Rebbe The Meibiah And The Scandal Of Orthodox Indifference:

The Rebbe, the Messiah, and the Scandal of Orthodox Indifference David Berger, 2008-03-01 This book is a history an indictment a lament and an appeal focusing on the messianic trend in Lubavitch hasidism It records the shattering of one of Judaism s core beliefs and the remarkable equanimity with which the standard bearers of Orthodoxy have allowed it to happen This is a development of striking importance for the history of religions and it is an earthquake in the history of Judaism David Berger describes the unfolding of this historic phenomenon and proposes a strategy to contain it *The Rebbe, the Messiah, and the Scandal of Orthodox Indifference* David Berger, 2021 The focus of this text is the messianic trend in Lubavitch hasidism It demonstrates how hasidim who affirm the dead Rebbe s messiahship have abandoned one of Judaism s core beliefs in favour of adherence to the doctrine of a second coming At the same time it decries the equanimity with which the standard bearers of Orthodoxy have granted legitimacy to this development by continuing to recognize such believers as Orthodox Jews in good standing This abandonment of the age old Jewish resistance to a quintessentially Christian belief is a development of striking importance for the history of religions and an earthquake in the history of Judaism The book chronicles the unfolding of this development *Menachem Mendel Schneerson* Source Wikipedia, 2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Pages 34 Chapters Chabad messianism Crown Heights riot Public menorah The Rebbe the Messiah and the Scandal of Orthodox Indifference Likkutei Sichos Mykolaiv 770 Eastern Parkway Oholei Torah Kol Menachem Chaya Mushka Schneerson 3 Tammuz Levi Yitzchak Schneerson Mitzvah tank Ohel Montefiore Cemetery 11 Nissan Niggun Shamil Hayom Yom Igrot Kodesh Excerpt Chabad messianism or Lubavitch messianism is a term used to describe a spectrum of beliefs within the Chabad Hasidic movement regarding their late leader Rabbi Menachem Mendel Schneerson and his purported position as the Messiah While some believe that he died but will return as the messiah others believe that he is merely hidden A small minority believe that he has God like powers or is the creator while a few negate the idea that he is the messiah entirely The prevalence of these views within the movement is disputed though very few will openly say that Schneerson cannot be the Messiah The belief that Schneerson is the messiah can be traced to the 1950s it picked up momentum during the decade preceding Schneerson s death in 1994 and has continued to develop since his death The response of the wider Haredi and Modern Orthodox leadership has been almost universally antagonistic to this belief The issue remains controversial within the Jewish world The Chabad messianist flag The Hebrew word is Mashiach meaning Messiah The Messianist Flag in Jerusalem Before Schneerson s death in 1994 a significant body of Chabad Hasidim believed that he would soon become the Messiah by ushering in the Messianic Age and constructing the Third Temple Books and pamphlets were written containing arguments for the Rabbi s status as Messiah some of which Schneerson opposed but some he also encouraged on occasions During the later years of his life [The Visual Culture of Chabad](#) Maya Balakirsky

Katz,2010-10-11 This book is the first full length study of a complex visual tradition associated with the Hasidic movement of Chabad **The Binding of Isaac, Religious Murders & Kabbalah** Lippman Bodoff,2005 In a series of evocative groundbreaking articles the author analyzes the Biblical and Rabbinic basis for what surely are now some of the most hotly debated topics in Jewish religious thought today These include how the traditional interpretation of the Binding of Isaac has been misapplied in both Christian theology and Jewish martyrology and how the centuries long and newly resurgent belief in mysticism and messianism in kabbalah and Hasidism has distorted classical Judaism and thwarted its national and cultural development The author counters the arguments of those who see Judaism s and the world s newfound obsession with mysticism and kabbalah as a natural outgrowth of a progressive trend within rabbinic Judaism and warns of the impending danger of rejecting the very core of Jewish thought and opinion as it was expounded in the Torah and classical Jewish tradition the Oral Law Each section of this magnificent work will give the reader new insights into how different aspects of Judaism have evolved and why they have often been in contention with each other Nor is he afraid to deal with some of the supercharged issues within Judaism such as what are the underlying premises of Jewry s claim to the Divinely Promised Land And has this claim been affected by its failure to pursue an active program of nationalism These highly acclaimed articles have been gleaned from today s leading Jewish journals and have stood the test of time They contain valuable source material and are a ready reference to the many historical and religious topics that are the focus of discussion across all main Jewish denominations **The Rebbe's Army** Sue Fishkoff,2009-04-22 Excuse me are you Jewish With these words the relentlessly cheerful ideologically driven emissaries of Chabad Lubavitch approach perfect strangers on street corners throughout the world in their ongoing efforts to persuade their fellow Jews to live religiously observant lives In The Rebbe s Army award winning journalist Sue Fishkoff gives us the first behind the scenes look at this small Brooklyn based group of Hasidim and the extraordinary lengths to which they take their mission of outreach They seem to be everywhere in big cities small towns and suburbs throughout the United States and in sixty one countries around the world They light giant Chanukah menorahs in public squares run Chabad houses on college campuses from Berkeley to Cambridge give weekly bible classes in the Capitol basement in Washington D C run a nonsectarian drug treatment center in Los Angeles sponsor the world s biggest Passover Seder in Nepal establish synagogues Hebrew schools and day care centers in places that are often indifferent and occasionally hostile to their outreach efforts They have built a billion dollar international empire with their own news service publishing house and hundreds of Websites Who are these people How successful are they in making Jews more observant What influence does their late Rebbe Menachem Mendel Schneerson who some thought was the Messiah continue to have on his followers Fishkoff spent a year interviewing Lubavitch emissaries from Anchorage to Miami and has written an engaging and fair minded account of a Hasidic group whose motives and methodology continue to be the subject of speculation and controversy *There Is No Messiah—and You're It* Rabbi Robert N. Levine,2012-08-20 A challenge to each of us to take

