Norman Karol Gottwald

Prelude To Israel:

Prelude to Israel Dr. Alan R. Taylor, 2017-06-28 First published in 1959 this book by eminent professor of Middle Eastern studies Alan R Taylor traces the Zionist endeavors to establish a Jewish state in Palestine from the founding of the Zionist movement in 1897 to the creation of Israel with special emphasis on the diplomatic methodology involved It deals specifically with the Zionist formulation of particular goals and the implementation of policies designed to achieve these goals *The Politics of Ancient Israel* Norman Karol Gottwald, 2001-01-01 This work offers a reconstruction of the politics of ancient Israel within the wider political environment of the ancient Near East Gottwald begins by questioning the view of some biblical scholars that the primary factor influencing Israel's political evolution was its religion **Prelude to Israel** Alan R. Taylor, 1976 *Philosophy and Practice in Writing a History of Ancient Israel* Megan Bishop Moore, 2009-07-01 An examination of current methodologies for writing Israel's history For the Honor of Our Fatherland Tracey Hayes Norrell, 2017-11-22 *For the Honor of Our Fatherland* German Jews on the Eastern Front during the Great War focuses on the German Jews role in reconstructing Poland's war ravaged countryside The Germany Army assigned rabbis to serve as chaplains in the German Army and to support and minister to their own Jewish soldiers which numbered 100 000 during the First World War However upon the Army's arrival into the decimated region east of Warsaw it became abundantly clear that the rabbis might also help with the poverty stricken Ostjuden by creating relief agencies and rebuilding schools *For the Honor of Our Fatherland* demonstrates that the well being of the Polish Jewish community was a priority to the German High Command and vital to the future of German politics in the region More importantly by stressing the importance of the Jews in the East to Germany's success *For the Honor of Our Fatherland* will show that Germany did not always want to remove the Jews quite the contrary The role and influence of the German Army rabbis and Jewish administrators and soldiers demonstrates that Germany intentionally supported the Polish Jewish communities in order to promote its agenda in the East even as the modes for future influence changed By implementing a philanthropic agenda in the East the Germans recognized that its success might lie in part in enfranchising the Jewish population Moreover the directives of these relief agencies were not only beneficial to the impoverished Jewish communities but the German Army had much to gain from this transnational relationship The tragic irony was that Germany returned to the East in the Second World War and killed millions of Jews The Christian Delusion John W. Loftus, 2010-04-20 In this anthology of recent criticisms aimed at the reasonableness of Christian belief a former evangelical minister and apologist author of the critically acclaimed *Why I Became an Atheist* has assembled fifteen outstanding articles by leading skeptics expanding on themes introduced in his first book Central is a defense of his outsider test of faith arguing that believers should test their faith with the same skeptical standards they use to evaluate the other faiths they reject as if they were outsiders Experts in medicine psychology and anthropology join Loftus to show why when this test is applied to Christianity it becomes very difficult to rationally defend Collectively these articles

reveal that popular Christian beliefs tend to rely on ignorance of the facts Drawing together experts in diverse fields including Hector Avalos Richard Carrier David Eller and Robert Price this book deals a powerful blow against Christian faith

Punishment and Forgiveness in Israel's Migratory Campaign Won W. Lee,2003 Through an exegetical examination of the disparate materials of the book of Numbers 10 11 36 13 dealing with Israel's failure to conquer the Promised Land Lee Old Testament studies Calvin College finds a structural integrity and conceptual coherence to the work that rests on understanding of Go **Second Temple Studies IV** Alice Hunt,2012-08-02 Collection of the papers presented at the 2004 SBL sessions for the section Social Scientific Studies of the Second Temple period *Prelude to Israel* Alan R.

Taylor,1959-01-01 **Coping with War-Induced Stress** Zahava Solomon,2013-11-11 In the wake of an earlier book Solomon 1993 this new work Coping with War Induced Stress The Gulf War and the Israeli Response promises to make Zahava Solomon a modern maven with respect to the psychological effects of war Dr Solomon is a high ranking officer serving as a psychiatric epidemiologist in the Mental Health Department of the Israeli Defense Forces Medical Corps She also teaches at Tel Aviv University The earlier book dealt with the reactions of the Israeli Defense Forces to the 1982 war in Lebanon which divided the population of Israel concerning its wisdom and justification The new book deals with the emotional consequences of the United Nations effort against Iraq after its invasion of Kuwait Because Israel agreed not to participate actively so as not to endanger the fragile Arab coalition against Iraq it was in a sense a nonwar as Solomon refers to it yet with many features of a war Although they had quite limited casualties largely in the Tel Aviv area the Israelis faced the actuality of damaging Scud missile attacks and the threat that these missiles could not only be targeted to much of Israel but also carry poison gas to other Israeli cities Solomon has written a fascinating book about this crisis in Israeli life

Genesis, A Royal Epic Loren R. Fisher,2011-08-12 Genesis was a political document of the state and its major function was to exalt David and his monarchy not only with his own people but also among the other states of that world The scribes of the monarchy used many sources for this work and certainly the literary criticism of the past has helped us to isolate many of these sources However the view presented here is quite different from the older criticism in that the sources that were used in this work must date from before the exile This is obvious if the sources were used by the scribes of the Davidic monarchy None of this can be said with dogmatic zest but we can at this point discuss some reasons why it seems possible to see Genesis in this way from the Introduction Christ and Adam Karl Barth,2004-04-02 In this essay Barth discusses the relationship between Christ and Adam as understood by Paul Moving beyond traditional exegetical and theological scholarship done on Romans 5 Barth offers an entirely new interpretation of the conception of humanity presented in Paul's view of the Christ Adam relationship A valid contribution to the interpretation of Romans 5 Christ and Adam is also an example of Barth's exegetical method and provides insight into his broader theological project

American Christian Support for Israel Eric R. Crouse, 2014-10-28 The dominant political theme of the State of Israel is the perpetual quest for security In its first 25 years Israel experienced five wars with Arab states declaring their goal to destroy Israel In *American Christian Support for Israel Standing with the Chosen People 1948-1975* Eric R. Crouse examines how American Christians responded to Israel's wars and the persistent threats to its security While some were quick to condemn Israel as it made difficult and unpopular decisions in its fight for survival in a hostile region conservative Christians were trustworthy supporters routinely voicing uplifting reports Crouse argues that Israel's embodiment of western ideals and its remarkable economic development gave conservative Christians good reasons to favor Israel in a troubled Middle East but the main reason for their unconditional support was the key biblical text of Christian Zionism I will bless those who bless you Abraham and his descendants and I will curse him who curses you Genesis 12:3
