our own
