Rebel In Love:

A Rebel In Love Cristiano Parafioriti, 2021-10-04 **A Rebel in Texas** Linda Warren, Patricia Thayer, 2025-02-11 Texas redemption Texas Rebels Jude by Linda Warren The day his son was born Jude Rebel knew he was meant to be a father That was why he had to stop the adoption How could he give away his own flesh and blood For twelve years Jude has kept his secret Until Paige Wheeler comes home to Horseshoe regretting the decision that changed both their lives But is it too late for forgiveness Brady The Rebel Rancher by Patricia Thayer Brady Randell has always been a rebel Injured out of the air force he s a dark presence on the family ranch Then Lindsey Stafford s arrival changes all that Somehow Lindsay can smooth Brady s rough edges But she has secrets that could destroy the Randell family Now Brady must fight once more not for his country but for the woman who s found a place in his heart *Love Rebels* Kitty Stryker, 2025-10-17 An exploration of how to balance activism and relationships without burning out Balancing a devotion to activism with personal relationships can be incredibly difficult Kitty Stryker shares her experience as an activist street medic and relationship educator to help others pursue the important work while maintaining healthy relationships and without burning out In what is both a call to action and a candid memoir Stryker is open about what she has learned and her perceived limitations Recognizing that it can feel overwhelming to know how to effectively make change she encourages readers to consider how they can best advocate for causes they believe in presenting different types of activism and urging readers to honestly examine their own hesitations She also emphasizes that without taking care of our interpersonal relationships many people burn out of activism at the very time when we need more people on the ground and she offers practical strategies to avoid this and to encourage healthy relationships *The Last American Rebel in Cuba* Terry K. Sanderlin, 2012-04-26 After his four year hitch in the marines was up in 1957 Richard Sanderlin met another Norfolk Virginia native Frank Sturgis Marine Corps veteran Army Intelligence Officer and future Watergate burglar Richard and Frank relocated to Miami Florida where they ran an arms and munition smuggling operation into Cuba bound for the rebels of Fidel Castro During the summer of 1958 Richard Sanderlin traveled to the Sierra Maestra Mountains in Oriente Province Cuba where he trained the rebels of Fidel and Raul Castro in military strategy tactics weapon handling and hand to hand fighting After completing the training of Raul Castros Second Front Richard led a guerrilla band into ten combat operations against the Batista army This is the story an idealistic young warrior who fought against the tyranny of dictatorship only to be betrayed by a communist conspiracy led by Fidel Castro *Exploring the Engagement and Empowerment of Women* U.P. Sinha, 2015-01-01 This book deals with multidisciplinary perspectives and describes where they meet and overlap and where they diverge However as a result of the fact that disciplinary boundaries are porous the possibilities of one dimensional approach diminish and the likelihood of presenting a cohesive and integrated framework increases The contributions in this book strike a balance between theoretical and empirical papers on one hand and papers with more personal reflection on the other The book focuses on political economic

legal social and psychological dimensions besides focusing on the transformative power of girls education and why it is now increasingly being recognized as the cornerstone of women s empowerment This book is extremely timely given what is happening in the across the globe regarding women empowerment In nutshell the book is a digest of almost all dimensions of women empowerment economic political legal educational health and management The message of the book is that we must treat women with dignity and honour Our words and conduct must inspire confidence in them Silent Crimes In Love Catherine Bosibori , In a tale that originated during the annual school music festivals a young and spirited boy from a privileged background Godwin discovers Eliza a girl from the slums with her enchanting voice as a traditional folk soloist Initially he sees her as a girlfriend who could elevate his status to that of a wife However their story becomes entangled in a complex web of money poverty politics romance and luxury ultimately turning the lives of both families into a battlefield When Godwin abandons Eliza to marry her best friend leaving her to marry a wealthy rich man the consequences of their silent transgressions shatter the moral fabric of the once respected family The retired land defense officer unwittingly caught in the turmoil finds himself married to his son s lovers leading to an unimaginable catastrophe Emily Dickinson in Love John Evangelist Walsh,2012-05-16 From the award winning author of Poe the Detective The Curious Circumstances Behind The Mystery of Marie Roget comes a compelling argument for the identity of Emily Dickinson s true love Proud of my broken heart Since thou didst break it Proud of the pain I Did not feel till thee Those words were written by Emily Dickinson to a married man Who was he For a century or more the identity of Emily Dickinson s mysterious Master has been eagerly sought especially since three letters from her to him were found and published in 1955 In Emily Dickinson in Love John Evangelist Walsh provides the first book length treatment of this fascinating subject offering a solution based wholly on documented facts and the poet s own writings Crafting the affair as a love story of rare appeal and writing with exquisite attention to detail in Part I Walsh reveals and meticulously proves the Master to be Otis Lord a friend of the poet s father and a man of some reputation in law and politics Part II portrays the full dimensions of their thirty year romance most of it clandestine including a series of secret meetings in Boston After uncovering and confirming the Master s identity Walsh fits that information into known events of Emily s life to make sense of facts long known but little understood Emily s decision to dress always in white for instance or her extreme withdrawal from a normal existence when she had previously been an active outgoing friend to many men and women In a lengthy section of Notes and Sources Walsh presents his proofs in abundant detail demonstrating that the evidence favors one man so irresistibly that there is left no room for doubt Each reader will decide if he has truly succeeded in making the case for Otis Lord The Monk in love Bikash Sarmah,2019-09-19 The Monk in Love is an attempt to explore the psyche of the modern educated youth who have ambitions high and galore are out of sync with stereotypical thinking and attitudes and set out to explore the existing shackles of society without causing harm to anyone The protagonists are highly intelligent and spiritual youth who have an evolved sense of understanding and

want to lead a simple way of life beyond the existing norms of society Therefore this collection of short stories has a strong societal underpinning as well

Experiments in Love and Death Paul Komesaroff,2014-06-03 Experiments in Love and Death is about the depth and complexity of the ethical issues that arise in illness and medicine In his concept of microethics Paul Komesaroff provides an alternative to the abstract debates about principles and consequences that have long dominated ethical thought He shows how ethical decisions are everywhere in small decisions in facial expressions in almost inconspicuous acts of recognition and trust Through powerful descriptions of case studies and clear and concise explanations of contemporary philosophical theory the book brings discussions about ethics in medicine back to where they belong to the level of the everyday experience where people live suffer and hope A fresh and evocative look at the changing world of ethics as it applies to health and illness this is an important book for all those touched by illness or suffering
