Presenting Judy Blume:

Presenting Judy Blume Maryann N. Weidt,1991-09 Surveys the life and works of the popular novelist **Presenting Judy Blume** , Judy Blume Jen Jones Donatelli,2007-01-01 A biography of author Judy Blume Provided by publisher

Judy Blume Elisa Ludwig,Dennis Abrams,Elisa Ludwig and Dennis Abrams,Kyle Zimmer,2014-05-14 Judy Blume is one of Americas most popular authors of books for teens and adults Fans of her work may not be aware however that this successful author was a wife and a mother before she tested her writing abilities Blumes perseverance eventually landed this keenly observant author a publishing contract Readers have laughed at the adventures of Peter Hatcher and his brother Fudge in Blumes Tales of a Fourth Grade Nothing and preteen readers found the trials and tribulations of puberty eased by reading Are You There God Its Me Margaret or Then Again Maybe I Wont Blumes characters convey how it truly feels to be a teenager facing doubts fears and anxiety about life This new edition brings readers up to date on this active author The Genius of Judy Rachelle Bergstein,2025-05-06 NATIONAL BESTSELLER This lively and important portrait of a true literary revolutionary Los Angeles Times explores Judy Blume s life work and cultural impact focusing on her most iconic and controversial young adult novels from Are You There God It s Me Margaret to Blubber Everyone knows Judy Blume Her books have garnered her fans of all ages for decades and sold tens of millions of copies But why were people so drawn to them And why are we still talking about them now in the 21st century In The Genius of Judy her remarkable story is revealed as never before beginning with her as a mother of two searching for purpose in 1960s suburban New Jersey The books she wrote starred regular children with genuine thoughts and problems But behind those deceptively simple tales Blume explored the pillars of the growing women s rights movement in which girls and women were entitled to careers bodily autonomy fulfilling relationships and even sexual pleasure Blume wasn t trying to be a revolutionary she just wanted to tell honest stories but in doing so she created a cohesive culture altering vision of modern adolescence Blume s bravery provoked backlash making her the country s most banned author in the mid 1980s Thankfully her works withstood those culture wars and it s no coincidence that Blume has resurfaced as a cultural touchstone now Young girls are still cat called sex education curricula are getting dismissed as pornography and entire shelves of libraries are being banned As we face these challenges it s only natural we look to Blume the grand dame of so called dirty books This is the ground breaking BookPage story of how a housewife became an artist and how generations of empowered fans are her legacy today more than ever **Women Who Broke the Rules: Judy Blume** Kathleen Krull,2015-06-09 A new biography series complete with full color illustrations that celebrates amazing women from acclaimed author Kathleen Krull Who Is Judy Blume? Kirsten Anderson,Who HQ,2018-10-02 Learn how Judy Blume went from a stay at home mother to one of the most beloved American authors of the twentieth century Readers adore Judy Blume for her personal stories about the journey from childhood to adolescence She has always been an imaginative person and an avid reader As a child Judy spent time looking through library shelves for the

perfect books and if she couldn't find the right ones she entertained herself by making up stories in her head. When she got older, Judy started writing her stories down. Although readers fell in love with characters like Margaret Simon and Fudge Hatcher, some parents challenged some of her titles, including *Are You There God? It's Me, Margaret*, for discussing sensitive issues. Despite all the controversy, this award-winning author and her books have remained popular among fans both old and new.

The Genius of Judy Rachelle Bergstein, 2024-07-16. An intimate and expansive look at Judy Blume's life, work, and cultural impact, focusing on her most iconic and controversial young adult novels from *Are You There God? It's Me, Margaret* to *Blubber*. Everyone knows Judy Blume. Her books have garnered her fans of all ages for decades and sold tens of millions of copies. But why were people so drawn to them? And why are we still talking about them now in the 21st century? In *The Genius of Judy*, her remarkable story is revealed as never before, beginning with her as a mother of two searching for purpose outside of her home in 1960s suburban New Jersey. The books she wrote starred regular children with genuine thoughts and problems. But behind those deceptively simple tales, Blume explored the pillars of the growing women's rights movement in which girls and women were entitled to careers, bodily autonomy, fulfilling relationships, and even sexual pleasure. Blume wasn't trying to be a revolutionary; she just wanted to tell honest stories. But in doing so, she created a cohesive culture altering the vision of modern adolescence. Blume's bravery provoked backlash, making her the country's most banned author in the mid-1980s. Thankfully, her works withstood those culture wars, and it's no coincidence that Blume has resurfaced as a cultural touchstone now. Young girls are still called cat, sex education curricula are getting dismissed as pornography, and entire shelves of libraries are being banned. As we face these challenges, it's only natural we look to Blume, the grand dame of so-called dirty books. This is the story of how a housewife became a groundbreaking artist and how generations of empowered fans are her legacy today more than ever.

