C. Pippy, 2011-12-27 This in depth treatise presents conclusive evidence for an extremely close relationship between ancient Egyptian religious beliefs and the Book of Revelation Practically all characters scenes and series of scenes found in Revelation have parallels in mainstream Egyptian sources including the Book of the Dead the Amduat Book of Gates Book of Aker Books of the Heavens and others Parallel characters include Egypt's Apophis as Revelation's Satan while situations and activities in scenes include the judgment scene and singers by a lake of fire Parallel sequences of scenes include those found in the 2nd to 12th Divisions of the Book of Gates and most of Revelation's Chapters 15-21 Allusions to the Book of Dead are common Finally a key conclusion the entire structure of the Book of Revelation can be accounted for in the organization of text and paintings on the walls and ceilings of the tomb of Ramesses VI in Egypt's Valley of the Kings Fully referenced to enable critical review See revorigin.com The ARVN and the Fight for South Vietnam Nghia M. Vo, 2021-09-09 With the withdrawal of French forces from South Vietnam in 1955 the U S took an ever widening role in defending the country against invasion by North Vietnam By 1965 the U S had Americanized the war relegating the Army of the Republic of Vietnam ARVN to a supporting role While the U S won many tactical victories it had difficulty controlling the territory it fought for As the war grew increasingly unpopular with the American public the North Vietnamese launched two large scale invasions in 1968 and 1972 both tactical defeats but strategic victories for the North that precipitated the U S policy of Vietnamization the drawdown of American forces that left the ARVN to fight alone This book examines the maturation of the ARVN and the major battles it fought from 1963 to its demise in 1975 Despite its flaws the ARVN was a well organized and disciplined force with an independent spirit and contributed enormously to the war effort Had the U S Vietnamized the war earlier it might have been won in 1967 1968 **One Killer Force** Dalton Fury, 2015-10-20 Still recovering from his near fatal wounds suffered at the Yellow Creek Nuclear Plant Delta Force Commander Major Kolt Racer Raynor is thrust into a new battle with

some of the toughest killers he's ever faced US Navy SEALs Government austerity measures have the Joint Chiefs of Staff contemplating the unthinkable combining Delta Force and the SEALs into a single unit One Killer Force In this installment of Dalton Fury's Delta Force series Kolt's career is in jeopardy and worst of all the final say rests in the hands of men who have reasons to want to see Kolt gone Recovered from her own wounds Cindy Hawk Bird is closing in on becoming the first official female operator in the history of the US military She only has to survive an insertion into the most repressive regime on earth Meanwhile a new terrorist threat looms on the horizon in the form of not one but possibly two mushroom clouds Kolt earns his call sign as the action has him racing to the world's hottest combat zones from Syria to Ukraine on hunter-killer missions to eliminate the terrorists before they can enact their deadly mission Half a world away a spy deep in the secretive North Korean regime sends a desperate call for help A new danger to world peace and security is growing in the heart of the increasingly unstable Communist country and no amount of sanctions or political negotiations are going to stop it Violently applied force is needed and needed now before it's too late

Vietnam's High Ground J. P. Harris, 2016-09-12 During its struggle for survival from 1954 to 1975 the region known as the Central Highlands was the strategically vital high ground for the South Vietnamese state Successive South Vietnamese governments their American allies and their Communist enemies all realized early on the fundamental importance of this region Paul Harris's new book based on research in American archives and the use of Vietnamese Communist literature on a very large scale examines the struggle for this region from the mid 1950s tracing its evolution from subversion through insurgency and counterinsurgency to the bigger battles of 1965 The rugged mountains high plateaus and dense jungles of the Central Highlands seemed as forbidding to most Vietnamese as it did to most Americans During 1954 to 1965 the great majority of its inhabitants were not ethnic Vietnamese Ngo Dinh Diem's regime initially supported an American counterinsurgency alliance with the Highlanders only to turn dramatically against it As the war progressed however the Central Highlands became increasingly important It was the area through which most branches of the Ho Chi Minh Trail passed With its rugged jungle clad terrain it also seemed to the North Vietnamese the best place to destroy the elite of South Vietnam's armed forces and to fight initial battles with the Americans For many North Vietnamese however the Central Highlands became a living hell of starvation and disease Even before the arrival of the American 1st Cavalry Division the Communists were generally unable to win the decisive victories they sought in this region Harris's study culminates with an account of the campaign in Pleiku province in October to November a campaign that led to dramatic clashes between the Americans and the North Vietnamese in the Ia Drang valley Harris's analysis overturns many of the accepted accounts about NVA US and ARVN performances

The Vietnam War John Stewart Bowman, 1985 A chronological arrangement of the conflict beginning with prehistory to the present Includes sixty brief biographies of major political and military figures

River Warfare in Vietnam Robin L. Rielly, 2024-02-19 America's entrance into the wars in Vietnam came as a result of several factors Among them was the necessity of bolstering French influence in the area in the

face of mounting communist expansion This expansion was intensified by the outbreak of the Korean War making it necessary for the United States to revamp its Southeast Asian policy During the French era control of Vietnam's rivers streams and canals became necessary This led various factions to develop specialized military units heavily dependent on new types of river craft that could traverse the myriad waterways in Vietnam The focal point of this study is a new assessment of the conduct of river warfare Drawing on little known French Vietnamese and American sources and materials it sheds light on an important aspect of the Vietnam War Chapters also detail numerous aspects of river warfare not generally covered in other books on the subject