personal responsibility for repairing the world We are taught that every one of us is created in the divine image All of us can be holy through imitating God So you don't have to look around or look away You don't have to wait for someone to come and do what you were put on this earth to do in the first place Judaism empowers you as one of God's anointed ones to do more than you ever dreamed possible from Chapter 1 The coming of the messiah is anticipated by millions of people of many faiths as the ultimate salve for our spiritual lives and as a way to finally make the world a better place There Is No Messiah and You're It examines the history of messianic hope and anticipation its evolution in Judaism and Jewish history and other interpretations of messiah that shed new light on what it means to usher in the kingdom of God This fascinating book is our call to see ourselves as the fulfillment of not the anticipators of messianic change Drawing from the Bible the Talmud rabbinic sources and modern day scholars Rabbi Robert Levine provides us with an accessible fascinating understanding of messianic vision as well as false messiahs throughout Jewish history He challenges the powerful idea of messiah that has survived in the heart soul and ethos of the Jewish people and reveals the immediacy of the messianic presence in our day in our own lives Compelling and controversial There Is No Messiah and You're It inspires us to embody the noblest values of Jewish tradition prayer study mitzvot and tzedakah and embrace our own messianic potential to heal the world **On**

Jewish Suffering; Opposing View & the Messianic Age, A Historic Analysis Kalman Dubov, 2024-10-23 Napoleon the French Emperor invaded Czarist Russia in the Franco Russian War of 1812 The war ended in defeat for the French with the Russians referring to this as the Patriotic War emerged victorious Napoleon was in the process of liberating Jews from their enforced living in European ghettos intending to emancipate and integrate them into modern French society Emancipation of the Jews was a key byword and many Jews hailed Napoleon as their benefactor and savior To achieve fullest integration Napoleon created a modern version of the Jewish Supreme Court the Great Sanhedrin to answer questions regarding Jewish belief laws and their ability as well as intention to integrate into modern society The head of the Sanhedrin was Rabbi David Sinzheim Chief Rabbi of Strasbourg France However opposed to French emancipation of the Jewish community was the first Chassidic leader the Rebbe of Chabad Rabbi Shneur Zalman of Liadi He was so opposed to French emancipation efforts that he directed a member of his community a man with multi lingual talents to offer his services as a translator of documents In reality however he acted as a spy and passed French military plans to the Russians We are aware of this clandestine effort by way of a letter Rabbi Shneur Zalman wrote to the spy explaining his rationale for acting this way The rabbi felt that emancipation would reduce Jewish reliance on religious devotion and prayer while emancipation would provide material benefit with a consequent loss of piety and religious adherence The letter from the Rabbi adds a dimension of thinking why he was so opposed to Napoleonic success At the time this was taking place Jews were subjects of the Czarist Empire mandated to live in the Pale of Settlement a region rife with anti Semitism pogroms penury and poverty But such living conditions the rabbi felt was preferable to emancipation Hence this strange policy was applied even to Jews who were not

Chassidic not members of this sect or community After the Second World War Chabad changed dramatically No longer could the policy of their first Rebbe be imposed on Jews Because of the massive anti Semitism exhibited by the Nazis and their many willing allies who assisted them in murdering Jews the notion of living under Christian or Muslim domination was no longer viable The last Chabad Rebbe instead introduced a Messianic message praying for and encouraging others to work towards the arrival of the Messiah This book describes Jewish suffering both in the period when Rabbi Shneur Zalman was alive as well as in the long term particularly in the last millennia when Jews faced great persecutions and no less than 48 separate expulsions This volume questions the logic of Jewish suffering as a necessary prerequisite for Jewish belief and practice to be viable This policy offers the pertinent study of the period when the question of Jewish suffering was deemed key to Judaism but while enormous anti Semitism was present Yet after the Second World War an entirely new reality was introduced for Jewish survival

Studies in Contemporary Jewry Ezra Mendelsohn, 2003 The essays in this book focus on the establishment of alliances between Jewish leaders and those of the state in return for Jewish support

