Reasons To Live:

Seven Reasons Life Is Better with God Nathan Brown, 2007-05 We don't have to hit rock bottom to need God. No matter how good or bad life might seem, God still calls us to follow Him. This book ponders seven reasons life is better with God when things are bad, God can make them better when things are good, God makes them better still. **Life: Why Live If You Have to Die?** David Alexander Perry Sr., 2013-07-03 Life: Why Live if You Have to Die is a unique work that shares principles and illustrations that you may not have thought of. Some of us just live. We take life for granted and we move according to what we must do or should do. As humans we have to put up with life because we are here and we have no choice. Life to me is like reading a good mystery book. You keep wondering what the next thing will be or how it will end. A problem arises, you solve it. You find joy in attending classes to improve yourself and it brings excitement and entertainment. This book is full of poetry, quotations, instructions, and illustrations. It's all about living and if the living is right, enjoyment, excitement, and fulfilling achievement follows. **Life: Why Live if You Have to Die** is written to enlarge your vision about life and to further guide you through the maze and entanglements that life throws at you every day. Why Live This Way...When You Don't Have To? Lee Shipp, 2007-06 Are you a What If kind of person? Do you forfeit your future because of the sins of your past? Are your plans frequently hindered and it seems that everything is against you? Is it possible that your enemy has developed strongholds from which he launches effective attacks? You may have strongholds if Criticism wrecks you. You cannot bear to face certain individuals. You are so tired of living for people's acceptance but you cannot stop. You cannot escape the pain of rejection, abuse, or betrayal. You cannot hope. Your dreams go unfulfilled. Suffering people around you never seem to get better. What has taken Satan years to build, Jesus can demolish in a moment. Freedom waits for your call. This is not a wishful thinking book; it is proven true in innumerable lives that have been transformed by the power of God. Pastor Lee Shipp, as the founder and senior pastor of First New Testament Church, has ministered God's Word through the power of the Holy Spirit for over twenty years. Led by a devotion to his Savior and a love for the scripture, God has used him to teach and preach throughout the world through conferences, camp meetings, and revivals. Pastor Shipp is also founder and President of A Call to the Heart, a ministry of evangelism and outreach through radio, TV, literature, and national and international campaigns. Pastor Shipp and his family live in Baton Rouge, Louisiana, where they continue to serve the Lord with their church family. www.fntchurch.org **To Live and To Die: When, Why, and How** R.H. Williams, 2013-04-17 In the 1960s, marked changes occurred throughout the world in philosophies and policies related to man's role in life. These changes prompted predominantly by extensive increases in knowledge and population density have produced increased pleasures as well as problems. The rising number of people and improved methods of communication and transportation have caused more relationships among people with their pleasures, competitions, jealousies, conflicts of interest, oppressions, and crimes. Large assortments of drugs have been developed and are easily obtained. There are drugs to speed us up, slow us down, make us
