one of the luminaries of the French court though there was a dark side to her rise to power and popularity when she became embroiled in love affairs with her brother in law Louis and her husband's former lover the dashing Comte de Guiche giving rise to several scandals and rumors about the true parentage of her three children However Henrietta Anne was much more than just a mere court butterfly She also possessed considerable intelligence wit and political acumen which led to her being entrusted in 1670 with the delicate negotiations for a secret treaty between her brother Charles II and cousin Louis XIV which ensured England's support of France in their war against the Dutch This is the story of her remarkable life *The Real Queen Of France* Lisa Hilton,2010-12-02 The resplendent sex symbol of the splendid century The reign of Athenais de Montespan as principal mistress of Louis XIV corresponds with the most glorious period of the Grand Siecle Athenais was the true Queen of France symbol of a dazzling French culture in the seventeenth century As a lover she risked the disgrace of double adultery to conduct an affair which scandalized Europe as a patron she supported many of the leaders of the cultural renaissance including Moliere and Racine as a mother she is the ancestor of most of the royal houses of Europe The greatest beauty of her day Athenais lived her life publicly and sensationally until accusations of witchcraft forced her from power in the Affair of the Poisons a mystery which remains unsolved She fascinates not only because she achieved power at a time when it was denied to most women but because she achieved that power through her manipulation of a prescribed role
