Beyond a Reasonable Doubt: Evidence for Christianity Third Edition Terry Siciliano, 2020-07-15 Is God for real Where does one turn in this chaotic world of pandemics economic uncertainty social injustice unrest moral decline widespread wars and recurring natural disasters How can a person believe in God with all of this turmoil This book is a brand new third edition which represents my journey in a search for God and whether He exists Many books on this topic are very long complex and difficult to read I saw the need for a simpler approach which this book provides with its very straightforward and readable material Topics covered Scientific evidence for a Divine Creator Archaeological evidence for the authenticity and trustworthiness of the Bible Who Jesus claimed to be and why He came What other religions believe about Jesus End Times signs This book is for anyone with the desire to find answers to life s most probing questions and for Christians who wish they had a short easy to read tool for sharing with others the reason for their faith in God **Is**

Christianity True? Jonathan Menn, 2024-10-29 Is Christianity True is an excellent resource for twenty first century Christians and non Christians who want to investigate the truth claims of Christianity This book tackles the most important issues in a clear and compelling way Part 1 looks at the trustworthiness of the Bible and at Jesus Christ who claimed to be God incarnate He verified his claim by his fulfillment of prophecy and his resurrection from the dead Part 2 shows that the great alternative to Christianity the belief that there is no God or supernatural realm and that the universe and all that exists do so simply by natural forces not only is false but is impossible Part 3 deals with perhaps the greatest challenge to Christianity the problem of evil i e if God is all knowing all powerful and all good then why is there so much evil in the world The book does not shy away from discussing up to date scientific knowledge and shows how this knowledge actually confirms the claims of Christianity This book is a clear yet challenging explanation of the biblical historical philosophical and scientific evidence which shows that indeed Christianity is true

Why I Believe Chip Ingram, 2017-10-03 In our post Christian pluralistic society responding to the perception that Christians are prejudiced anti intellectual and bigoted has become a greater challenge than ever before The result is often intimidation withdrawal and even doubts among God s people about what we really believe Bestselling author and teaching pastor at Living on the Edge Chip Ingram wants to change that In Why I Believe he gives compelling answers to questions about the resurrection of Christ the evidence of an afterlife the accuracy and intellectual feasibility of the Bible the debate between creation and evolution the historicity of Jesus and more The solid biblical logical answers he shares will satisfy the honest doubts that every believer experiences now and then and

will provide practical thoughtful answers that can be shared with family and friends This is the perfect resource for churches small groups and individuals who long not only to really know what and why they believe but also to be equipped to explain the intellectual justification for their faith in everyday language Why I Believed Kenneth W. scholarship and rigorous logic *A Zeal For God Not According to Knowledge* defends Christianity against the arguments of its Jewish critics such as Samuel Levine, Michael Drazin, Tovia Singer and Hyam Maccoby. This book demonstrates that the New Testament is historically reliable, denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices, shows that Jesus of Nazareth was the promised Messiah based on the Old Testament's prophecies and proves that the New Testament teaches the Deity of Christ. This book is intended for both Christians perplexed by the arguments of Jewish friends, coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also.
