Indiana in the War of the Rebellion Indiana. Adjutant General's Office,1869 **Report of the Adjutant General of the State of Indiana ...** Indiana. Adjutant General's Office,1869 **Papers Relating to the Rebellion in China and Trade in the Yang-Tze-Kiang River** ,1975 Report Indiana. Adjutant General's Office,1869 **Rebellious Families** Jan Kok,2002 Why do people rebel This is one of the most important questions historians and social scientists have been grappling with over the years It is a question to which no satisfactory answer has been found despite more than a century of research However in most cases the research has focused on what people do if they rebel but hardly ever why they rebel The essays in this volume offer an alternative perspective based on the question at what point families decided to add collective action to their repertoires of survival strategies In this way this volume opens up a promising new field of historical research the intersection of labour and family history The authors offer fascinating case studies in several countries spanning over four continents during the last two centuries In an extensive introduction the relevant literature on households and collective action is discussed and the volume is rounded off by a conclusion that provides methodological and theoretical suggestions for the further exploration of this new field in social history Report of the Adjutant General of the Indiana Militia to the Governor Indiana. Adjutant General's Office,1869 *Reggae & Caribbean Music* Dave Thompson,2002-03 Provides a complete historic overview of the sounds of the entire English speaking Caribbean region bringing together informative essays on the development of a range of music styles and the industry s top performers Original *Scandal in Silver* Sandra Chastain,1994 Sabrina needed a man for the silver mine left to her and her sisters was useless without the strength to extract the silver nuggets But when she returned from Boulder City with Confederate prisoners in tow she could not anticipate her sisters reactions to their new hired hands for each prisoner cleaned up handsomer than the last **The Fair Rebel** Emerson Bennett,1855 *The Rebellion Record* Frank Moore,1862 **THE REBEL'S BRIDE** Christine Flynn,2011-07-15 The Whitaker Brides SHE D BROUGHT TROUBLE TO TOWN The citizens of Leesburg were aghast Sweet peaceable Lindsey Hayes had up and invited a new carpenter to town And not just any carpenter but scandalous Caleb Whitaker renegade brother of Leesburg s richest rancher Why not even Lindsey could mend fences between these men Yet Lindsey sensed the painful secrets behind Cal s rebellion Felt a kinship and a craving she couldn t deny And once Cal branded her with his callused touch she ached to make this bitter outsider belong In Leesburg And in her arms Can three sisters tame the wild hearts of three Texas brothers Find out in THE WHITAKER BRIDES **The Rebellion Record** Moore,1866 The 1728 Musin Rebellion Andrew David Jackson,2016-01-31 The 1728 Musin Rebellion Politics and Plotting in Eighteenth Century Korea provides the first comprehensive account in English of the Musin Rebellion an attempt to overthrow King Y ngjo 1694 1776 r 1724 1776 and the largest rebellion of eighteenth century Korea The rebellion proved unsuccessful but during three weeks of fighting the government lost control of over a dozen county seats and the rebels drew

popular support from the inhabitants of three southern provinces The revolt profoundly unsettled the early years of Y ngjo s reign and had considerable influence on the subsequent course of factionalism In this keenly reasoned study Andrew David Jackson investigates the causes development suppression legacy and significance of the bloody Musin Rebellion The Musin Rebellion had its roots in the factional conflicts surrounding Y ngjo s troubled succession to the throne Jackson analyzes an aspect of the conflict previously neglected by researchers namely how the rebels managed to create an armed rebellion He argues that the rebellion should be understood in the context of other attempts on power by factional members that occurred over a hundred year period leading up to 1728 By exploring the political and military context of the event the book demonstrates that the Musin Rebellion was not driven by systemic breakdown regionalism or ideology but was a failed attempt by political players to take control of the court Central to the eruption of violence in 1728 was the intervention of key rebel plotters several of whom were serving officials with access to state military resources The book provides an in depth view of factional politics in the Chos n court and the final section deals with the rebel legacy bringing to the fore issues about managing forming and directing the historical memory of the rebellion
