Spanish Gold Kevin Randle, 2014-05-01 Sickened by war and embittered by his experience at Gettysburg David Travis heads west to escape the pain of war and his past In a bar in the hills north of El Paso he hears an old prospector spin a crazy tale about a wagon train loaded with Spanish gold that vanished in the West Texas hills in the early part of the seventeenth century The next day Travis finds the old man near death it seems that certain others believed the prospector's tale and forced him to tell all he knew Travis decides to team up with the dead man's daughter and head into the mountains to find if the old man's claims of a lost treasure are indeed true They are not alone in their mountain quest and their hidden adversaries have already proven that they are willing to kill for treasure

Scars of Gold Xavier Dagba, 2025-09-23 A blueprint to reconcile with our shadow resolve the emotional conflicts that keep us stuck and in self sabotage and dissolve the hidden forces that hinder our ability to thrive In this book integrative life coach Xavier Dagba explores our relationship to the dark side of the human psyche This includes wounds from the past aspects of ourselves we've been conditioned to see as unlovable and more importantly our repressed brightness the golden shadow Many books on shadow work focus only on the more painful or dark aspects of the shadow They do not necessarily address the golden shadow Scars of Gold places shadow work into a well crafted framework of personal transformation that meets the reader where they are and guides them toward a fuller and more integrated life Other books on the topic may leave the reader lost in the vastness of the concept of shadow work without teaching how to integrate the practice into their lives This book offers an archetypal exploration of the shadow that will allow the reader to understand their life with more grace It dives into the exploration of resistance and self sabotage under the lens of shadow integration and helps the reader dissolve the hidden forces that keep them stuck

For generations the Jensens have struggled to build their home their land and their dreams But now the family is forced to fight fire with fire bullet by bullet blood for blood GOLD MINE MASSACRE For Smoke and his daughter Denny life on the Sugarloaf Ranch is more valuable than all the gold in the world Which works out fine since all the gold mines in Big Rock were squeezed dry years ago Even so that won t stop a pair of businessmen from the East from trying to squeeze out a little

more One of them has developed a newfangled method for extracting gold something called hydraulics and they've bought up all the old mines to do it The other is the son of legendary gunfighter Frank Morgan and Denny thinks he's awfully handsome Smoke isn't sure what to think of these would-be gold diggers Especially when the handsome one triggers a rivalry with Denny's off-and-on beau a deputy U.S. marshal And then they hire a small army of gunfighters to protect their mines from sabotage The Jensons can smell trouble brewing from a mile away And when it involves gold guns and love it's more than just trouble It's a massacre waiting to happen Live Free Read Hard
