Dmitri Shostakovich, Pianist Sofia Moshevich, 2004

Dmitri Shostakovich 1906-1975 is recognized as one of the greatest composers of the twentieth century yet few people know that he was also an outstanding concert pianist who maintained a hectic performing schedule. In *Dmitri Shostakovich Pianist* Sofia Moshevich offers the first detailed examination of Shostakovich the pianist within the context of his life and work as a composer. She traces his musical roots, piano studies repertoire and concert career through his correspondence with family and friends and his own and his contemporaries' memoirs using material never before available in English. This biographical narrative is interwoven with analyses of Shostakovich's piano and chamber works demonstrating how he interpreted his own music. For the first time Shostakovich's own recordings are used as primary sources to discover what made his playing unique and to dispel commonly held myths about his style of interpretation. His recorded performances are analysed in detail, specifically his tempos, phrasing, dynamics, pedal and tonal production. Some unpublished variants of musical texts are included and examples of his interpretations are provided and compared to various editions of his published scores
