Prophecy Howard Kreisel, 2012-12-06 More than any other topic prophecy represents the point at which the Divine meets the human the Absolute meets the relative How can a human being attain the Word of God In what manner does God when conceived as eternal and transcendent address corporeal transitory creatures What happens to God's divine Truth when it is beheld by minds limited in their power to apprehend and influenced by the intellectual currents of their time and place How were these issues viewed by the great Jewish philosophers of the past who took the divine communication and all it entails seriously while at the same time desired to understand it as much as humanly possible in the course of dealing with a myriad of other issues that occupied their attention This book offers an in depth study of prophecy in the thought of seven of the leading medieval Jewish philosophers R Saadia Gaon R Judah Halevi Maimonides Gersonides R Hasdai Crescas R Joseph Albo and Baruch Spinoza It attempts to capture the original voice of these thinkers by looking at the intellectual milieus in which they developed their philosophies and by carefully analyzing their views in their textual contexts It also deals with the relation between the earlier approaches and the later ones Overall this book presents a significant model for narrating the history of an idea *The Myth of Rebellious Angels* Stuckenbruck, Loren T., 2017-02-17 The mythical story of fallen angels preserved in 1 Enoch and related literature was profoundly influential during the Second Temple period In this volume renowned scholar Loren Stuckenbruck explores aspects of that influence and demonstrates how the myth was reused and adapted to address new religious and cultural contexts Stuckenbruck considers a variety of themes including demonology giants exorcism petitionary prayer the birth and activity of Jesus the Holy Spirit the conversion of Gentiles apocalyptic and the understanding of time and more He also offers a theological framework for the myth of fallen angels through which to reconsider several New Testament texts the Synoptic Gospels the Gospel of John Acts Paul's letters and the book of Revelation

Angelic Mysteries Ricky Roberts, 2005-01-12 *Angelic Mysteries* is a systematic rationale which sets the record straight about angels and their existence Dr Ricky Roberts brings academic analysis to the text of the Scriptures and divides truth from myth fact from fiction and information from misinformation The degeneration of monotheism and the acceptance of other philosophical genres has led to a

disintegration of understanding of the mysteries of God's angelic forces Using the Word of God as the final arbiter Dr Roberts systematically reexamines the role of angels in the Bible from the first appearance of the Cherubim in Genesis 3 The truth contained in Angelic Mysteries therefore becomes the standard by which other writings must be measured Angelic Mysteries teaches the truth about The orders of God's angels The nature of angels The works of angels Common facts about angels About the author Dr Ricky Roberts was completely and instantaneously healed in 1977 of severe learning difficulties that had plagued him since birth Today he has seven earned doctorates including two Ph D's and is an authority on ancient languages He speaks Greek Hebrew Aramaic and Latin He has been honored by Who's Who in America Who's Who in the World and most recently 1 000 Great Americans Dr Ricky Roberts is the founder of True Light Ministries a teaching and healing ministry based in Jacksonville Florida

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
