Television Specials Vincent Terrace, 2013-07-03 This is a complete revision of the author's 1993 McFarland book *Television Specials* that not only updates entries contained within that edition but adds numerous programs not previously covered including beauty pageants parades awards programs Broadway and opera adaptations musicals produced especially for television holiday specials e.g. Christmas and New Year's Eve the early 1936 1947 experimental specials honors specials In short this is a reference work to 5 336 programs the most complete source for television specials ever published

Impresario James Maguire, 2011-11-23 Sullivan has nearly 100% name recognition among people 40 and older In a survey of the fifty most influential programs in the U.S. TV Guide ranked The Ed Sullivan Show 10 Show still appears on PBS and on cable stations across the country Sixty million baby boomers grew up watching The Ed Sullivan Show For more than twenty years from 1948 to 1971 fifty five million viewers watched The Ed Sullivan Show religiously every Sunday night Everyone who was anyone appeared the Beatles and Elvis of course and Woody Allen Bill Cosby and Elizabeth Taylor plus public figures such as Fidel Castro David Ben Gurion and Martin Luther King Jr More than thirty years later the program remains a pop culture icon But despite Ed Sullivan's prominence little was known about the private man until now *Impresario* reveals what the Sullivan viewers never saw nasty hot tempered craven yet also capable of high ideals and above all hugely ambitious At a time when Americans are looking back The Ed Sullivan Show stands out as a shining example of television during the golden era *Impresario* lets readers look behind the screen to see the man who made it happen

Get Out! Hallie Warshaw, Jake Miller, 2003 An excellent collection of creative activities Full color photographs show a wide variety of children in action Safety is stressed throughout fun engaging text is well written Pair it with the author's *Zany Rainy Days* to keep youngsters busy year round School Library Journal Winner of the Disney Adventures Book Award

Tender Mark Childress, 2014-03-03 Mark Childress's novel *Tender* is a little more than just a fine novel it is a big all American Technicolor dreamboat of a book as vital and as intense as anything I've read in the last ten years The legend is familiar to everyone who cares about pop music and rhythm and blues but Mark Childress has invested it with an eerie mystery train vitality that is only available to the talented novelist There's something else as well this is the first novel I've ever read in my life which is more inside rock and roll than about it through the eyes of Leroy Kirby

Mark Childress has made the mad early days of rock and roll seem not just comprehensible but inevitable Beneath the cool prose line of this minimalist epic there is the same raw and feverish drive that propelled the early rockabilly stars as they created a new kind of music Childress's understanding and love of this new music lends *Tender* the sort of piney woods authenticity I associate with such American classics as *Elmer Gantry* and *All The King's Men* If you care about rock and roll *Tender* is going to knock your socks off This is a great novel and as Childress documents the meteoric rise of his talented child monster prodigy Leroy Kirby he never misses a beat

Stephen King **Long Train Runnin'** Tom Johnston, Pat Simmons, Chris Epting, 2025-09-23 For the first time the incredible true story of the legendary band the Doobie Brothers written by founding members Pat Simmons and Tom Johnston Only a very few rock bands have had the longevity success and drama of the Doobie Brothers Born out of late 1960s NorCal and led by Pat Simmons and Tom Johnston they stood alongside their contemporaries the Grateful Dead the Allman Brothers and many others as an iconic American rock band The train was rolling along hits were flowing like wine and arenas were packed with fans who wanted to see them live then Tom Johnston the band's front man and lead guitarist became ill and had to leave The Doobies train came to a screeching halt All of a sudden the band started contemplating the end of the road only seven years into their career just as things were taking off But Pat Simmons made sure they were far from the end and began the process of keeping the band together through most of the next decade A soul steeped backup singer for Steely Dan named Michael McDonald took a shot at singing some of the Doobies songs on tour and just like that a new chapter in the Doobie Brothers story began The band expanded their sound and had even more hits with their new front addition Tom recovered from his health issues but the band had moved on When it came time for a reunion concert in the 80s Tom got the call and was back in the mix Led once again by Pat and Tom the Doobie Brothers have been touring ever since and maintain a massive fan base the world over Never before have Pat and Tom shared their story in their own words In *Long Train Runnin'* they'll change that
