## **Real Ronald Reagan A True Humanitarian:**

**The Real Ronald Reagan** Mary Joan Roll-Sieffert, 2003-01 This book is not an exhaustive biographical work on the life of Ronald Reagan. It is however a unique look at his life from the perspective of a loyal devotee. Joan Roll Sieffert, the author, was the president of the Pittsburgh chapter of the Ronald Reagan Fan Club. In that role, she stayed in touch with him from the days he was an aspiring young actor throughout his presidency and beyond, an involvement that spans more than five decades. Joan shares with us in this book her memories of this remarkable man she idolized. You will find in the pages that follow a treasure trove of photos and fan club memorabilia sure to be coveted by Reagan movie buffs. You will catch an insider's glimpse of the mind and manner of this American hero in his correspondence with Joan. Joan also unabashedly shares her personal viewpoints regarding the historical humanitarian and spiritual significance of Ronald Reagan's life and presidency. This all adds up to an engaging read with a unique historical bent. Think of this book as a loving testament to an icon. Lou Hancherick, Editor, Harmony Magazine

**Reagan** Ronald Reagan, 2004-10-06 Ronald Reagan was a prolific letter writer his entire life and his letters reveal a hidden life as a writer of power, grace, and astonishing productivity. They also reveal a man who treasured his friends, took his critics head-on, and loved his family deeply. Now in what may be the most important collection of Reagan's writings yet, the editors draw from exclusive access to Reagan's complete collection of letters numbering in the tens of thousands to show that he was one of the last century's greatest correspondents as well. From his youthful days of financial struggle through the Hollywood years, his two terms as California governor, and to the extraordinary two-term presidency, Reagan never stopped writing friends, family, supporters, and even opponents. This definitive collection is skilfully edited and annotated by Kiron K. Skinner, Annelise Anderson, and Martin Anderson, and it will be a must-read for anyone interested in America's 40th president and the times in which he lived. Reagan, Ronald, 1982-01-01 Public Papers of the Presidents of the United States Ronald Reagan's Wisdom for the Twenty Charlotte Livingston, 2012-05-16 Understand the wisdom of the Great Communicator. This collection of quotes from Ronald Reagan's most notable speeches is divided into topics such as God, the economy, pop culture, and politics. Author commentary draws similarities between 1981 and the twenty-first century, giving today's reader an understanding of Reagan's wit and intellect. Ronald Reagan United States. President (1981-1989 : Reagan), United States. President (1981-1989 : Reagan), 1982 *Beyond the Power of Now* L. Ron Gardner, 2012-09 Eckhart Tolle is perhaps the most popular spiritual guru in the world. His books have topped the New York Times Bestseller List, and his core teaching, achievement of liberation via the power of Now, has become the guiding light of the New Age movement. But according to L. Ron Gardner, author of *Beyond the Power of Now*, there is a problem, a big problem with Tolle's core teaching. Tolle never explains what exactly the power of Now is. Is it the same thing as Hindu Shakti or the Buddhist Sambhogakaya or the Christian Holy Spirit? Tolle doesn't say. He continually refers to the Bible and Jesus in his book, but

shockingly never once mentions the Holy Spirit and how it relates to the Power of Now L Ron makes it clear that the true Power of Now is the Holy Spirit which is the same divine Light energy as Hindu Shakti and the Buddhist Sambhogakaya He explains and extolls the true power of Now and castigates Tolle for failing to identify and describe it To some Eckhart Tolle is a New Age visionary describing a new earth that can materialize if mankind en masse awakens to the power of Now But according to L Ron Gardner he is simply a histrionic ranter full of empty rhetoric Throughout this book L Ron continually points out from different angles the folly of Tolle s New or Now Age chimera and describes the social system that represents mankind s sociopolitical salvation Beyond Tolle s teaching about the power of Now and rhetoric about a new earth L Ron takes the renowned guru to task on virtually every subject he addresses Most significantly he rebuts his arguments that 1 emotions can be trusted more than thought 2 time is a mind created illusion 3 psychological time is insanity 4 the present moment is the Now 5 the inner body is the direct link to the Now 6 your cells stop aging when you live in the Now 7 women are spiritually more evolved than men and 8 animals such as ducks and cats are Zen masters Eckhart Tolle s teachings are replete with erroneous ideas and L Ron Gardner exposes the major flaws in his principal arguments while providing readers with integral solutions

**Dear Mr. President** Beverly Cardozo,2010-06-16 The Bush administration left this country in a state of economic recession and a grim tour of American History The American people are struggling to survive by reinventing ourselves through a sweeping historical event Barack Obama is trying to restore America by promising change to make America regain its dignity by bailing out huge corporations and financial institutions with his stimulus plans Dear Mr President a letter written in form of a book addressing president Obama of his uncertainty leadership and what he is trying to achieve for the American people This book is based solely on my beliefs opinions and how Americans have fallen along the wayside We need to take back America because we have the power Obama needs to restore our faith and trust in the government again and that is no easy task because politicians have to be willing to say things that have true meaning This is a much bigger plan that you bargained for and I hope America will be strong again To do this we must be a community willing to look out for each other helping those that are down and giving a pathway to success Public Papers of the

**In This Land of Plenty** Benjamin Talton,2019-07-26 On August 7 1989 Congressman Mickey Leland departed on a flight from Addis Ababa with his thirteen member delegation of Ethiopian and American relief workers and policy analysts bound for Ethiopia s border with Sudan This was Leland s seventh official humanitarian mission in his nearly decade long drive to transform U S policies toward Africa to conform to his black internationalist vision of global cooperation antiracism and freedom from hunger Leland s flight never arrived at its destination The plane crashed with no survivors When Leland embarked on that delegation he was a forty four year old deeply charismatic fiercely compassionate black radical American He was also an elected Democratic representative of Houston s largely African American and Latino

Eighteenth Congressional District Above all he was a self proclaimed citizen of humanity Throughout the 1980s Leland and a small group of former radical activist African American colleagues inside and outside Congress exerted outsized influence to elevate Africa s significance in American foreign affairs and to move the United States from its Cold War orientation toward a foreign policy devoted to humanitarianism antiracism and moral leadership Their internationalism defined a new era of black political engagement with Africa In *This Land of Plenty* presents Leland as the embodiment of larger currents in African American politics at the end of the twentieth century But a sober look at his aspirations shows the successes and shortcomings of domestic radicalism and aspirations of politically neutral humanitarianism during the 1980s and the extent to which the decade was a major turning point in U S relations with the African continent Exploring the links between political activism electoral politics and international affairs Benjamin Talton not only details Leland s political career but also examines African Americans successes and failures in influencing U S foreign policy toward African and other Global South countries
