Reason, Reality, Religion, Regeneration, and Reincarnation William Kingsland, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age it may contain imperfections such as marks, notations, marginalia, and flawed pages. An Anthology of Mysticism and Mystical Philosophy William Kingsland, 2024-11-01 First published in 1927, *An Anthology of Mysticism and Mystical Philosophy* is a valuable contribution to the literature of mysticism in general, both in its theoretical and experimental aspects. It contains over seven hundred and fifty quotations from one hundred and fifty-eight ancient and modern mystical, philosophical, and scientific works. This book also acts as a supplement to William Kingsland's previous volume, *Rational Mysticism*, for it is illustrative of the principles therein set forth.

The God Matrix: Decoding the Divine Blueprint for Reality, Faith, and Society Roger Ball, 2025-09-01 This book is not a single linear argument but a collection of expeditions into the deepest questions of human existence. Each chapter essay stands alone as a focused, intense exploration of a specific facet of truth, life, and reality. Together, they weave a larger tapestry revealing the profound and often hidden architecture of the divine order in which we live, move, and have our being. Here, the Matrix is not an illusion; it's the foundational gridwork of reality, the operating system authored by God. These essays are attempts to interface with that system to understand its source code of love, logic, justice, and grace. Some ideas will comfort you; others will challenge you. You are invited not to simply agree but to actively participate in a conversation as old as creation. Read in sequence or begin wherever your most urgent question lies. Within these pages, you will find the tools to decode the divine signals in your life, better understand the heart of God, and ultimately see the world as it truly is: a reality sustained by and forever connected to the mind of its Maker. This is the story of everything. This is the red pill that can change your life. Chapter titles include: Can God's Existence Be Proven? Why Did God Create Mankind? Why Do Good People Go to Hell? Moral Failure and God's Purposes: How to Destroy Any Society. Know the Truth: Can Same Sex Attraction Be Overcome? Do You Have a Soul Mate? Does Suicide Damn the Soul? American Bloodlust: The Violent Psychological Conditioning of Today's Young People. Nurturing the Divine Within: Raising Healthy Children Through Structure, Love, and Spiritual Awareness. Knowing God's Will: Don't Just Do Something, What Are Your Spiritual Gifts? Explore the Faith: A Glossary of Christian Words, Beliefs, and Practices.

A Tidy Faith Jonathan F. Bayes, 2024-09-13 A Tidy Faith is distinctive as a work of systematic theology in that it comes out of a Reformed Baptist stable this is especially relevant for the sections on the church worship and the sacraments Bayes seeks to lay the biblical foundation for each doctrinal subject using an exegetical approach rather than merely citing proof texts For each doctrine he also outlines the teaching of the early Christian creeds and the confessions of faith dating from the Reformation period as well as referring to a small selection of modern statements of faith from different countries Debates and interpretations of the various doctrines from different points in church history are summarized and at the end of the exposition of every doctrinal theme there is a section that emphasizes its practical application This ensures that the book is not merely abstract and academic but has real down to earth value for Christian life and ministry *An Encyclopedic Outline of Masonic, Hermetic, Qabbalistic and Rosicrucian Symbolical Philosophy* Manly Palmer Hall, 1936 Coleridge's Philosophy of Faith Joel Harter, 2011 Revision of author's thesis doctoral University of Chicago 2008 under title The word made flesh and the mazy page symbol and allegory in Coleridge's philosophy of faith **Religion and Its Monsters** Timothy Beal, 2022-11-24 Religious encounters with mystery can be fascinating but also terrifying So too when it comes to encounters with the monsters that haunt Jewish and Christian traditions Religion has a lot to do with horror and horror has a lot to do with religion Religion has its monsters and monsters have their religion In this unusual and provocative book

McGrath,2013-11-14 Doctor Who has always contained a rich current of religious themes and ideas In its very first episode it asked how humans rationalize the seemingly supernatural as two snooping schoolteachers refused to accept that the TARDIS was real More recently it has toyed with the mystery of Doctor s real name perhaps an echo of ancient religions and rituals in which knowledge of the secret name of a god angel or demon was thought to grant a mortal power over the entity But why does Doctor Who intersect with religion so often and what do such instances tell us about the society that produces the show and the viewers who engage with it The writers of Religion and Doctor Who Time and Relative Dimensions in Faith attempt to answer these questions through an in depth analysis of the various treatments of religion throughout every era of the show s history While the majority of chapters focus on the television show Doctor Who the authors also look at audios novels and the response of fandom Their analyses all written in an accessible but academically thorough style reveal that examining religion in a long running series such as Doctor Who can contribute to a number of key debates within faith communities and religious history Most importantly it provides another way of looking at why Doctor Who continues to inspire to engage and to excite generations of passionate fans whatever their position on faith The contributors are drawn from the UK the USA and Australia and their approaches are similarly diverse Chapters have been written by film scholars and sociologists theologians and historians rhetoricians philosophers and anthropologists Some write from the perspective of a particular faith or belief others write from the perspective of no religious belief All however demonstrate a solid knowledge of and affection for the brilliance of Doctor Who *The Causal Body and the Ego* Arthur Edward Powell,1928 **God, Revelation and Authority (Set of 6)** Carl F. H. Henry,1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done The Human Brain and Its Universe, Vol. 2 H. Kuhlenbeck,1982-03-18 These three volumes are the revised and enlarged edition of a classic work hailed as bringing a new perspective to knowledge of the mind brain relationship In the tradition of highest scholarship the author uses both neurological and epistemological approaches to provide a unique interpretation of the relationship of brain and consciousness A Karger Publishing Highlights 1890 2015 title **A Treatise on White Magic** Alice A.
