Realism Rationalism Surrealism Art Between The Wars:

Realism, Rationalism, Surrealism Fer, Francis Haskell, Briony Fer, David Batchelor, Paul Wood, 1993-01-01 This book begins by considering responses by French artists to the First World War showing how Purism Dada and early Surrealism are related to the ethos of post war reconstruction The authors then discuss the language of construction in places as dissimilar as France Germany and the Soviet Union the contrasting demands of the utility and decoration of objects and paintings and the relationship of surrealism to questions of sexuality and gender and to Freudian theory The book concludes by addressing the widespread debate over realism in art whether it represents an alternative to the elitism of the avant garde or whether avant garde art should play a role in the development of a modern realism

ability to convey the human aspects of political events In this fascinating survey on art artists and anarchism Allan Antliff interrogates critical moments when anarchist artists have confronted pivotal events over the past 140 years The survey begins with Gustave Courbet s activism during the 1871 Paris Commune which established the French republic and ends with anarchist art during the fall of the Soviet empire Other subjects include the French neoimpressionists the Dada movement in New York anarchist art during the Russian Revolution political art of the 1960s and gay art and politics post World War II Throughout Antliff vividly explores art s potential as a vehicle for social change and how it can also shape the course of political events both historic and present day it is a book for the politically engaged and art aficionados alike Allan Antliff is the author of *Anarchist Modernism* **2015** Günter Berghaus, 2015-07-01 The special issue of *International Yearbook of Futurism Studies* for 2015 will investigate the role of Futurism in the uvre of a number of Women artists and writers These include a number of women actively supporting Futurism e g R ena Z tkov Edyth von Haynau Olga Rozanova Eva K hn others periodically involved with the movement e g Valentine de Saint Point Aleksandra Ekster Mary Swanzy others again inspired only by certain aspects of the movement e g Natalia Goncharova Alice Bailly Giovanna Klien Several artists operated on the margins of a Futurist inspired aesthetics but they felt attracted to Futurism because of its support for women artists or because of its innovatory roles in the social and intellectual spheres Most of the artists covered in Volume 5 2015 are far from straightforward cases but exactly because of this they can offer genuinely new insights into a still largely under researched domain of twentieth century art and literature Guiding questions for these investigations are How did these women come into contact with Futurist ideas Was it first hand knowledge poems paintings manifestos etc or second hand knowledge usually newspaper reports or personal conversions with artists who had been in contact with Futurism How did the women respond to the positive or negative reports How did this show up in their uvre How did it influence their subsequent often non Futurist career
