Real World Christians Being Yourself Belonging To God By:

Our Real Life in Christ M. Alberto Zelaya Aragon, 2013-11-21 Its essential to uncover the current malady affecting the organized Christian Church today not its structuring and not necessarily its organizational approach but present to it His solution which has never been hidden or even veiled in His Word which is that we must return to the true roots of Christianity which is founded on the individual discipleship of each member of His body just as Jesus designed it and modeled it for us while He ministered on this earth It passed the acid test of resiliency when it was mercilessly persecuted as its disciples applied the principles as instituted and instructed by our Lord for all of us to display and to do I encourage anyone to do a Bible search for the word disciple and believer and see firsthand that these words are not interchangeable or used in the same context when referring to a specific person whos known to be committed to our Lord versus referring to a generalization in the third person to someone or a group whos aware about the existence of the real living God Gods remedy its still available today to anyone who truly desires to attain it and can decipher that its only through discipleship that a true believer is infected with the enthusiasm zeal and eagerness in the commitment to fulfill John 8 31 and Matthew 28 19 reaching to those around them who thirst and hunger for the things of God and in that process experience the life He promises we can live now Its time to abandon once and for all the current practices of mass producing supporters and inscribe it into our minds that the Great Commission was not to make believers but to make disciples The early church didn't churn out cheerleaders and advocates but bona fide disciples taught and equipped according to Ephesians 6 10-17 who then as members of the body of Christ led by example transforming them into a formidable most powerful and effective force the Roman Empire had ever seen Again I want to reiterate that I am not against the church as organized by the apostles but want to revolutionize it where discipleship is the top priority and purpose for its existence I am critical of the current organized version that has taken the place of the real church that nowadays is wasting vast resources and investing them in huge entertainment amphitheaters and often dilute distort and obscure the true message and method to attain this new life established by our Lord Unless this change happens we cant truly reach and change a lost world Our Real Life in Christ seeks to help those who are experiencing that gnawing sensation that there is much more to Gods Word than what is being offered by those weekly sermons in churches today

A Real-Life Christian Spiritual Journey Richard Ferguson, 2011-09-20 Richard Ferguson grew up a rough kid in a rough neighborhood and yet he went on to become a Reiki master with a pilots license and two masters degrees How did he rise above his early circumstances It started with a godly epiphany high in the sky above the Pacific Ocean Since then he has been a spiritual seeker and as the good book says those who seek will ultimately find Follow his riotous path in *A Real Life Christian Spiritual Journey* Fergusons Christian transformation was not immediate Once upon a time he hated everything to do with religion Part I uses Fergusons life journey as a template for the paths of all human life We all go through stages and each stage equates to who we ultimately

will be and what we will believe in Part II traces the unity of our stages in the earthly realm Part III sets foot into the great beyond Ferguson lost his wife to death but he has come to realize that death is not an ending it is a graduation to a higher more joyful existence in eternity With the guidance of psychologists Erik Erikson and James Fowler as well as spiritual greats St Paul and the Buddha Ferguson looks back on a life well lived proving that when you seek first a higher power all knowledge will be given to you The Gift of Being Yourself David G.
