Reality of Communism Aleksandr Zinoviev,1981 The Reality of Communism Aleksandr Zinoviev,1985 **Lenin, Stalin and Communist Russia** Robert Johnson,2009 History **Myth and Reality** ,1959 Endquote Marina Balina,Nancy Condee,Evgenii Aleksandrovich Dobrenko,2000 Sots art the mock use of the Soviet ideological clichés of mass culture originated in Soviet nonconformist art of the early 1970s An original and provocative guide Endquote Sots Art Literature and Soviet Grand Style examines the conceptual aspect of sots art sots art poetry and sots art prose and discusses where these still vital intellectual currents may lead **Vital Realities** Carl Schmitt,Nikolai Berdyaev,Michael De la Bedoyere,1932 **Reality** ,1924 Truth and Revolution in Marx's Critique of Society Matthias Bohlender,Anna-Sophie Schönfelder,Matthias Spekker,2023-01-31 This book deals with a central aspect of Marx's critique of society that is usually not examined further since it is taken as a matter of course its scientific claim of being true But what concept of truth underlies his way of reasoning which attempts to comprehend the social and political circumstances in terms of the possibility of their practical upheaval In three studies focusing specifically on the development of Marx's scientific critique of capitalist society his journalistic commentaries on European politics and his reflections on the organisation of revolutionary subjectivity the authors carve out the immanent relation between the scientifically substantiated claim to truth and the revolutionary perspective in Marx's writings They argue that Marx does not grasp the world as it is but conceives it as an inverted state which cannot remain what it is but generates the means by which it can eventually be overcome This is not something to be taken lightly Such a concept has theoretical political and even violent consequences consequences that nevertheless derive neither from a subjective error nor a contamination of an otherwise pure science By analyzing Marx's concept of truth the authors also attempt to shed light on a pivotal problematique of any modern critique of society that raises a reasoned claim of being true Russian Postmodernism Mikhail N. Epstein,Alexander A. Genis,Slobodanka Vladiv-Glover,2016 Recent decades have been decisive for Russia not only politically but culturally as well The end of the Cold War has enabled Russia to take part in the global rise and crystallization of postmodernism This volume investigates the manifestations of this crucial trend in Russian fiction poetry art and spirituality demonstrating how Russian postmodernism is its own unique entity It offers a point of departure and valuable guide to an area of contemporary literary cultural studies insufficiently represented in English language scholarship This second edition includes additional essays on the topic and a new introduction examining the most recent developments Communism and the Remorse of an Innocent Victimizer Zlatko Anguelov,2002 In moving but understated prose he describes his own coming to terms with the harm done by compliance and his gradual shift into a more politically active stance **BOOK JACKET**