A Traditionalist History of the Great War, Book III Alexander Wolfheze, 2025-03-13 This third volume of the series A Traditionalist History of the Great War provides an in depth reassessment of the events leading up to the outbreak of the First World War It views the systemic failure of Great Power diplomacy as the result of an increasing existential incompatibility and growing power imbalance between the Modernity aligned Triple Entente and the Tradition aligned Germanic empires The final breakdown of international diplomacy in 1914 was preceded by major crises and peripheral wars that shaped not only the alignment of the Great Powers but also the mindset of their leaders who found themselves facing historical forces beyond their control This book reconstructs the crises and wars of the pre war years as well as the military calculations of July 1914 showing how they are consistent with an overall geopolitical trajectory that inexorably led to the final show down between the forces of rising Modernity and waning Tradition

The Lost Mandate of Heaven Geoffrey D. T. Shaw, 2015-10-19 Ngo Dinh Diem the first president of the Republic of Vietnam possessed the Confucian Mandate of Heaven a moral and political authority that was widely recognized by all Vietnamese This devout Roman Catholic leader never lost this mandate in the eyes of his people rather he was taken down by a military coup sponsored by the U S government which resulted in his brutal murder The commonly held view runs contrary to the above assertion by military historian Geoffrey Shaw According to many American historians President Diem was a corrupt leader whose tyrannical actions lost him the loyalty of his people and the possibility of a military victory over the North Vietnamese The Kennedy Administration they argue had to withdraw its support of Diem Based on his research of original sources including declassified documents of the U S government Shaw chronicles the Kennedy administration's betrayal of this ally which proved to be not only a moral failure but also a political disaster that led America into a protracted and costly war Along the way Shaw reveals a President Diem very different from the despot portrayed by the press during its coverage of Vietnam From eyewitness accounts of military intelligence and diplomatic sources Shaw draws the portrait of a man with rare integrity a patriot who strove to free his country from Western colonialism while protecting it from Communism A candid account of the killing of Ngo Dinh Diem the reasons for it who was responsible why it happened and the disastrous results Particularly agonizing for Americans who read this clearly stated and tightly argued book is the fact that the final Vietnam defeat was not really on battle grounds but on political and moral grounds The Vietnam War need not

have been lost Overwhelming evidence supports it From the Foreword by James V Schall S J Professor Emeritus Georgetown University Did I find a veritable Conradian Heart of Darkness Yes I did but it was not in the quarter to which all popular American sources were pointing their accusatory fingers in other words not in Saigon but paradoxically within the Department of State back in Washington D C and within President Kennedy s closest White House advisory circle The actions of these men led to Diem s murder And with his death nine and a half years of careful work and partnership between the United States and South Vietnam was undone Geoffrey Shaw from the Preface *Dangerous Spaces* D. Marvin Jones,2016-10-24 An eye opening unapologetic explanation of what racial profiling is in modern day America systematic targeting of communities and placing of suspicion on populations on the basis of not only ethnicity but also certain places that are linked to the social identity of that group In 21st century post civil rights era America race has become complex and intersectional It is no longer simply a matter of color black versus white contends author D Marvin Jones but equally a matter of space or geographies of fear which he defines as spaces in which different groups are particularly vulnerable to stereotyping by law enforcement blacks in the urban ghetto Mexicans at the functional equivalent of the border Arabs at the airport *Dangerous Spaces* Beyond the Racial Profile demonstrates how society has constructed a set of threat narratives in which certain widespread problems immigration drugs gangs and terrorism for example have been racialized and explains the historical and social origins of these racializing threat narratives The book identifies how these narratives have led directly to relentless profiling that results in arrest deportation massive surveillance or even death for members of suspect populations Readers will come to understand how the problem of profiling is not merely a problem of institutional bias and individual decision making but also a deeply rooted cultural issue stemming from the processes of meaning making and identity construction **To Dare and to Conquer** Derek Leebaert,2009-05-30 In the tradition of *Guns Germs and Steel* Leebaert tells the stories of small forces that have triumphed over vastly larger ones and changed the course of history from the Trojan Horse to Al Qaeda Maps and charts [The Korean War](#) Paul M. Describes America s air sovereignty mission in the wake of the terrorist attacks of September 11 2001 **Cauldron of Resistance** Jessica M. Chapman,2013-02-19 In 1955 Ngo Dinh Diem organized an election to depose chief of state Bao Dai after which he proclaimed himself the first president of the newly created Republic of Vietnam The United States sanctioned the results of this election which was widely condemned as fraudulent and provided substantial economic aid and advice to the RVN Because of this Diem is often viewed as a mere puppet of the United States in service of its Cold War geopolitical strategy That narrative Jessica M Chapman contends in *Cauldron of Resistance* grossly oversimplifies the complexity of South Vietnam s domestic politics and indeed Diem s own political savvy Based on extensive work in Vietnamese French and American archives Chapman offers a detailed account of three crucial years 1953 1956 during which a new Vietnamese political order was established in the south It is in large part a history of Diem s political ascent as he managed to subdue the former Emperor Bao Dai the armed Hoa Hao and Cao Dai religious organizations and the Binh Xuyen crime organization It is also an unparalleled account of these same outcast political powers forces that would reemerge as destabilizing political and military actors in the late 1950s and early 1960s Chapman shows Diem to be an engaged leader whose personalist ideology influenced his vision for the new South Vietnamese state but also shaped the policies that would spell his demise Washington s support for Diem because of his staunch anticommunism encouraged him to employ oppressive measures to suppress dissent thereby contributing to the alienation of his constituency and helped inspire the organized opposition to his government that would emerge by the late 1950s and eventually lead to the Vietnam War **Cumulated Fiction Index 1945-1960 (Fiction Index Three)** ,1960 **The Journal of Military History** ,2003
