Rebellion In Laos Peasant And Politics In A Colonial Backwater:

Rebellion In Laos Geoffrey C Gunn, 2019-06-04 A study in historical anthropology this work focusses on the world historical incorporation of Laos into a colonial capitalist system of surplus accumulation In so doing new light is brought to bear upon the non rebellious and especially rebellious responses of the majority Lao and minority montagnard population of that country at least as determined by a scrutiny of largely archival based sources The approach taken is to combine a general world system analysis with a concern for the non economic moral and ideological form of colonial and feudal domination

Creating Laos Søren Ivarsson, 2008 This book examines the process through which Laos came into existence under French colonial rule through to the end of World War II Here Laos's position at the intersection of two conflicting spatial layouts of Thailand and Indochina made its national form a particularly contested process Rather than analyze this process in terms of administrative and political structures the book discusses how a specific idea about a separate Lao space and its culture was formed

Politics and Society in Southeast Asia Peter A. Poole, 2014-11-18 The Asian financial crisis of 1997 1998 caused severe hardship in Southeast Asia and many countries tightened their regulation of banks and other financial institutions adopted more conservative fiscal policies and made themselves less vulnerable to Western market fluctuations by forming closer trade and investment ties with their neighbors This book analyzes the major political and economic reforms that resulted from the Asian financial crisis looking particularly at how such reforms helped to prepare Asian countries for coping with the 2009 global recession In each of the ten country chapters the historical background social and political system economic development and foreign relations of each country are analyzed and compared with those of neighboring countries The concluding chapter looks ahead at the prospects for Southeast Asia in a more integrated Asian region Instructors considering this book for use in a course may request an examination copy here

Shifting Cultivation Policies Malcolm Cairns, 2017-11-13 Shifting cultivation supports around 200 million people in the Asia Pacific region alone It is often regarded as a primitive and inefficient form of agriculture that destroys forests causes soil erosion and robs lowland areas of water These misconceptions and their policy implications need to be challenged Swidden farming could support carbon sequestration and conservation of land biodiversity and cultural heritage This comprehensive analysis of past and present policy highlights successes and failures and emphasizes the importance of getting it right for the future This book is enhanced with supplementary resources The addendum chapters can be found at www.cabi.org/openresources/91797

The Legend of the Golden Boat Andrew Walker, 1999-09-01 The Legend of the Golden Boat provides a new approach to the study of Southeast Asia's northern borderlands Based on extensive travel in the upper Mekong hinterland it is a fascinating account of the lives of the transport operators traders entrepreneurs and government officials This ethnographic study is set against an intriguing background of war revolution and reform providing one of the most detailed histories of the upper Mekong borderlands ever written Contemporary developments in the upper Mekong region are often interpreted in

terms of the emergence of a trans border Economic Quadrangle characterized by liberalization integration and cooperation This book seeks to go beyond this promotional rhetoric and explore the ambiguities and contradictions in the Quadrangle s development *Government & Politics in Southeast Asia* John Funston,2001 In this substantial and referenced study nine leading scholars present from inside the history society geography economy and governmental institutions of each of the 10 ASEAN countries Brunei Cambodia Indonesia Laos Malaysia Myanmar Philippines Singapore Thailand and Vietnam

Globalization, Culture and Society in Laos Boike Rehbein,2007-08-13 The book explores current tendencies of globalization in Laos and offers a theoretical framework for their interpretation **Historical Dictionary of Laos** Martin Stuart-Fox,Simon Creak,2023-02-06 Laos has the smallest population the weakest military and despite rapid economic growth in recent years one of the lowest levels of per capita income in mainland Southeast Asia Yet a glance at the map reveals its strategic location between China and Cambodia and Thailand and Vietnam As Laos was formerly a crossroads for trade routes the socialist government of the Lao People s Democratic Republic seeks to transform the country into a prosperous crossroads at the heart of this rapidly developing region Historical Dictionary of Laos Fourth Edition provides an in depth examination of one of the least known countries in Southeast Asia through a detailed chronology comprehensive introduction and extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book will be an excellent resource for students researchers and anyone wanting to know more about Laos *Revolution, Reform and Regionalism in Southeast Asia* Ronald Bruce St John,2006-01-16 Based on research carried out over the three decades this book compares the post war political economies of Cambodia Laos and Vietnam in the context of their individual and collective impact on contemporary efforts at regional integration The author highlights the different paths to reform taken by the three neighbours and the effect this has had on regional plans for economic development through the ASEAN and the Greater Mekong Subregion Through its comparative analysis of the reforms implemented by Cambodia Laos and Vietnam over the last thirty years the book draws attention to parallel themes of continuity and change The author discusses how the three states have demonstrated related characteristics whilst at the same time making different modifications in order to exploit the unique strengths of their individual cultures Contributing to the contemporary debate over the role of democratic reform in promoting economic development the book provides a detailed account of the political economies of three states at the heart of Southeast Asia Hmong Means Free Sucheng Chan,2010-08-17 Three generations of Hmong refugees expose the trauma and the joy of their lives