The Menorah Steven Fine, 2016-11-21 Steven Fine explores the cultural and intellectual history of the Western world's oldest continuously used religious symbol This meticulously researched yet deeply personal history explains how the seven branched menorah illuminates the great changes and continuities in Jewish culture from biblical times to modern Israel

Lubavitcher Messianism Simon Dein, 2011-01-20 In 1994 the Lubavitcher Rebbe Menachem Schneerson died leaving no successor For many years his followers had maintained that he was Moshiach the Jewish Messiah and would usher in the Redemption After his death Lubavitch divided into two opposing groups While some messianists hold that the Rebbe died but is to be resurrected as the messiah others hold that he is still alive but concealed The anti messianists maintain that the Rebbe could have been Moshiach if God had willed it but they disagree vehemently that as such he could come back from the dead Using ethnographic data obtained by the author through twenty years of fieldwork this book presents a social psychological account of Lubavitcher Messianism and moves beyond the typical scholarly preoccupation with belief and dissonance to examine the role of rhetoric religious experience and ritual in maintaining counterintuitive convictions Through examining the parallels between early Christianity and messianism in Lubavitch this book provides a comprehensive perspective for examining messianism generally

A History of Judaism Martin Goodman, 2019-11-19 Judaism is one of the oldest religions in the world and it has preserved its distinctive identity despite the extraordinarily diverse forms and beliefs it has embodied over the course of more than three millennia A History of Judaism provides the first truly comprehensive look in one volume at how this great religion came to be how it has evolved from one age to the next and how its various strains sects and traditions have related to each other In this magisterial and elegantly written book Martin Goodman takes readers from Judaism's origins in the polytheistic world of the second and first millennia BCE to the temple cult at the time of Jesus He tells the stories of the rabbis mystics and messiahs of the medieval and early modern periods and guides us through the many

varieties of Judaism today Goodman's compelling narrative spans the globe from the Middle East Europe and America to North Africa China and India He explains the institutions and ideas on which all forms of Judaism are based and masterfully weaves together the different threads of doctrinal and philosophical debate that run throughout its history Jews, Christians, Muslims John Corrigan, Frederick Denny, Martin S Jaffee, Carlos Eire, 2016-01-08 Thematic examination of monotheistic religions The second edition of *Jews Christians Muslims A Comparative Introduction to Monotheistic Religions* compares Judaism Christianity and Islam using seven common themes which are equally relevant to each tradition Provoking critical thinking this text addresses the cultural framework of religious meanings and explores the similarities and differences among Judaism Christianity and Islam as it explains the ongoing process of interpretation in each religion The book is designed for courses in Western and World Religions *60 Questions Christians Ask About Jewish Beliefs and Practices* Michael L. fellow Jew by many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship *Answering Jewish Objections to Jesus : Volume 3* Michael L. Brown,2003-03-01 The Torah doesn't speak of Jesus at all You're completely misinterpreting Isaiah This verse has absolutely nothing to do with your Jesus It's not even a messianic prophecy As for the real messianic prophecies Jesus fulfilled none of them These are some objections raised by Jews regarding Jesus as the Messiah Using the Hebrew Bible rabbinic texts and the New Testament Dr Michael Brown provides thorough answers to nearly forty such objections This third installment of Answering Jewish Objections to Jesus looks specifically at questions raised about messianic prophecies in Isaiah Daniel Psalms Haggai and Zechariah It's an invaluable resource for seekers and for anyone wanting to point students of the Torah to Jesus Must a Jew Believe Anything? Menachem Kellner,2022-03-09 The crucial question for today's Jewish world Kellner argues is not whether Jews will have Jewish grandchildren but how many different sorts of mutually exclusive Judaisms those grandchildren will face This accessible book examines how the split that threatens the Jewish future can be avoided For this second edition the author has added a substantial Afterword reviewing his thinking on the subject and addressing the reactions to the original edition A Sense of Presence Stephen H. Smith,2016-09-15 Divided into five parts A Sense of Presence explores the central thesis that the resurrection of Jesus could be explained as a psychological event involving one hallucination possibly occurring to Peter and a hysterical reaction by colleagues which convinced them that Jesus had appeared to them too This approach is justified by showing that claims made by often impressionable people to have witnessed supernatural events in more recent times such as visions of the Virgin Mary or weeping statues have usually attracted a similar hysterical reaction involving large numbers Some of these reactions take hold sufficiently strongly to facilitate the development of new sects or movements which persist even when their credibility is challenged The remaining four parts set this thesis in context Part 1 shows that resurrection was already a widely accepted concept in the socio cultural world in which Jesus was born Part 2 deals with the New Testament accounts of the resurrection showing that they are often contradictory Part 4 presents and discusses the philosophical problems involved in a psycho physical person rising from the dead while Part 5 looks at the historical and theological issues associated with such an event The argument presented is not intended to be dogmatic but simply seeks to show that naturalistic alternative explanations to the one generally accepted by believers should be given far more attention than they usually receive A Sense of Presence invites readers to challenge the status quo and will appeal to those wishing to challenge generally accepted Christian views