Contemporary American Women Fiction Writers Laurie Champion, Rhonda Austin, 2002-11-30. American women writers have long been creating an extraordinarily diverse and vital body of fiction, particularly in the decades since World War II. Recent authors have benefited from the struggles of their predecessors who broke through barriers that denied women opportunities for self-expression. This reference highlights American women writers who continue to build upon the formerly male-dominated canon. Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II. Each entry is written by an expert contributor and includes a DBLA brief biography, a DBLA discussion of major works and themes, a DBLA survey of the writer's critical reception, and a DBLA bibliography of primary and secondary sources.

The Guide to United States Popular Culture Ray Broadus Browne, Pat Browne, 2001. To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it, however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited *Guide to the United States Popular Culture* provides a single-volume guide to the landscape of everyday life in the United States. Scholars, students, and researchers will find in it a valuable tool.

with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index

Learning Curves Beth Younger, 2009-07-09 Adolescence is a time of growth change and confusion for young women During this transition from childhood to adulthood sex and gender roles become more important Meanwhile depictions of females_ from the hyper sexualized girls of music videos to the chaste repression of Purity Balls_ send mixed messages to young women about their bodies and their sexuality Over the last several decades authors of young adult novels have been challenged to reflect this concern in their work and have responded with varying degrees of success In *Learning Curves* Body Image and Female Sexuality in Young Adult Literature Beth Younger examines how cultural assumptions and social constraints are reinforced and complicated through common representations of young women Each chapter analyzes a recurrent theme in the history of young adult literature including issues of body image pregnancy abortion lesbianism and romance By examining selected novels for their sexual content situating them within their social and historical context and analyzing their discursive qualities the author reveals the multitude of complex ways that society depicts teenagers and their sexualities and offers a critique of patriarchal culture that gives value to the female experience

Teaching With Author Web Sites, K-8 Rose Cherie Reissman, Mark Gura, 2009-11-13 As a folklorist writer and teacher of writing I know firsthand how interactive author Web sites make it possible for students to talk meet and exchange ideas with extraordinary writers Reissman and Gura have devised a brilliant strategy for utilizing the World Wide Web in the service of literacy This book offers a wide range of opportunities for teachers and students to use these free resources to foster literacy and learning in the classroom Steve Zeitlin Director City Lore Foster students literacy and learning in the digital age through the engaging world of author Web sites Using the Internet as an instructional tool can be daunting but this innovative guide demonstrates how very easily and effectively author Web sites can be integrated into any classroom as a free and accessible resource for instruction thus fulfilling the mandate for using technology in teaching and learning Rose Cherie Reissman and Mark Gura

show teachers how to make the most of author Web sites from such favorite authors as Jean Craighead George Judy Blume and Eric Carle to deepen students engagement with reading and invite students into a fascinating literary community The authors offer a rich trove of resources for teachers to explore Activities that encourage and energize reluctant learners to participate in class discussions Strategies to promote literacy learning including nonfiction reading narrative writing visual literacy and much more Suggestions for using Web sites as a learning tool in math science and social studies Simple instructions on how students can create their own author focused Web sites No matter what your level of technological expertise this book provides the guidance needed to use author Web sites to encourage students lifelong literacy

Thematic Guide to Young Adult Literature Alice L. Trupe, 2006-05-30 Contemporary young adult literature is a relatively new genre This guide provides an overview of the burgeoning field focusing primarily on fiction Each of the 32 chapters is devoted to a theme of special significance to young adults and provides brief critical discussions of several related literary works Chapters close with lists of fiction for further reading An appendix groups works according to additional themes and a selected bibliography cites relevant critical studies

