Religious and Non-Religious Perspectives on Happiness and Wellbeing Sharada Sugirtharajah, 2022-04-25 This book explores the theme of happiness and well being from religious spiritual philosophical psychological humanistic and health perspectives Taking a non binary approach it considers how happiness in particular has been understood and appropriated in religious and non religious strands of thought The chapters offer incisive insight from a variety of perspectives including humanism atheism and major religions such as Christianity Islam Buddhism Hinduism and Judaism Together they demonstrate that although worldviews might vary substantially there are concurrences across religious and non religious perspectives on happiness that provide a common ground for further cross cultural and interreligious exploration What the book makes clear is that happiness is not a static or monolithic category It is an ongoing process of being and becoming striving and seeking living ethically and meaningfully as well as arriving at a tranquil state of being This multifaceted volume makes a fresh contribution to the contemporary study of happiness and is valuable reading for scholars

and students from religious studies and theology including those interested in interreligious dialogue and the psychology of religion as well as positive psychology

Inward Michal Pagis, 2019-09-04 Western society has never been more interested in interiority Indeed it seems more and more people are deliberately looking inward toward the mind the body or both Michal Pagis's *Inward* focuses on one increasingly popular channel for the introverted gaze vipassana meditation which has spread from Burma to more than forty countries and counting Lacing her account with vivid anecdotes and personal stories Pagis turns our attention not only to the practice of vipassana but to the communities that have sprung up around it *Inward* is also a social history of the westward diffusion of Eastern religious practices spurred on by the lingering effects of the British colonial presence in India At the same time Pagis asks knotty questions about what happens when we continually turn inward as she investigates the complex relations between physical selves emotional selves and our larger social worlds Her book sheds new light on evergreen topics such as globalization social psychology and the place of the human body in the enduring process of self awareness

Destroying Mara Forever John Powers, Charles S. Prebish, 2010-02-16 A thought provoking collection of essays on Buddhist ethics by some of the leading thinkers in the field The reader is provided with engaging explorations of central issues in Buddhist ethics insightful analyses of the ways Buddhist ethical principles are being applied today in both Asian and Western countries and groundbreaking proposals about how Buddhist perspectives might inform debates on some of the core ethical issues of the modern world including consumerism globalization environmental problems war ethnic conflict and inter religious tensions The leading figure in identifying the field of Buddhist ethics and articulating some of its core issues is Professor Damien Keown of the University of London This book brings together a group of eminent scholars who have all been influenced by Keown's work and who are also friends and close colleagues The result is a wonderful volume for those who are struggling with practical issues of ethical concern This will be a valuable resource in the study of ethics for years to come
