Rebel The Reluctant Racehorse:

Rebel, the Reluctant Racehorse Hetty Burlingame Beatty, 1968 Rebel kept finding things more interesting than the race he was running But in a race against danger he managed to remain undistracted and save the town *Jonathan Swift: The Reluctant Rebel* John Stubbs, 2017-02-28 A rich and riveting portrait of the man behind Gulliver s Travels by a vivid ardent and engaging New York Times Book Review author One of Europe s most important literary figures Jonathan Swift was also an inspired humorist a beloved companion and a conscientious Anglican minister as well as a hoaxer and a teller of tales His anger against abuses of power would produce the most famous satires of the English language Gulliver s Travels as well as the Drapier Papers and the unparalleled Modest Proposal in which he imagined the poor of Ireland farming their infants for the tables of wealthy colonists John Stubbs s biography captures the dirt and beauty of a world that Swift both scorned and sought to amend It follows Swift through his many battles for and against authority and in his many contradictions as a priest who sought to uphold the dogma of his church as a man who was quite prepared to defy convention not least in his unshakable attachment to an unmarried woman his Stella and as a writer whose vision showed that no single creed holds all the answers Impeccably researched and beautifully told in Jonathan Swift Stubbs has found the perfect subject for this masterfully told biography of a reluctant rebel a voice of withering disenchantment unrivaled in English