Second-Generation Memory and Contemporary Children's Literature Anastasia Ulanowicz, 2013-09-02 Winner of the Children's Literature Association Book Award This book visits a range of textual forms including diary novel and picturebook to explore the relationship between second generation memory and contemporary children's literature Ulanowicz argues that second generation memory informed by intimate family relationships textual mediation and technology is characterized by vicarious rather than direct experience of the past As such children's literature is particularly well suited to the representation of second generation memory insofar as children's fiction is particularly invested in the transmission and reproduction of cultural memory and its form promotes the formation of various complex intergenerational relationships Further children's books that depict second generation memory have the potential to challenge conventional Western notions of selfhood and ethics This study shows how novels such as Lois Lowry's *The Giver* 1993 and Judy Blume's *Starring Sally J. Freedman as Herself* 1977 both of which feature protagonists who adapt their elders' memories into their own mnemonic repertoires implicitly reject Cartesian notions of the unified subject in favor of a view of identity as always already social relational and dynamic in character This book not only questions how and why second generation memory is represented in books for young people but whether such representations of memory might be considered radical or conservative Together these analyses address a topic that has not been explored fully within the fields of children's literature trauma and memory studies and Holocaust studies

Sexual Content in Young Adult Literature Bryan Gillis, Joanna Simpson, 2015-02-10 Though discussing sexual material in novels aimed at the young adult market may make some individuals blush the authors of such fiction often seek to represent a very real component in the lives of many teens Unfortunately authentic and teen relatable information on healthy adolescent sexuality is not readily available and sex education classes have had a minimal effect on positive sexual identity development Consequently young adult literature that

contains sexual elements can play a critical role in addressing the questions and concerns of teens In *Sexual Content in Young Adult Fiction* Reading between the Sheets Bryan Gillis and Joanna Simpson examine sexual material in canonical historical dystopian romantic and realistic contemporary fiction for teens The authors begin with an exploration of sexual identity development and discuss the constructive influence that realistic representations of teen sexual behavior can have on that development The authors provide a myriad of texts and examples that will help parents teachers and librarians better understand the positive role that sexual content in YA fiction can play in the socio emotional and academic development of adolescents The book concludes with an overview and analysis of censorship in the world of young adult fiction In addition to providing a survey of sexual content in young adult literature this book can help inspire adults to facilitate effective and responsible discussions about young adult fiction that contains sexual material Featuring a novels cited and works cited bibliography *Sexual Content in Young Adult Fiction* is an important resource that parents and educators will find particularly valuable

Comics to Classics Arthea J. S. Reed,1994-10-01 For each developmental stage between the ages of 10 and 18 educator Arthea J S Reed provides lists of books organized by genre and carefully selected for teen appeal In addition to a detailed bibliography Reed focuses on the particular challenges for each age group and highlights strategies for parents to persuade their children to read This guide will help parents and teachers choose the right books for every reading level and interest

Campbell's Scoop Patty Campbell,2010-02-19 At the request of her many fans Patty Campbell editor of the Scarecrow Studies in Young Adult Literature series has selected some of her best essays articles columns and speeches in Campbell s Scoop These pieces define the boundaries between children s and adult literature and review the trends censorship problems and glories of the genre Other essays reflect on some concerns and interests of young adult literature as it has matured the verse novel ambivalent endings violence the sometimes dubious value of awards and honor lists the graphic novel and the difficulties of the genre s recent overwhelming success A section titled Inside ALA looks at the author s many years of service to that organization with among other pieces a firsthand look at the Best Books committee at work and a report of her attempt to unite booksellers and librarians in common cause Many of these selections show the idiosyncratic wit and passion that have made Campbell s column a favorite with Horn Book readers an exploration of the meaning of the glut of YA novels with death as a theme or character an indignant denunciation of the fictional abuse of animals a snarky analysis of chick lit and a technical review from the belly dancing critic of a YA novel featuring that ancient art On a more serious note Campbell pleads for what she calls Godsearch in books for teens and pays tribute to her late friend Robert Cormier Without question the essays in Campbell s Scoop provide readers with the unique insights of an advocate who is passionate about young adult literature and its future
